Team Cymru, Inc. 401(k) P/S Plan
Ft. Lauderdale, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Team Cymru, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2023 audit of Team Cymru, Inc. 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report.

We are required to be independent of Team Cymru, Inc. 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Team Cymru, Inc. 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Team Cymru, Inc. 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Team Cymru, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Team Cymru, Inc. 401(k) P/S Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan established in January 2006. The Plan has been amended and restated throughout the years to comply with tax legislation and was most recently restated and amended January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The plan administrator and retirement committee are responsible for the oversight of the Plan.

The Plan has contracted with Reliance Trust Company (“Reliance”) to act as custodian and trustee and ADP for recordkeeper; therefore, Reliance and ADP are parties-in-interest to the Plan.

Eligibility

Employees of Team Cymru, Inc. (the “Company” or “Employer”) are eligible to participate in the deferral and discretionary match component upon completing three months of service (as defined by the Plan).

Contributions

Subject to certain limitations, under the Internal Revenue Code (“IRC”) Section 401(k), participants may contribute up to 60% of their annual compensation, subject to 2023 annual limits of \$22,500 and an additional \$7,500 for catch-up contributions for participants that are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Plan currently offers several mutual funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

Participant Accounts

Plan participants are offered a choice of various investment options and allowed are to change their investment options daily. Each participant's account is credited and/or reduced by the participant's elective deferral contributions and distributions, the Company's contributions, and an allocation of the Plan's investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures may be used to reduce future Employer matching contributions. As of December 31, 2023 and 2022, there were no forfeited non-vested accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A participant may not have more than two outstanding notes at any time. The notes are secured by the balance in the participant's account and bear interest at a rate that is consistent with the current market upon issuance. The maximum note repayment period is five years, unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a longer term. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment by reason other than disability or death, a participant is entitled to their entire account balance, which includes all of the vested Employer's contributions allocated to the participant's account and all gains or losses attributable thereto. If a participant terminates employment due to disability or death, the participant becomes fully vested and is entitled to their entire account balance as described above. Terminated participants may elect to receive a distribution of their vested benefits in a lump sum or in installments to satisfy required minimum distribution rules under the Plan. Participants should refer to the Plan document for a full description of the distribution methods offered by the Plan. The Plan allows for in-service distributions upon attaining age 59 ½, and hardship distributions, as defined by the Plan. Benefits are recorded when paid.

Vesting

Participants are immediately vested in their elective contributions, as well as any rollover contributions, plus or minus actual earnings or losses thereon. Vesting in the remainder of their account (employer contributions) is based on years of credited service (as defined by the Plan) as follows:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with GAAP.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Plan Expenses

Certain expenses incurred in the administration of the Plan are paid by the plan sponsor. Expenses such as loan processing and investment transaction fees are charged directly to the participant's account. For the year ended December 31, 2023, administrative expenses incurred by the Plan totaled \$7,789.

Notes Receivable from Participants

Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances plus any accrued interest, which approximates fair value. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Subsequent Events

Plan management has evaluated subsequent events and transactions that occurred after December 31, 2023 up to the date that the financial statements were available to be issued

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

Reliance, the trustee of the Plan, has supplied the plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, are described as follows:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments described above are deemed to be Level 1 investments and are measured at fair value on a recurring basis.

NOTE 5 - TAX STATUS

The Plan adopted a volume submitter plan which has received an opinion letter from the Internal Revenue Service dated October 6, 2020, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been restated and amended since receiving the opinion letter. The plan administrator believes that the adopted and amended Plan is in compliance with the applicable requirements by IRC Section 401, and therefore, believes the Plan is qualified and the related trust is tax exempt.

NOTE 6 - PLAN TERMINATION

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Plan holds investments managed by Reliance, the Plan trustee, which qualify as party-in-interest investments.

The Plan's payments of trustee fees to Reliance and audit fees qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.
