Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Summit Restaurant Group Retirement Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2023

We have performed an audit of the accompanying financial statements of Summit Restaurant Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2023 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in note 5 to the 2023 financial statements, is complete and accurate.

Opinion on the 2023 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s responsibilities for the audit of the 2023 financial statements section —

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2023 financial statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s responsibilities

for the audit of the 2023 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2023 financial statements

Management is responsible for the preparation and fair presentation of 2023 financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2023 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2023 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2023, section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

2024-239-US

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedule required by ERISA for the year ended December 31, 2023

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, is presented for purposes of additional analysis and not a required part of the 2023 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all

material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the financial statements for the year ended December 31, 2022

The financial statements of the Plan for the year ended December 31, 2022, were audited by predecessor auditor. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, management, having determined it was permissible in the circumstances, elected to have the audit performed pursuant to ERISA Section 103(a)(3)(C). Accordingly, the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, as the statements or information regarding assets so held were prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). The predecessor auditor's report, dated October 09, 2023, indicated that (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(All amounts are in United States Dollars unless otherwise stated)

NOTE 1: DESCRIPTION OF PLAN

The following description of Summit Restaurant Group Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the following companies who are affiliated through common ownership: Summit Restaurant Group, LLC, Summit Pizza, Inc., Summit Eateries LLC, Arkansas Pizza, Inc., Summit Interests, LLC, Bottom Shelf, LLC, Summit Subs, LLC and Summit Pizza West, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Standard Insurance Company ("Standard") serves as the custodian and recordkeeper. The president of the Company serves as trustee to the Plan.

Plan restatement

Effective January 1, 2022, the Plan was amended and restated to adopt the Third Cycle Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. There were no significant changes to the primary provisions of the Plan.

Eligibility

An individual is eligible to participate in the Plan after one year of service, with 1,000 hours, and upon reaching the age of 21. Employees may enroll in the Plan on the first day of the month following meeting the eligibility requirements. The Plan is not open to union employees and nonresident aliens.

Contributions

Participants may elect to contribute any amount of their annual compensation subject to certain Internal Revenue Code ("IRC") limitations. The Company may make discretionary matching contributions to contributing employees. In 2023 and 2022, the Company matched participant contributions at an amount equal to 50% of each eligible contribution, not to exceed 3% of compensation.

Additionally, the Plan permits the Company to make discretionary profit-sharing contributions. Profit sharing contributions are allocated to eligible participants in accordance with the applicable provisions of the Plan. There were no profit-sharing contribution in the years 2023, and 2022.

Participant accounts

Each participant's account is credited with the participant's and Company's contributions, an allocation of the Plan's investment earnings (losses) and is charged with the participant's withdrawals and distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Summit Restaurant Group Retirement Plan

Financial Statements

December 31, 2023, and December 31, 2022

Investment options

The Plan offers a variety of pooled separate accounts and a guaranteed investment contract (“GIC”) as investment options for participants.

Payment of benefits

Upon termination of employment, the participant may elect to receive a single lump-sum distribution equal to the value of his or her account, or installments over the participant’s life and partial distributions, subject to the terms of the Plan Document.

In-service withdrawals

Hardship withdrawals are available to Plan participants for reasons as defined in the Plan Document. Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.

Vesting

Participants’ contributions are fully vested at all times. Employer contributions vest as follows:

Years of vesting service	Vested percentage
1	20%
2	40%
3	60%
4	80%
5	100%

In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, Company contributions will become fully vested.

Forfeitures

Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts are used to reduce Plan expenses first and then used to reduce future employer contributions. As of December 31, 2023, and December 31, 2022, non-vested forfeited accounts totaled \$1,566 and \$63, respectively. Forfeitures of terminated employees’ non-vested accounts totaled \$4,391 during the year 2023 and \$4,293 during the year 2022. During the year 2023, \$2,899 of forfeitures was utilized for expenses and during the year 2022, \$4,240 of forfeitures was utilized for expenses.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested account balance. The maximum loan term is 5 years, except if the loan is to acquire the participant’s principal residence, then the loan term can be up to 10 years. Interest rates are established as the Prime rate plus one percentage point. A participant’s loan shall immediately become due and payable upon termination from employment for any reason, or upon failure to make a principal and/or interest payment, as provided in the loan agreement. The balance in the participant’s account secures the loan. A participant may have only one loan outstanding.

Financial Statements

December 31, 2023, and December 31, 2022

Administrative expenses

The Company pays the professional service fees of the Plan. In the year 2023 and 2022, the Plan paid \$5,876 and \$10,626, respectively, in expenses related to administrative fees.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for the guaranteed investment contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. See note 7 for information on the Guaranteed Investment Account ("GIA").

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for doubtful accounts is considered necessary.

Excess refundable contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to the respective year end.

NOTE 3: FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset, including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and December 31, 2022.

Pooled separate accounts: The investment advisors calculate a unit value (similar to a net asset value “NAV”) of a separate account. It is the sum of the market value of the underlying investments as determined by quoted market prices, less operating expenses accrued but not deducted, if any.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan’s investments are reported at fair value as follows at December 31, 2023, and December 31, 2022:

Description	December 31, 2023			Others*	Amount (\$)
	Quoted in active markets for identical assets. (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)

NOTE 4: RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events that could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 5: INFORMATION CERTIFIED BY STANDARD INSURANCE COMPANY ("CUSTODIAN") (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Standard Insurance Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments as of December 31, 2023, and December 31, 2022, and the supplemental schedule for the year ended December 31, 2023. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

During the years ended December 31, 2023, and December 31, 2022, the Plan's investments (including gains and losses of investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	2023	2022
Net appreciation (depreciation) in fair value of investments	910,611	(1,017,112)
Interest income on guaranteed investment contract	7,064	3,828

NOTE 7: INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with The Standard Insurance Company ("Standard"). Standard maintains the contributions in a general account, which is credited with earnings or losses on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at fair value and then adjusted to contract value as reported to the Plan by Standard. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that impact the ability to collect the full contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, partial or total Plan termination, certain retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Standard may terminate the contract at an amount less than contract value with 30 days advance written notice to the Plan for reasonable cause, which includes the Plan's failure to abide by state or federal law, failure to perform under the terms of the contract, or Plan disqualification.

Standard is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is declared each quarter. The crediting rate of the contract will track current market

yields on a trailing basis. Under the existing contract, the average yield based on actual earnings and interest credited to participant accounts yielded are 1.59% and 1.14%, for the years ended December 31, 2023, and December 31, 2022, respectively.

NOTE 8: INCOME TAX STATUS

The Company adopted a Prototype Non-Standardized Profit-Sharing Plan with CODA, which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023, and December 31, 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are pooled separate accounts and a GIC managed by Standard Insurance Company. Standard Insurance Company is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest.

The Plan pays certain fees to Standard Insurance Company to administer the Plan. These transactions qualify as party-in-interest. notes receivable to participants are party-in-interest transactions.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements as of December 31, 2023, and December 31, 2022, to schedule H of form 5500:

NOTE 11: RECLASSIFICATION

The previous year's figures have been restated, regrouped, reworked, or reclassified wherever required; however, this has no impact on net assets available for benefits.

NOTE 12: PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, all remaining Plan assets shall be allocated to the participants as described in the full text of the Plan.

NOTE 13: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2023, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
