INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
GARAN LUCOW MILLER, P.C.
PROFIT SHARING PLAN AND TRUST
Detroit, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the Charles Schwab Trust Bank (a qualified institution) as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair representation of the financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the GARAN LUCOW MILLER, P.C. PROFIT SHARING PLAN AND TRUST (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan was established by GARAN LUCOW MILLER, P.C. (the Firm) to provide retirement benefits for eligible employees. The Plan is a defined contribution, deferred compensation and 401(k) plan under Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan assets are participant-directed.

2. Contributions

All employees who are 21 years of age may elect to make tax deferred cash contributions, subject to a \$22,500 and \$20,500 limitation under the Internal Revenue Code (Code) for 2023 and for 2022, respectively. In addition, employees who are 50 years of age and eligible to make tax deferred cash contributions may elect to make an additional \$7,500 and \$6,500 of "catch-up" contributions for 2023 and for 2022, respectively. The Firm shall make matching contributions at the rate of \$0.50 for each \$1.00 of the first \$1,000 of employee contributions. The Firm may, at its discretion, also contribute an additional amount as determined by the Board of Directors.

3. Participant Accounts

Each participant's account is credited with the participant's contributions, Firm contributions, his or her share of earnings and losses, and an allocation of forfeitures of amounts which are not vested from the accounts of terminated participants. Allocations are based on either participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

All participant and Firm matching contributions to the Plan are fully vested when made. Discretionary contributions made by the Firm vest based upon the number of years of service with the Firm, with 20% of the contributions vesting each year beginning with the completion of the second year of service.

5. Forfeitures

Amounts which are not vested from the accounts of terminated participants are maintained until the earlier of the date of distribution of vested benefits or the last day of the plan year that includes the five-year anniversary of the termination of employment; after such period the amounts are forfeited and allocated to the remaining participant accounts. The amounts forfeited and allocated during 2023 and 2022 were \$67,834 and \$42,642, respectively.

PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (Continued)

6. Payment of Benefits

Benefits provided by the Plan are paid from assets available for benefits at retirement, disability, death or termination of employment. In cases of normal retirement, retirement due to permanent disability or termination of employment, a participant will receive the vested value of his or her accumulated plan benefits as a lump-sum distribution or as substantially equal installment distributions. In the event that a participant dies prior to retirement, the beneficiary will receive the entire value of the participant's accumulated plan benefits in either a lump-sum distribution or as substantially equal installment distributions.

7. Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance. The minimum and maximum note amounts are \$1,000 and \$50,000, respectively. Notes are required to be repaid within five years, except those notes used in the purchase of a principal residence. Principal residence notes are required to be repaid within a reasonable time period. All notes bear interest at a reasonable rate, as of the inception date of the loan. The notes are stated at their unpaid principle balance plus any accrued but unpaid interest.

8. Administration

The Plan is administered by the Firm, Schwab Retirement Plan Services, Inc. and Charles Schwab Trust Bank, under the direction of the trustees. Schwab Retirement Plan Services, Inc. and Charles Schwab Trust Bank have been contracted to perform record keeping, trustee and custodian services. All funds in the Plan are held in trust, and are invested, as directed by each participant either in separate-segregated accounts or in various funds selected by the Plan.

9. Party in Interest Transactions

Five of the funds selected by the Plan are funds offered by Charles Schwab & Company, Inc., a party in interest. Fees paid by the Plan for management and recordkeeping of these funds were \$24,028 and \$22,977 for 2023 and 2022, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows.

1. Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

2. Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles in the United States of America, requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, bonds, fixed-income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

4. Investments

Investments are valued at quoted or evaluated market prices. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments. This consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

5. Investment Options

Plan participants can elect to maintain a separate-segregated account at Charles Schwab & Co., Inc. or direct their moneys to funds selected by the Plan. Participants investing in the brokerage accounts at Charles Schwab & Co., Inc., may invest in any securities or instruments allowed by law. All transactions within a brokerage account are made at the direction of the participant.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2023 or 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Payments of Benefits

Benefits are recorded when paid.

8. Plan Expenses

Certain administrative expenses related to the Plan, such as audit fees, outside record keeper fees and brokerage account fees, are paid for by the Firm. Such expenses were approximately \$21,918 for 2023. In addition, the Firm provides other administrative services to the Plan without charge, such as Plan recordkeeping by Firm employees. The fees for investment portfolio management related to specific self-directed brokerage accounts and fees related to the administration of notes receivable from participants were paid by the Plan and allocated to specific participant accounts.

9. Subsequent Events

The Plan has evaluated subsequent events through August 23, 2024, the date the financial statements were available to be issued.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE D - FEDERAL INCOME TAX

The Plan obtained a favorable opinion letter issued by the Internal Revenue Service on September 21, 2020. The opinion letter stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code.

Effective January 1, 2021, the Plan was amended in its entirety and restated to reflect law changes.

Effective November 16, 2020, the Plan was amended to comply with the Coronavirus Aid, Relief and Economic Security Act ("CARES Act").

Plan management believes that the plan, as designed and as operated through December 31, 2023, is in compliance with the applicable requirements of the Internal Revenue Code. Plan management believes that the Plan was qualified and the related trust is tax-exempt through that date.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE F - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobserved inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other meansIf the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets in the plan measured at fair value.

- *Cash-noninterest and interest bearing, Common stock, Preferred stock and Real estate investment trusts:* Valued at the closing price reported on the active market in which the individual investments are traded.
- *Mutual funds and Unit investment trusts:* Valued using the Net Asset Value (NAV) of shares held by the Plan at year-end. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is quoted in an active market.
- *Corporate bonds:* Valued at the evaluated closing price reported on the active market in which the bonds are traded.
- *Money market funds and U.S. Government securities:* Valued at the evaluated closing price reported on the active market in which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
