Plan Administrator and Plan Management
MacAllister Profit Sharing & Savings Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MacAllister Profit Sharing & Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MacAllister Profit Sharing & Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Macallister Profit Sharing & Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Macallister Profit Sharing & Saving Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Macallister Profit Sharing & Saving Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Macallister Profit Sharing & Saving Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan

The following description of the MacAllister Profit Sharing & Savings Plan (“Plan”) provides only general information. For a more complete description of the Plan’s provisions, participants should refer to the Plan Document and *Summary Plan Description*, which are available from the Plan Administrator.

General

The Plan is a defined-contribution plan sponsored by MacAllister Machinery Co., Inc. (“Company”) for the benefit of its employees who are at least 18 years of age and are not covered by a collective bargaining agreement. Employees are immediately eligible to participate upon date of hire. The Plan also includes the employers SITECH Michigan, LLC; MacAllister Rental, LLC; Tarbert Properties, LLC; and SITECH of Indiana, LLC.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”) and the Internal Revenue Code (“IRC”). Empower Retirement, LLC (“Empower”) and Charles Schwab Bank (“Schwab”) serve as custodians of the Plan. The trustee of the Plan is Empower Trust Company, LLC. The Plan Administrator is MacAllister Machinery Co., Inc.

Contributions

Contributions to the Plan included: (1) salary reduction contributions authorized by participants; (2) matching contribution made by the Company; (3) profit-sharing contributions made by the Company; and (4) participant rollovers from other eligible retirement plans.

Eligible employees may elect to defer a portion of their compensation and contribute it to the Plan. An eligible employee may elect to contribute up to 60% of eligible compensation to the Plan, limited to the maximum allowed by law, on a pre-tax and/or post-tax (“Roth”) basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions to the extent permitted by law. Participants may also contribute amounts representing distributions from other qualified plans (known as rollover contributions).

The Plan includes an automatic deferral feature whereby all newly eligible employees are treated as electing to defer 6% of eligible compensation unless the employee makes an affirmative election otherwise. The automatic deferral feature also provides for an annual increase of 1% in the deferral percentage, up to a maximum deferral of 15% of eligible compensation. Contributions are invested in a designated fund intended to be a Qualified Default Investment Alternative under Department of Labor (“DOL”) rules until changed by the employee/participant.

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements December 31, 2023 and 2022

The Plan provides that the Company may make matching contributions and profit-sharing contributions at its discretion. For the years ended December 31, 2023 and 2022, the Company made matching contributions equal to 50% of the amount of the employees' salary deferral on the first 6% of the employees' eligible compensation.

The amounts of the Company's matching contributions and profit-sharing contributions to the Plan for the periods indicated were as follows:

	Year Ended December 31,	
	2023	2022
Matching contributions	\$5,440,672	\$5,069,289
Profit-sharing contributions	4,900,000	4,600,000
Total employer contributions	<u>\$10,340,672</u>	<u>\$9,669,289</u>

Participant Investment Options

Participants may invest in a variety of investment options offered under the Plan. Each participant has the option of directing his or her contributions into any of the separate investment accounts in the Plan or into individually directed accounts. Participants may change investment allocations daily.

Participant Accounts

Each participant has an individual account which is credited with: (1) the participant's contribution; (2) the Company's matching contribution; (3) the Company's profit-sharing contribution; and (4) Plan earnings and is charged with an allocation of administrative expenses. At the discretion of the Plan Administrator, allocations of administrative expenses are based pro-rata on account balances or on the number of participants.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Participants are vested in the Company's matching contributions and profit-sharing contributions on a graded vesting schedule and become 100% vested upon completion of three years of eligible service.

Amounts forfeited under vesting provisions may be used to offset future Company contributions or Plan expenses. The amount of forfeitures available to be used was approximately \$126,711 as of December 31, 2023 and \$101,572 as of December 31, 2022.

Payment of Benefits

Upon termination of employment, the participant will be entitled to the value of his or her vested account balance. Benefit payments can be made in a cash lump-sum, periodic installments or any combination thereof. Withdrawals other than for termination of employment are permitted under circumstances as provided by the Plan.

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Notes Receivable from Participants

The Plan allows active eligible participants to borrow from their accounts subject to certain limitations. The minimum amount of a loan shall be \$500. The maximum amount of a participant's loan is restricted to the lesser of a specified dollar amount or 50% of the participant's vested account balance. Only one loan may be outstanding at any time. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings. Interest on the loans accrues at a rate equal to Prime plus one percentage point. As of December 31, 2023, participant loans mature in 2024 through 2043 at interest rates per annum that range from 4.25% to 9.50%.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Company's matching contributions and profit-sharing contributions.

Transfers

The Plan received funds from and transferred funds to the MacAllister Retirement Savings Plan, a defined-contribution plan for Company employees covered by a collective bargaining agreement, based on whether an employee was covered under a collective bargaining agreement.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Asset Valuation and Income Recognition

Investments are presented at fair value using quoted market prices, if available. Mutual funds and self-directed brokerage accounts funds are valued at the net asset value ("NAV") of shares held by the Plan at year end. The majority of the investments in the self-directed brokerage accounts are common stock and mutual funds.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes gains and losses on Plan investments sold during the year, unrealized gains and losses on Plan investments held at the end of the year, as well as interest income and dividend income from mutual funds.

Notes receivable from participants are reported at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as benefit payments based upon the terms of the Plan.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 3: Certification of Plan Custodian and Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Retirement, LLC certified the information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate and, which included:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits and related disclosures as of December 31, 2023 and 2022;
- Investment income (loss) income and interest income on notes receivable from participants as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022; and
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

The Plan's self-directed investments held in Schwab brokerage accounts were not certified in 2023 or 2022.

Note 4: Fair Value of Assets

Fair value is defined under the accounting guidance as the price that would be received upon the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. In measuring Plan assets at fair value, a hierarchy is applied which categorizes and prioritizes the inputs used to estimate fair value into three levels. The three levels of inputs that may be used to measure fair value are defined as follows:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements December 31, 2023 and 2022

Recurring Measurements

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 assets included securities held in self-directed brokerage accounts and mutual funds. The Plan held no Level 2 or Level 3 assets.

The following table presents the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall as of the dates indicated:

As of December 31, 2023

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 5: Investment Contract with Insurance Company

The Plan held a fully benefit-responsive investment contract with Empower (the guaranteed investment contract issuer) as of December 31, 2023 and December 31, 2022. The custodians maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

As further described in *Note 2 - Summary of Significant Accounting Policies - Asset Valuation and Income Recognition*, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the custodians, represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed for resetting as needed.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 6: Plan Tax Status

Effective June 1, 2022, the Plan operates under a volume submitter adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Empower. Prior to June 1, 2022, the Plan operated under a volume submitter adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by MassMutual. The volume submitter prototype documents have favorable opinion letters from the Internal Revenue Service ("IRS"), therefore, the Plan has not been submitted to the IRS for an individual determination letter.

The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

MacAllister Profit Sharing & Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 7: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Company provides certain administrative services at no cost to the Plan.

The Plan may invest in certain funds of the Plan custodian. The Plan paid fees to Empower of \$136,042 and \$153,860 during 2023 and 2022, respectively.

Notes receivable from participants qualify as party-in-interest transactions and totaled \$3,830,105 and \$2,766,484 as of December 31, 2023 and 2022, respectively.

Note 8: Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are subject to a variety of risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9: Subsequent Events

Subsequent events have been evaluated through August 22, 2024, which is the date the financial statements were available to be issued.
