Independent Auditor's Report

To the Plan Administrator of the
PATs Aircraft, LLC 401(k) Plan
Georgetown, Delaware

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PATs Aircraft, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Part IV, line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the PATS Aircraft, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of PATS Holding, LLC and Subsidiaries, (the “Employer” or “Company”), who have met certain eligibility requirements. All employees who have completed two months of service are eligible to participate in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and is administered by the Investment Committee of the Company. As of December 31, 2023 and 2022 and for year ended December 31, 2023, the Plan’s assets were held, under the direction of the Investment Committee, and by Reliance Trust Company and Empower Trust Company, LLC, the trustees of the Plan. Effective April 1, 2023, the Plan appointed Empower Trust Company, LLC (the “Trustee”) as trustee of the Plan.

The Investment Committee is responsible for the oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Employee Contributions

Participants can elect to make pre-tax contributions of 1% to 50% of their eligible annual income, as defined by the Plan, subject to Internal Revenue Code (“IRC”) limitations. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. The Plan also allows participants to make Roth deferral contributions to the Plan, which is an after-tax contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”). Contributions under the Plan are invested by the Trustee under the participant’s directions.

The Plan has auto-enrollment for their new employees. If an employee has not elected to defer at least 3% of his or her earnings, 3% is automatically withheld from the paycheck each pay period. In addition, the contributions are automatically invested in the T. Rowe Price Retirement Age Based Funds if the employee does not customize his or her investment elections. An employee may opt out of auto-enrollment.

To satisfy the relevant non-discrimination provisions of the IRC, participant contributions for the years ended December 31, 2023 and 2022 are presented net of \$30,079 and \$52,658, respectively, of excess deferral contributions. These amounts are included in the Plan’s Statements of Net Assets Available for Benefits as excess contributions payable on December 31, 2023 and 2022. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants prior to March 31, 2024 and 2023, respectively.

Employer Contributions

The Employer makes a discretionary matching contribution (determined by the Company’s Board of Directors) on behalf of each eligible participant. To receive the matching contribution, the participant must have made eligible contributions during the year. For the year ended December 31, 2023, the

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

amount of the matching discretionary contributions are limited to 50% of the participants' deferral, for the Plan year.

The Plan also permits discretionary profit-sharing contributions in an amount determined annually by the Company's Board of Directors. There was no discretionary profit-sharing contribution made by the Company in 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's discretionary matching contributions and discretionary profit-sharing contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, deferrals, account balances or specific participant requested transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their account balance into various investment options offered by the Plan and may change their investment options at any time, subject to the terms of the funding vehicles. Plan earnings are credited to a participant's account according to the type of funding vehicle in which balances are invested.

Vesting

Participants are immediately vested in their contributions and rollover amounts plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts and discretionary profit-sharing contributions, plus actual earnings thereon is based on years of participation. A participant is 25% vested after one year, 50% after two years, and 100% after three years.

Notes Receivable from Participants

Participants may borrow a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to 30 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at a fixed rate of one percent (1%) above the prime interest rate, as defined. As of December 31, 2023, the interest rate on each loan outstanding ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. The rate shall remain constant for the term of the loan. A participant may have no more than one outstanding loan at any time. In the case of termination, the entire outstanding loan balance shall be payable immediately.

Payment of Benefits

The full value of a participant's account becomes payable upon retirement, disability, or death. Upon termination of employment for any other reason, a participant's account becomes payable to the extent vested. Those participants with vested account balances greater than \$5,000 have the option of leaving their accounts invested in the Plan until they reach age 70½, as defined. The Plan has an automatic rollover provision for those participants who have a vested balance between \$1,000 and \$5,000 and can make lump-sum payments if the vested balance is below \$1,000. Additionally, the participant is allowed to withdraw funds from the Plan under certain circumstances of financial hardship.

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

Forfeitures

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$17,763 and \$18,765, respectively. These accounts will be used to reduce future employer contributions and plan administrative expenses. For the year ended December 31, 2023, no administrative expenses were paid from forfeited non-vested accounts. For the year ended December 31, 2023, \$1,464 of forfeited non-vested accounts were used to reduce the Company's matching contributions.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of registered investment companies ("mutual funds") are determined by quoted market prices which represents the net asset value ("NAV") of the shares held by the Plan at each year end. Shares of the CCT are valued at NAV per unit as determined by the trustees at year end. The CCT's NAV is used as the practical expedient to estimate fair value.

The preceding methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions as defined in the Plan agreement. During the year ended December 31, 2023, there were \$7,136 of deemed distributions.

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Non-investment costs, investment service fees, and administrative expenses of the Plan are typically paid by the Company, a party-in-interest, and are excluded from these financial statements. When available, administrative expenses are paid through forfeited account balances. Loan fees are paid directly by the participants through loans proceeds.

3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and Empower Trust Company, LLC. Accordingly, Reliance Trust Company as of December 31, 2022 and for the period January 1, 2023 through March 31, 2023 and Empower Trust Company, LLC as of December 31, 2023 and for the period April 1, 2023 through December 31, 2023 have certified that such information is complete and accurate.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Investments and Fair Value Measurement

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. For a description of the valuation methodologies used for assets measured at fair value, see Note 2. There have been no changes in the methodologies used as of December 31, 2023 and 2022. The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

Investments at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,569,466	\$ -	\$ -	\$ 29,569,466
Common collective trust*				4,026,821
Total investments at fair value	\$ 29,569,466	\$ -	\$ -	\$ 33,596,287

Investments at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 26,069,757	\$ -	\$ -	\$ 26,069,757
Common collective trust*				4,076,864
Total investments at fair value	\$ 26,069,757	\$ -	\$ -	\$ 30,146,621

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

5. Party-In-Interest and Related Party Transactions

The Plan's recordkeeper or its affiliates maintain and manage certain of the Plan's investments and, therefore, these transactions qualify as party-in-interest transactions for which a statutory exemption exists. Notes receivable from participants and related interest income also qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

PATS Aircraft, LLC 401(k) Plan

Notes to Financial Statements

7. Tax Status

The Plan was amended and restated effective February 12, 2021, with the adoption of a Great-West Trust Company LLC defined contribution prototype plan. The defined contribution prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020. The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Risks and Uncertainties

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts report in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to the Form 5500:

<i>December 31,</i>	2023	2022
Net assets available for benefits per the financial statements	\$ 33,841,675	\$ 30,351,258
Excess contributions payable to participants	30,079	52,658
Net assets available for benefits per the Form 5500	\$ 33,871,754	\$ 30,403,916

The following is a reconciliation of participant contributions per the financial statements for the year ended December 31, 2023 to the Form 5500:

<i>Year Ended December 31,</i>	2023
Net increase in net assets available for benefits per the financial statements	\$ 3,490,417
Excess contributions payable as of December 31, 2023	30,079
Excess contributions payable as of December 31, 2022	(52,658)
Net increase in net assets available for benefits per the Form 5500	\$ 3,467,838

10. Subsequent Events

The Plan Administrator evaluated subsequent events through September 4, 2024, the date the financial statements were available to be issued. The Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
