We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mosby Building Arts, Ltd. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mosby Building Arts, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mosby Building Arts, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mosby Building Arts, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MOSBY BUILDING ARTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Mosby Building Arts, Ltd. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan and Trust Agreement (Plan Document) for a more complete description of the Plan's provisions.

General

The Plan is a profit sharing plan, established January 1, 2008 and covers all eligible employees of Mosby Building Arts, Ltd. (Plan Sponsor or Company). Employees are eligible to participate in the Plan once they have completed one month of eligibility service and attained the age of twenty-one. Plan entry dates are the first day of each calendar month coinciding with or next following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor is the Plan Administrator.

Contributions

Participants may make voluntary salary reductions (participant contributions) up to the maximum amount allowed by the IRS. For 2023 this deferral limit was \$22,500. Participants may also rollover amounts from other qualified plans. Participants are automatically enrolled in the Plan upon satisfaction of eligibility requirements at a deferral rate of 1% of eligible gross compensation and will automatically increase 1% each year to a maximum of 5%.

The Company may make discretionary matching contributions to the Plan, an amount the Company in its sole discretion may determine. During 2023, the Company did not make matching contributions.

The Company may also make discretionary profit sharing contributions to the Plan, an amount the Company in its sole discretion may determine. Participants must be employed on the last day of the Plan Year and complete at least 1,000 hours of eligibility service during the Plan Year in order to receive discretionary profit sharing contributions. During 2023, the Company did not make profit sharing contributions.

The Plan is a safe harbor plan which provides matching contributions under a basic matching contribution formula equal to 100% up to the first 3% of salary deferred from its participants and 50% of salary deferred between 3% and 5%. Total safe harbor contributions during 2023 were approximately \$333,000.

Participant Accounts

Individual accounts are maintained to record participant contributions, rollover contributions, discretionary matching contributions, profit sharing contributions, safe harbor contributions, and earnings thereon for each participant. The benefit to which a participant is entitled is the total benefit, which can be provided from the vested portion of these individual accounts.

See Independent Auditor's Report.

MOSBY BUILDING ARTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Upon entry into the Plan, participants are 100 percent vested in their salary deferral contributions, safe harbor contributions, rollover contributions and earnings thereon. Vesting for the discretionary matching contributions, discretionary profit sharing contributions, and earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts. The amounts borrowed are limited to the lesser of \$50,000 or one half of the participant's vested account balance and must be greater than \$1,000. Loans must bear a reasonable rate of interest and must be repaid within five years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may request a distribution of their vested account balance from the Plan Administrator. Furthermore, upon approval of the Plan Administrator, participants may be entitled to take hardship distributions. Participants may elect to withdraw all, or a portion of their account while still employed, upon attainment of age 59 ½. Additionally, if participants have rolled money into the Plan from another qualified Plan or IRA, they may take an in-service distribution of their rollover contribution account at any time. Vested account balances less than \$5,000 for terminated participants, will be distributed in a lump-sum as soon as administratively feasible after termination. Benefits are recorded when paid.

Forfeited Accounts

Forfeited balances will be used to pay plan expenses first and then to offset Company contributions. As of December 31, 2023 and 2022 the Plan had a forfeiture balance of approximately \$0. During 2023, no forfeitures were used to reduce employer contributions or pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Subsequent Event

Management has evaluated subsequent events through August 22, 2024, the date the financial statements were available to be issued.

See Independent Auditor's Report.

MOSBY BUILDING ARTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Operating Expenses

All expenses of maintaining the Plan are paid out of the Plan assets or by the Plan Sponsor. Investment-related expenses are included in net appreciation of fair value of investments.

See Independent Auditor's Report.

MOSBY BUILDING ARTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Market Risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Alerus Financial, N.A. (Alerus), the custodian of the Plan, has provided a certification as to the completeness and accuracy of all investment and notes receivable from participants information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets held at end of year as of December 31, 2023.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

MOSBY BUILDING ARTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end and closed-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at NAV based on the market value of the underlying investment assets divided by the number of units outstanding at the end of the Plan year. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,737,852	\$ -	\$ -	\$ 5,737,852
Investments measured at net asset value(a)	-	-	-	597,218
Total investments	\$ 5,737,852	\$ -	\$ -	\$ 6,335,070
2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,218,650	\$ -	\$ -	\$ 4,218,650
Investments measured at net asset value(a)	-	-	-	553,702
Total investments	\$ 4,218,650	\$ -	\$ -	\$ 4,772,352

a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

See Independent Auditor's Report.

Collective trust funds	\$ 553,702	N/A	Daily	1 Day

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 - TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the written form of the underlying volume submitter profit sharing plan document is qualified under Section 401(a) of the Internal Revenue Code (the Code), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter dated June 30, 2020, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

See Independent Auditor's Report.

As of December 31, 2023, due to the statutes of limitations, the Plan is no longer subject to examination of its 5500 by the IRS for years prior to 2020.
