Financial Statements

December 31, 2023 and 2022

(With Independent Auditors' Report Thereon)

KPMG LLP
One Financial Plaza, Suite 2300
Providence, RI 02903

Independent Auditors' Report

To the Plan Participants and Plan Administrator
Hasbro, Inc. Retirement Savings Plan:

Opinion

We have audited the financial statements of Hasbro, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for plan benefits for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Accompanying Supplemental Information

Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following brief description of the Hasbro, Inc. Retirement Savings Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

(a) General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is available to substantially all domestic employees of Hasbro, Inc. and certain subsidiaries (collectively "the Company," "Plan Administrator" or "Plan Sponsor"). Participation in the Plan is voluntary and to be eligible, employees must have attained age 21 and be in a covered job classification.

Fidelity Management Trust Company ("the Trustee") serves as Trustee and Recordkeeper of the Plan.

(b) Contributions

Eligible employees may contribute up to 75% of their eligible pay, limited to an annual maximum of \$22,500 in 2023 and \$20,500 in 2022. Contributions may be limited to less than the maximum percentage of eligible pay to enable the Company to meet IRS discrimination regulations. The Company makes a matching contribution of 200% of the first 2% of the participants' eligible pay that they contribute per pay period, plus a 50% match of the next 4% of participants' eligible pay that they contribute per pay period up to a maximum matching contribution of 6% of a participant's eligible pay per pay period.

The Company may also make a discretionary annual contribution after the close of each year, which is targeted at 3% of eligible pay. Discretionary contributions totaling \$9,995,343 and \$9,994,446 were made for plan years 2023 and 2022, respectively.

All eligible employees who have reached age 50 by the end of the calendar year are permitted to make additional pre-tax deferrals over and above the otherwise applicable limits. These additional deferrals are called "catch-up contributions". Catch-up contributions may be made up to an additional \$7,500 in 2023 and \$6,500 in 2022.

(c) Vesting

All participants currently employed by the Company own, or are vested in, 100% of both employee contributions and the Company's matching contributions to the Plan. Participants become 100% vested in the Company's discretionary annual contribution after three years of vesting service. Participants earn one year of vesting service for each calendar year in which the participant has worked at least 1,000 hours.

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(d) Forfeitures

The unvested portion of a terminated participant's account is forfeited and used to reduce future employer contributions. Forfeitures were \$405,137 and \$160,326 in 2023 and 2022, respectively. The forfeited account balances were \$0 as of December 31, 2023 and 2022, respectively.

(e) Payment of Benefits

Payments to participants may be paid upon retirement, disability, or termination of employment. The account balance will be paid to a beneficiary upon death of the participant. Participants in the Plan have the option of receiving their benefit payments either in a lump sum or in periodic installments. Participants, except for terminated participants, may also make in-service withdrawals from their Pre-Tax Savings Contribution Account in the event of a demonstrated severe financial hardship as defined by the IRS Safe Harbor rules. Participants who have reached age 59 ½ may make in-service withdrawals from their vested accounts excluding the annual company contribution and the transition contribution sources in the Plan for any reason. Distributions made to individuals who have not attained the age of 59 ½ may be subject to an IRS imposed 10% early distribution penalty.

(f) Notes Receivable from Participants

The maximum loan available to each participant is the lesser of (1) \$50,000 reduced by the highest outstanding loan balance due from the participant during the preceding twelve months, or (2) 50% of the participant's vested account balance, reduced by the current outstanding loan balance due from the participant. The minimum loan amount available to participants is \$500. Each loan shall bear a fixed interest rate equal to the prime interest rate as published in the Wall Street Journal on the last day of the previous month. Repayment of the loan must be made over a period not to exceed five years, unless it is for the purchase of a primary residence, in which case the loan period cannot exceed ten years.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates. The accompanying financial statements are presented on the accrual basis of accounting. Benefits payable at year end are not accrued for as they are considered to be a component of the net assets available for plan benefits.

(b) Investments

Investments are stated at fair value with the exception of the Plan's fully benefit-responsive investment contracts which are stated at contract value. See Note 8 for a discussion of the methods used to determine the fair value of investments held by the Plan.

Security transactions received prior to 4:00 pm Eastern time by the Trustee are recognized on that business day. Transactions received after 4:00 pm Eastern time are valued as of the next business day.

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Interest income is recorded on the accrual basis and dividend income is recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses.

(c) Notes Receivable from Participants

Notes receivable from participants are recorded at the outstanding principal balance plus accrued interest.

(d) Contributions

Contributions from employees are recorded by the Plan when deducted from employees' wages. The Company's matching contributions are accrued at the time the employee's contributions are deducted. For the years ended December 31, 2023 and 2022, employer and employee contributions for the last pay period of the year were paid to the Plan prior to the Plan's year end. The Company's discretionary annual contribution for 2023 and 2022 was paid to the Plan subsequent to the end of the Plan year and was recorded as employer contributions receivable on the Statements of Net Assets Available for Plan Benefits at December 31, 2023 and December 31, 2022.

(e) Payments of Benefits

Benefits are recorded when paid.

(f) Administrative Expenses

The Plan bears all costs and general expenses incurred with regard to investment consulting, audit, legal and communication fees, other professional fees, independent fund managers and the purchase and sale of investments. These expenses are paid by the Plan participants equally. Other costs of administration are paid for by the Plan Administrator.

(3) Investment Information

Participants may elect to have their accounts invested in one or more of the investment funds offered by the Plan. Investment options are selected by the Plan's Investment Committee (which is comprised of members of management, established by the Board to monitor the Plan's investment options and evaluate performance). At December 31, 2023, investment funds offered by the Plan included the following nationally traded mutual fund and commingled funds:

Participants can elect to invest up to 25% of their contributions in the Hasbro Stock Fund, which is a unitized stock fund that invests in the stock of Hasbro, Inc. and other short-term investments designed to allow participants to buy and sell without the usual trade settlement period for individual stock transactions. Ownership is measured in units of the fund instead of shares of common stock. Participants cannot elect to reallocate their investment funds if that would result in greater than 25% of their account invested in the Hasbro Stock Fund. The fair value of the cash and investments of the Hasbro Stock Fund was \$11,935,075 and \$14,294,146 as of December 31, 2023 and 2022, respectively.

The Plan invests in fully benefit-responsive synthetic guaranteed investment contracts ("synthetic GICs") as part of offering the JP Morgan Stable Asset Fund investment option to participants. Participant contributions to this fund are primarily used to purchase units of commingled funds, which are invested in a high-quality fixed income portfolio. The synthetic GICs are comprised of wrapper contracts and underlying investments.

The Company enters into wrapper contracts with insurance companies which provide a guarantee with respect to the availability of funds to make distributions from this investment option. These contracts are carried at contract value in the participants' accounts. The issuer of the wrapper contracts is contractually obligated to repay the principal, as well as a specified interest rate that is set on a quarterly basis. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The JP Morgan Stable Asset Fund and the wrapper contracts purchased are designed to pay all participants at contract value. However, certain events limit the ability of the Plan to transact at contract value. These events

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

include but are not limited to premature termination of the contracts by the Plan or Plan termination. The Plan Sponsor has not expressed any intention to take either of these actions.

The synthetic guaranteed investment contracts in the JP Morgan Stable Asset Fund as of December 31, 2023 and 2022 are summarized below:

	Major Credit Rating	Investments at Contract Value
<u>December 31, 2023</u>		
Transamerica Premier Life Insurance Company	A+	\$ 15,455,529
Pacific Life Insurance Company	AA-	15,464,307
Voya Insurance and Annuity Co.	A+	15,469,162

Voya Insurance and Annuity Co.	A+	16,869,305
Metropolitan Life Insurance Company	AA-	16,866,613
All Contracts		<u>\$ 67,458,077</u>

Participant accounts in the JP Morgan Stable Asset Fund are credited with interest at a fixed rate that is based on an agreed-upon formula as defined in the contracts. The rate typically resets quarterly; however, the rate may reset more frequently under certain circumstances. The primary variables which could impact the future crediting rates include (1) the amount and timing of participant contributions, (2) transfers and withdrawals into/out of the contract, (3) the current yield of the assets underlying the contract, (4) the duration of the assets underlying the contract and (5) the existing difference between fair value of the securities and the contract value of the assets within the insurance contract. The crediting rate of security-backed contracts will track current market yields on a trailing basis. The rate reset allows the contract value to converge with the fair value of the underlying portfolio over time, assuming the portfolio continues to earn the current yield for a period of time equal to the current portfolio duration.

(4) Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management and Research Company, an affiliate of the Trustee and Recordkeeper, and, therefore, qualify as party-in-interest transactions. The Plan had 3,383,707 and 3,560,541 units of the Fidelity Growth Company Pool commingled fund valued at \$174,396,258 and \$125,544,675, respectively, as of December 31, 2023 and 2022. The Plan also had cash and cash equivalents in the Fidelity Short-term Investment Fund of \$2,732,222 and \$2,424,474, respectively, as of December 31, 2023 and 2022. Additionally, the Plan holds investments in shares of Hasbro, Inc. common stock, the Plan Sponsor. The Plan had 223,033 and 223,146 shares of Hasbro, Inc. common stock valued at

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

\$11,388,065 and \$13,614,137, respectively, as of December 31, 2023 and 2022. These transactions qualify as exempt party-in-interest transactions.

(5) Plan Termination

Upon termination of the Plan and trust, each participant thereby affected shall be entitled to receive the full value of the participant's vested account balance in accordance with the terms of the Plan as of the final valuation date. The Trustee shall make payments of such amounts as directed by the Plan Administrator.

Although the Company has not expressed any intent to do so, it reserves the right to terminate the Plan at any time subject to ERISA provisions.

(6) Risks and Uncertainties

The Plan provides for investments in various funds, which invest in equity and debt securities and other investments. Such investments are exposed to risks and uncertainties, such as interest rate risk, credit risk, economic and political risks, regulatory changes, and foreign currency risk. In addition, participants may elect to invest up to 25% of their contributions in the Hasbro Stock Fund. The underlying performance of this fund is dependent upon the performance of the Company and the market's evaluation of such performance. The Plan's exposure to a concentration of credit risk is subject to the Plan's investment funds selected by participants. These risks and uncertainties could impact participants' account balances and the amounts reported in the financial statements.

(7) Federal Income Taxes

The Internal Revenue Service issued a determination letter on July 19, 2016, stating that the Plan and its underlying trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the effective date of the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Fair Value Measurements

The Plan measures certain assets at fair value. The fair value hierarchy consists of three levels: Level 1 fair values are valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access; Level 2 fair values are those valuations based on quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

corroborated by observable data for substantially the full term of the assets or liabilities; and Level 3 fair values are valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Plan had the following assets measured at fair value in its Statements of Net Assets Available for Plan Benefits:

Hasbro, Inc. Common Stock: Valued at the composite closing price reported on The Nasdaq Global Select Market.

Mutual Funds and Commingled Funds are valued at the quoted market price as reported by the fund and are redeemable on a daily basis. The quoted market prices represent the net asset value (“NAV”) of shares held by the plan at year-end.

The availability of observable market data is monitored to assess the appropriate classification of the Plan’s investments within the fair value hierarchy. For the years ended December 31, 2023 and 2022, there were no changes in the fair value hierarchy methodology and no transfers of assets between levels within the fair value hierarchy.
