# **Grote Enterprises, LLC Retirement Savings Plan**

**Financial Statements  
With Supplementary Information  
Years Ended December 31, 2023 and 2022  
With Independent Auditors' Report**

## **Independent Auditors' Report**

To the Trustees of  
Grote Enterprises, LLC Retirement Savings Plan  
Cincinnati, Ohio

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Grote Enterprises, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Grote Enterprises, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Independent Auditors' Report (Continued)**

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Grote Enterprises, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grote Enterprises, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

#### **Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grote Enterprise, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grote Enterprise, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

**Supplemental Schedule Required by ERISA (Continued)**

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **GROTE ENTERPRISES, LLC RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements**

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Presentation***

The accompanying financial statements of Grote Enterprises, LLC Retirement Savings Plan have been prepared under the accrual basis of accounting principles generally accepted in the United States of America ("GAAP").

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

##### ***Notes Receivable from Participants***

For reporting purposes, participant loans are classified as notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

##### ***Related Party Transactions***

Certain Plan investments are shares in mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

Grote Enterprises, LLC ("Plan Sponsor") provides administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by Grote Enterprises, LLC for the services to the Plan.

##### ***Estimates***

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### ***Benefit Payments***

Benefit payments are recorded when paid.

##### ***Subsequent Events***

In preparing its financial statements, Plan management has evaluated events subsequent to the balance sheet date through August 16, 2024, which is the date the financial statements were available to be issued.

#### NOTE 2 DESCRIPTION OF THE PLAN

The following description of Grote Enterprises, LLC Retirement Savings Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan covering all employees of Grote Enterprises, LLC, Cinfab, LLC, Design Build, Inc. dba Commercial HVAC, and the Thomas J. Dyer Company (individually "Company" and collectively the "Companies"). The Plan covers all non-union employees who are 18 years of age and have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

##### ***Contributions***

Participants may voluntarily make salary deferral contributions up to 60% of their pre-tax or post-tax compensation, as defined in the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$22,500 at December 31, 2023). For 2023, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$7,500. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year. All employees of the Companies not covered under a collective bargaining agreement are eligible for participation in the Plan if they have completed at least one month of service and have attained the age of eighteen. Participants that do not complete a salary deferral agreement on or after 35 days of eligibility notice are automatically enrolled in the plan and have 3% of their eligible compensation withheld. Rehired employees will be automatically enrolled in the same manner as other employees.

## **GROTE ENTERPRISES, LLC RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements (Continued)**

#### **NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)**

##### ***Contributions (Continued)***

The Companies may elect to make a discretionary matching contribution each year of a discretionary percentage of a Participant's compensation or a discretionary dollar amount. The matching contribution is invested as directed by the Participant, in the same manner as elected for the participant's deferrals. In 2023, the Companies elected to make a matching contribution of 50% of employee deferrals up to 3% of compensation for all participants with deferrals during the plan year. The Companies may also elect to make a profit sharing contribution. Profit sharing contributions are allocated pro-rata based on the employee's compensation as a percentage of the total compensation. There was no profit-sharing contribution in 2023.

##### ***Rollover Contributions***

Participants may roll over the taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

##### ***Participant Accounts***

Each participant's account is credited with the participant's and Companies' contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Vesting***

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the matching contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. Participants become vested over a five-year graded vesting schedule. A participant vests ratably beginning after one year of service with 100 percent vesting being attained after five years.

##### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 and may not exceed the lesser of \$50,000 or half of the participant's vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. Generally, notes receivable range in term from one to five years, except in the case of a note for the purpose of acquiring a primary residence.

## GROTE ENTERPRISES, LLC RETIREMENT SAVINGS PLAN

### Notes to Financial Statements (Continued)

#### NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

##### *Payment of Benefits*

Upon a participant's retirement, death, total and permanent disability, other termination of employment, or termination of the Plan, the participant's benefits are distributed either in the form of a single lump-sum amount equal to the value of the participant's vested interest in his or her account or rolled over into an IRA or another qualifying plan to avoid current taxation.

In conditions of "financial hardship," a participant may apply to the Plan administrator for approval to withdraw that portion of his or her 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

##### *Forfeited Accounts*

The non-vested portion of terminated participant account balances can be used by the Plan sponsor to first reduce employer contributions and/or administrative expenses and then proportionally redistributed among participants. At December 31, 2023 and 2022 unallocated forfeitures contained in the Plan were \$31,790 and \$30,151, respectively. During 2023, forfeitures in the amount of \$14,710 were used to pay administrative expenses.

#### NOTE 3 FAIR VALUE MEASUREMENTS

Applicable generally accepted accounting principles' accounting for Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## GROTE ENTERPRISES, LLC RETIREMENT SAVINGS PLAN

### Notes to Financial Statements (Continued)

#### NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value.

*Mutual funds:* Value at the net asset value ("NAV") of shares held by the Plan at year end.

*Money market fund:* Value at the net asset value ("NAV") of shares held by the Plan at year end.

*Self-directed brokerage accounts:* Accounts primarily consist of cash, ETFs, and common stocks that are valued on the basis of market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### ***Assets Measured at Fair Value on a Recurring Basis***

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

#### **NOTE 4 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **NOTE 5 TAX STATUS**

The Plan sponsor has adopted a volume submitter specimen plan which has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that the provider's prototype, as designed, is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan itself had not received a determination letter from the IRS. The Plan has been amended since receiving the determination letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, no provision for income tax has been included in the Plan's financial statements.
