Independent Auditor's Report

Audit Committee
First Citizens National Bank 401K Plan
Dyersburg, TN 38025-0370

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the First Citizens National Bank 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the First Citizens National Bank 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the First Citizens National Bank 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Citizens National Bank 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Citizens National Bank 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Citizens National Bank 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

ATA, PLLC

FIRST CITIZENS NATIONAL BANK 401K PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN ADMINISTRATION AND DESCRIPTION

The following brief description of the First Citizens National Bank 401K Plan is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of the Company who have met the eligibility requirements of one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each year, participants may contribute up to 75 percent of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company is required to make a three percent non-discretionary safe harbor contribution for each participant in the Plan. The contribution is allocated based on an eligible participant's annual compensation divided by total annual eligible compensation as defined by the plan. The Company elected to make 0% and 2% discretionary profit-sharing contributions for the years ended December 31, 2023 and 2022, respectively.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, and plan earnings. Allocations are based on participant compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered by the Plan.

D. Payments of Benefits

On termination of service a participant will receive a lump-sum amount equal to the value of the vested balance in his or her account. Participants are 100 percent vested in their contributions and also in the safe harbor non-discretionary contributions made by the employer. Participant rollover contributions plus applicable earnings may be withdrawn at any time.

E. Investment Options

Plan participants are permitted to direct contributions among any investment options allowed by the Plan. Participants may change their investment options at any time.

F. Forfeitures

Forfeitures of non-vested employer match account funds are used to reduce future employer match contributions. The unallocated and unused forfeitures are invested in a non-interest-bearing cash account. Forfeitures used in 2023 and 2022 were \$33 and \$0, respectively.

FIRST CITIZENS NATIONAL BANK 401K PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual method of accounting in that revenues are recognized when earned and expenses are recognized when incurred. Allocations of the Plan's assets to the participant accounts include accrued employer contributions in accordance with the provisions of the Plan.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefits are recorded when paid.

E. Operating Expenses

All expenses of maintaining the plan are paid by the Company.

F. Subsequent Events

Subsequent events were evaluated through August 12, 2024, which is the date the financial statements were available to be issued.

G. Reclassification

Certain comparative figures have been reclassified to conform to the current year presentation.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the interests of all participants and beneficiaries accrued to the date of the termination become non-forfeitable.

NOTE 4 - TAX STATUS

Effective January 1, 2021, the Employer adopted the FIS Business Systems LLC Prototype Standardized 401k Plan. That Plan received a favorable determination letter as of June 30, 2020. The Plan qualifies under Internal Revenue Code Section 401(a) and therefore, the trust is exempt from federal income taxes. The Company is required to file and does file Form 5500 with the Internal Revenue Service.

NOTE 5 - RISKS AND UNCERTAINTIES

The plan provides for investment opportunities in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the risk levels associated

FIRST CITIZENS NATIONAL BANK 401K PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term which could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – PARTY IN INTEREST

Certain Plan investments are units of pooled separate accounts and guaranteed investment contracts managed by Principal Life Insurance Company, the custodian of the plan assets, and therefore the related transactions qualify as party-in-interest transactions.

NOTE 7 – INFORMATION PREPARED BY CUSTODIAN

The following is a summary of the information included in the Plan's financial statements and financial schedules for 2023 and 2022 which was prepared by the custodian of the Plan assets, Principal, and furnished to the plan administrator.

- A) Investments at the beginning and end of the year.
- B) Changes in net assets resulting from investment activities.
- C) Information included in the supplemental schedule of assets (held at end of year).
- D) Information regarding insurance contract

NOTE 8 - TERMINATED PARTICIPANTS

As of December 31, 2023 and 2022, no amounts were allocated to persons who had elected to withdraw from the plan but had not been paid.

NOTE 9 - FAIR VALUE MEASURES

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

The mutual funds and pooled separate accounts are valued based on unadjusted quoted prices for identical assets in active markets that the plan has the ability to access and therefore are Level 1 assets. The fair value of the common/collective trust accounts for which quoted market prices are not available are valued based on the quoted net asset values of the underlying securities. Common/collective trusts are Level 2 assets.

Total	<u>\$ 11,628,784</u>	<u>\$ 15,999,844</u>	<u>\$ -</u>	<u>\$ 27,628,628</u>

NOTE 10 – FULLY-BENEFIT RESPONSIVE CONTRACTS

As of December 31, 2023 and 2022, the Plan included a guaranteed investment contract investment option, the Principal Fixed Income Guaranteed account. The contract underlying this investment is considered to be fully-benefit responsive in accordance with ASC Topic 962. The underlying contract has no restrictions on the use of plan assets and there are no valuation reserves recorded to adjust contract amounts.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash positions or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plans ability to transact at cash value with participants, is probable.
