Retirement Plan for Employees

EIN 42-0794846 Plan #001
Waterloo, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Retirement Plan for Employees of Exceptional Persons, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits - cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits - cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Retirement Plan for Employees of Exceptional Persons, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 2.
- The information in the financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Retirement Plan for Employees of Exceptional Persons, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Plan for Employees of Exceptional Persons, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retirement Plan for Employees of Exceptional Persons, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Plan for Employees of Exceptional Persons, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of Plan

The following description of the Retirement Plan for Employees of Exceptional Persons, Inc. (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering employees of Exceptional Persons, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted a volume submitter plan document provided by Standard Retirement Services, Inc. The volume submitter plan document obtained its latest opinion on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with all applicable requirements of the Internal Revenue Code. Therefore, it believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Eligibility

Employees who have completed six months of service are eligible to make elective deferrals in the Plan on the first day of the month on or after meeting this requirement. However, employees must complete a year of service, as defined by the plan document, to be eligible for all other contributions.

The Plan utilizes an automatic enrollment feature, enrolling participants in pretax elective deferrals at a rate of 2% of eligible compensation in the absence of an election otherwise.

Contributions

Participants may contribute a percentage of their gross compensation to the Plan annually, subject to the statutory maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants direct the investment of their elective and rollover contributions among various investment options offered by the Plan. Participants may change their investment elections between those various options as often as they wish.

In 2023 and 2022, Exceptional Persons, Inc. matched participant contributions at a rate of 100% of the first 6% of each participant's compensation contributed. No discretionary contributions were made in 2023 or 2022.

Participants direct the investment of Exceptional Persons, Inc.'s matching and additional discretionary contributions among the aforementioned investment options.

Notes to the Financial Statements

(1) Description of Plan

Participant Accounts

Each participant's account is credited with the participant's elective and rollover contributions, matching and discretionary contributions by Exceptional Persons, Inc. and Plan earnings. Allocation of Exceptional Persons, Inc.'s matching contribution is based on the participant's elective contributions while allocation of Exceptional Persons, Inc.'s discretionary contribution is based on participant compensation. Because all accounts are 100% participant directed, Plan earnings are attributable to the investments selected by each participant and allocated to each participant in a manner that reflects the investment experience of each participant's directions. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

As of December 31, 2023 and 2022, there were no withdrawing participants that requested a distribution but had not yet been paid.

Vesting

Participants are immediately vested in their elective deferral and rollover contributions plus earnings thereon. Participants also become 100% vested on the attainment of early retirement age (55) or if their employment termination is due to death or disability. Vesting in contributions made by Exceptional Persons, Inc. is based on years of service as shown in the following schedule.

Years of Service	Vested Percentage
1	0%
2	20%
3	60%
4	80%
5 or more	100%

Forfeitures of employer contributions may be used to reduce employer contributions. During 2023 and 2022, forfeitures were \$17,519 and \$22,349, respectively, and \$15,039 and \$22,376, respectively, were used to reduce employer matching contributions. As of December 31, 2023 and 2022, unallocated forfeitures were \$2,510 and \$1, respectively.

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or payments over a fixed reasonable period of time.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits - cash basis as administrative expenses. All administrative expenses are charged to participant accounts.

Third-Party Fee Agreements

The various investment providers to the Plan retain investment earnings to help cover the cost of operating the funds. These fees, which were less than 1% of the Plan's investments for the years ended December 31, 2023 and 2022, have been netted against investment income.

Notes to the Financial Statements

(1) Description of Plan

Subsequent Events

Management has evaluated subsequent events through August 28, 2024, the date which the financial statements were available to be issued.

(2) Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, employer contributions and investment income are recognized when received rather than when earned, and expenses and other deductions are recognized when paid rather than when incurred. Consequently, accrued contributions, investment income receivable and accrued expenses as of December 31, 2023 and 2022 are not included in the financial statements.

Use of Estimates

The Plan Administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported changes in net assets available for plan benefits.

Financial Instruments and Concentration of Credit Risk

The Plan's investments subject the Plan to concentrations of credit risk in that substantially all of those investments are held by the Plan custodians. Following customary practices, the Plan does not hold collateral for debt investments made through these sources. The maximum potential credit loss to the Plan is limited to the total Plan assets as shown on the accompanying statements of net assets available for plan benefits - cash basis.

Valuation of Investments

Investments in registered investment companies are valued using quoted market prices.

The Plan invests in a fully benefit-responsive investment contract with Standard Insurance Company (The Standard) that is stated at contract value. The Standard maintains the contributions in a general account. The account is credited with the daily equivalent of the crediting rate less the Plan's asset management fees. The crediting rate is determined quarterly and is based on account yield forecasts and the margins required for The Standard's business.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received in cash.

Net appreciation (depreciation) in fair value of investments is reflected in the statements of changes in net assets available for plan benefits - cash basis and includes realized gains and losses on investments bought and sold and the change in appreciation (depreciation) from one period to the next.

Notes to the Financial Statements

(2) Summary of Accounting Policies

Income Tax Status

Plan management is required to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2023 and 2022, there were no audits for any tax periods in progress.

Payment of Benefits

Benefits are recorded when paid.

(3) Investments

The Plan's investments were held by The Standard, which has provided the Plan with a certification that the information below is complete and accurate.

The following table presents the fair value of investments, all of which were participant directed.

	Investments at Estimated Fair Value			
	Investments at Fair Value as Determined by Quoted Prices in Active Markets (Level 1)	Valuation Techniques Based on Observable Market Data (Level 2)	Valuation Techniques Incorporating Information Other Than Observable Market Data (Level 3)	Total

Notes to the Financial Statements

(3) Investments

The Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly; and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted fair values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The Plan utilizes no Level 2 inputs.

Level 3 Fair Value Measurements

The Plan utilizes no Level 3 inputs.

(4) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of benefits paid to participants from the financial statements to Form 5500 for the year ended December 31:

	2023	2022
Benefits paid to participants per financial statements	\$ 1,895,798	\$ 1,889,497
Less corrective distributions reported on Schedule H, Line 2f of Form 5500	—	4,996
Benefits Paid to Participants Per Schedule H, Line 2e(1) of Form 5500	<u>\$ 1,895,798</u>	<u>\$ 1,884,501</u>

(5) Related Party and Party-In-Interest Transactions

The Plan Sponsor, Exceptional Persons, Inc., provides participant data services to the Plan at no charge. In addition, Exceptional Persons, Inc. paid audit fees and fiduciary bond fees of approximately \$13,500 and \$16,225 during the years ended December 31, 2023 and 2022, respectively.

The Plan directly enters into party-in-interest transactions with service providers, including third-party administrators, investment advisors and auditors and purchases and sales of investments. Such transactions resulted in administrative fees as reflected in the statements of changes in net assets available for plan benefits - cash basis.

One of the participants in the Plan also serves as the trustee of the Plan.

(6) Risks and Uncertainties

The Plan invests in various registered investment companies and a deposit administration contract. These investments are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits - cash basis.

(7) Plan Termination

Exceptional Persons, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
