INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor
Bruce Oakley, Inc. 401(k) P/S Plan
Little Rock, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bruce Oakley, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bruce Oakley, Inc. 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bruce Oakley, Inc. 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bruce Oakley, Inc. 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bruce Oakley, Inc. 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bruce Oakley, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRUCE OAKLEY, INC. 401(k) P/S PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

Note 1: Description of the Plan

The following description of the Bruce Oakley, Inc. 401(k) P/S Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, participants should refer to the Plan document and Summary Plan Description which are available from the Plan administrator.

General

The Plan is a defined contribution plan which covers substantially all eligible employees of Bruce Oakley, Inc. and JANTRAN, Inc. (the "Employer") who have attained age 21 and have completed six months of service. Employees will become eligible to participate on the first day of the next month following completion of all requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

The Plan was amended effective December 1, 2023 to remove the 500 hours of service condition of eligibility to participate in the Plan. This modification is only applicable to eligible employees who were not participants of the Plan as of the effective date of the amendment.

Contributions

Each year participants may contribute a portion of their annual compensation as defined by the Plan. The Plan allows for pre-tax and Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants are permitted to direct their contributions into various investment options offered by the Plan. Participants are also able to receive discretionary matching contributions on their weekly deferrals up to 5% of their compensation, with a discretionary maximum match of \$5,000, upon meeting eligibility requirements to participate in the Plan. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer contribution, (b) Plan earnings and losses thereon, and (c) administrative expenses. Allocations are based on participant earnings, contributions, or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the individual participant's vested account.

Payment of Benefits

On termination of service due to death, disability, retirement, or due to other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account in either a lump-sum amount, partial amount, or in installments. In-service distributions are allowed for participants who have reached age 59 ½ or who have incurred a financial hardship. There were no benefits requested during 2023 and 2022 that were unpaid at year-end.

Vesting

Participants are always fully vested in their salary deferrals and any earnings thereon. Participants automatically become 100 percent vested at normal retirement age, death or disability. Non-vested amounts are forfeited upon termination of service. If a participant terminates for any reason other than death, retirement or disability, the distribution to the participant from their Employer discretionary non-elective contribution accounts will be limited to the vested portion. This vested portion is calculated according to the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%

4	60%
5	80%
6	100%

Investment Options

Upon enrollment in the Plan, a participant may elect to have any portion of their account allocated to the various investment options offered by the Plan. The Plan currently offers 28 different mutual funds, a money market fund, and two common collective trusts as investment options for participants. Participants may change their investment selections at any time.

Forfeitures

The portion of a participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. Forfeitures can be used to pay administrative expenses of the Plan, offset Employer discretionary contributions, or reduce Employer matching contributions. For the year ended December 31, 2023, the Plan incurred \$61,096 in additional forfeitures and \$52,128 of forfeitures were used to reduce Employer matching contributions. At December 31, 2023, forfeitures of \$39,428 were left unallocated. For the year ended December 31, 2022, the Plan incurred \$112,504 in additional forfeitures and \$211,060 of forfeitures were used to reduce Employer matching contributions. At December 31, 2022, forfeitures of \$29,077 were left unallocated.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The Plan administrator's most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

BRUCE OAKLEY, INC. 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

Payment of Benefits

Benefit payments are recorded when paid.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan primarily invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with such investment securities and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through July 26, 2024, the date these financial statements were available to be issued.

Note 3: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2:** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BRUCE OAKLEY, INC. 401(k) P/S PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 and 2022**

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money Market Funds	\$ 29,562	\$ 29,562	\$ -	\$ -

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money Market Funds	\$ 6,277	\$ 6,277	\$ -	\$ -
Mutual Funds	<u>32,571,048</u>	<u>32,571,048</u>	<u>-</u>	<u>-</u>
Total Assets in Fair Value Hierarchy	32,577,325	32,577,325	-	-
Investments Measured at Net Asset Value	<u>5,819,874</u>	<u>-</u>	<u>-</u>	<u>-</u>
Investments, at Fair Value	<u>\$ 38,397,199</u>	<u>\$ 32,577,325</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan has no liabilities measured at fair value at December 31, 2023 or 2022.

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Money Market and Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the net asset value of units of bank collective trusts. The investment in a collective trust fund is valued as a practical expedient utilizing the net asset valuation. The practical expedient is used for valuation, unless it is probable that the Fund will sell a portion of the investment at an amount different from the net asset valuation. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

BRUCE OAKLEY, INC. 401(k) P/S PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

During 2023 and 2022, the Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation (depreciation) of the investments held at the end of the year) appreciated (depreciated) in value by \$5,693,235 and (\$8,262,736), respectively.

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
PGI U.S. REIT Fund Tier I	\$34,326	N/A	Daily	None
T Rowe Price Stable Value Fund	\$4,804,105	N/A	Daily	None

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
PGI U.S. REIT Fund Tier I	\$33,107	N/A	Daily	None
T Rowe Price Stable Value Fund	\$5,786,767	N/A	Daily	None

Note 4: Plan Termination

Although it has not expressed the intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event the Plan is terminated, the participants will become 100% vested in the Employer portion of their account. Participant contributions and their related earning are always 100% vested.

Note 5: Income Tax Status

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

BRUCE OAKLEY, INC. 401(k) P/S PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 6: Information Prepared and Certified by Trustee

All of the Plan's assets were held by John Hancock Trust Company LLC, the trustee, as of December 31, 2023 and 2022, respectively. The amounts set forth in the accompanying financial statements for investments and investment income and the information shown in the supplemental schedules were summarized from information furnished by the trustee. The Plan administrator has received from the trustee a certification that information furnished by the trustee is complete and accurate. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the information certified by the trustee was not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplemental schedules.

Note 7: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such persons, and the Plan Sponsor.

John Hancock Trust Company LLC is the trustee and PNC Bank is the fiduciary for the Plan. They are by definition a party-in-interest and as a result, these transactions qualify as party-in-interest transactions. The Plan paid administrative and investment management fees of \$68,280 and \$48,936 directly to parties-in-interest during 2023 and 2022, respectively. These transactions are exempt from being prohibited transactions under ERISA.

Note 8: Reconciliation of Financial Statements to Schedule H of Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. The differences are due to different presentation of investment income but are not materially different.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2023:

Net Assets Available for Benefits per the Financial Statements	\$ 44,778,027
