INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Marnell Gaming, LLC 401(k) Plan
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Marnell Gaming, LLC 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 21, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period of January 1, 2023 to November 21, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marnell Gaming, LLC 401(k) Plan 's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 21, 2023 and December 31, 2022, and for the period of January 1, 2023 to November 21, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marnell Gaming, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Transfer of Plan Assets

As discussed in Note 1 to the financial statements, subsequent to the sale of Nugget Sparks, LLC, a Plan sponsor, on April 3, 2023, Marnell Gaming, LLC, the sole remaining Plan sponsor resolved to terminate the Plan effective April 18, 2023. All remaining undistributed Plan assets were transferred to Century Casino, Inc. 401(k) Savings and Retirement Plan as of November 21, 2023, the period end date of the accompanying financial statements. The Plan's statement of net assets available for benefits for the year ended November 21, 2023 presents zero balances for assets, liabilities or net assets available for benefits due to this transfer. Our opinion was not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marnell Gaming, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marnell Gaming, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Marnell Gaming, LLC 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

General

The Plan is a defined contribution plan covering the employees of the Marnell Gaming, LLC and Nugget Sparks, LLC (herein after referred to as the Company) who are not leased employees or employees covered by a collective bargaining agreement and who have completed three months of service. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts were implemented during the year ended December 31, 2020.

The Plan has implemented certain directives, where applicable, of the Setting Every Community Up for Retirement Act 2.0 of 2022 (SECURE Act), which contain several provisions affecting retirement plans in the areas of distributions and loans. During the period ended November 21, 2023, the Plan implemented provisions related to the increased age for required minimum distributions.

Plan Termination and Transfer of Plan Assets

Due to its sale on April 3, 2023, Nugget Sparks, LLC ceased to be an employer participating in the Plan. At this time all participants of Nugget Sparks, LLC were considered terminated and became 100% vested. Applicable participant balances were transferred to the Century Casino, Inc. 401(k) Savings and Retirement Plan in April 2023. On March 28, 2023, Marnell Gaming, LLC, the sole remaining Plan sponsor, resolved to terminate the Marnell Gaming, LLC 401(k) Plan with respect to the remaining participants effective April 18, 2023, at which time any remaining participants became 100% vested. All remaining assets of the Plan not distributed during the year were transferred as of November 21, 2023.

Contributions

Participants may elect to contribute from 1 percent to 30 percent of their pretax annual compensation, subject to Internal Revenue Service limits (\$22,500 for 2023). Participants who are age 50 or older may also contribute additional amounts to the Plan each year in accordance with the Internal Revenue Code (\$7,500 for 2023). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 20 mutual funds and one money market fund as investment options for participants.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Effective January 1, 2022, the Plan was amended to allow for Roth contributions and to accept rollovers of designated Roth contributions.

The Plan has a non-discretionary employer matching contribution. The Company matched 50% up to 6% of eligible compensation per payroll period. The Company ceased all contributions to the Plan effective April 18, 2023 due to the Plan termination.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of a) the Company's contributions, b) Plan earnings, and charged with c) an allocation of administrative expenses. Allocation of the Plan earnings and expenses is based on account balances.

Vesting Policy

Participants are always fully vested in their own contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon begins at 20 percent after one year of service increasing by 20 percent for each year of service thereafter. After five years of service, each participant is fully vested. Participants also become fully vested upon death or permanent disability. Due to the Plan termination on April 18, 2023, all contributions for participants with account balances became 100% vested.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from 1-5 years or not to exceed 10 years from the date of the loan for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate based on the prime rate of interest. The loan term for repayment is established and agreed upon by the participant and the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Withdrawals under the Plan are allowed for termination of employment, hardship (as defined by the Plan), retirement, or the attainment of age 59 1/2. Distributions may also be made to the participant in the event of disability or to a named beneficiary in the event of the participant's death. A participant may receive a lump-sum amount equal to the value of his or her account balance.

Forfeited Accounts

Forfeitures are used to pay administrative and investment expenses and then to reduce employer contributions. At November 21, 2023 and December 31, 2022, the forfeiture account totaled \$0 and \$4,706, respectively. During the period of January 1, 2023 to November 21, 2023, \$13,496 was used to pay administrative and investment expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation or depreciation of these investments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess Contributions Payable

The Plan distributes the excess contributions prior to March 15 of the year following the year the excess contributions were paid into the Plan. There were no amounts payable to participants for the period ending November 21, 2023 or the year ending December 31, 2022 for contributions in excess of amounts allowed by the IRS.

Expenses

Certain expenses of the Plan are paid by the Company and are therefore excluded from these financial statements. Fees for the administration of notes receivable from participants and maintenance of participant accounts are included in administrative expenses and charged directly to the participant's account.

NOTE 3. CERTIFIED INFORMATION

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at November 21, 2023 and December 31, 2022, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the period of January 1, 2023 to November 21, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted price for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;

**MARNELL GAMING, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
FOR THE PERIOD OF JANUARY 1, 2023 TO NOVEMBER 21, 2023**

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 21, 2023 and December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are deemed to be actively traded.

Money market fund: Valued at the last reported sales price on the last business day of the Plan year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Due to the Plan termination and transfer, there were no financial assets or liabilities to consider for fair value presentation as of November 21, 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

| | <u>Total</u> | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> |
|-------------------|---------------------|---------------------|----------------|----------------|
| Mutual funds | \$ 6,407,478 | 6,407,478 | \$ - | \$ - |
| Money market fund | <u>944,700</u> | <u>944,700</u> | - | - |
| | <u>\$ 7,352,178</u> | <u>\$ 7,352,178</u> | <u>\$ -</u> | <u>\$ -</u> |

NOTE 5. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds and money market funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 6. PARTIES-IN-INTEREST

For the period of January 1, 2023 to November 21, 2023, the Plan invested in funds managed by Fidelity Management Trust Company or its affiliates (collectively, Fidelity), and therefore these transactions qualify as party-in-interest transactions. For the period of January 1, 2023 to November 21, 2023, fees paid to Fidelity by the Plan for administrative and investment management services and loan origination costs amounted to \$7,732.

NOTE 7. TAX STATUS

Prior to February 22, 2022, the Plan used a prototype plan document sponsored by Fidelity Management & Research Company. The Plan document was amended and restated effective September 1, 2015. The prototype plan document was amended effective April 1, 2018. The Plan received a determination letter from the Internal Revenue Service, dated November 30, 2016, which states that the Plan document satisfies the applicable provisions of the Internal Revenue Code.

Effective February 22, 2022, the Plan adopted an amended and restated prototype plan document. The prototype plan document adopted was amended and restated effective June 30, 2020. The prototype plan received a determination letter from the Internal Revenue Service, dated June 30, 2020, which states that the plan document satisfies the applicable provisions of the Internal Revenue Code.

The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

NOTE 8. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their accounts. See Note 1 for discussion of Plan's termination.

NOTE 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 22, 2024, the date the financial statements were available to be issued.
