INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Danlaw, Inc. 401(k) and Profit Sharing Plan
Novi, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Danlaw, Inc. 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Danlaw, Inc. 401(k) and Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Danlaw, Inc. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Danlaw, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Danlaw, Inc. 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Danlaw, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures

Grant, Millman & Johnson, P.C.

CERTIFIED PUBLIC ACCOUNTANTS
AND BUSINESS ADVISORS

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DANLAW, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - Description of the Plan

The following summary description of the Danlaw, Inc. 401(k) and Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General - All employees of Danlaw, Inc. (the Company), as defined in the Plan Agreement, having attained the age twenty one and meeting the service requirements, are eligible to become participants in the Plan. The Plan also covers the employees of Rapita Systems, Inc., a wholly owned subsidiary of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may elect to contribute up to 75% of their earnings to the 401(k) Plan. They may choose to do this as either a pre-tax deferral, a ROTH deferral, or a combination of both. Participants' contributions are subject to annual maximums in accordance with the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants designate how their contribution will be invested in the investment funds selected by the Plan Administrator. The Plan provides for an employer matching contribution of 50% of salary deferrals up to 6% of compensation.

Participant Accounts - Each participant's account is credited with the participant's contribution, the employer's matching contribution, if applicable, and Plan earnings. Allocations are based upon provisions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after 3 years of credited services.

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	100%

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in one percent increments in any of the Plan's 31 investment options. Participants may change their investment options at any time. These options consist of mutual funds and a common collective trust fund that vary in their respective strategies, risks and goals.

NOTE 1 - Description of the Plan (Continued)

Notes Receivable from Participants - Participants may request a loan from the Plan of up to 50% of their vested balance or \$50,000, whichever is lower. The loan term is limited to five years unless it is for the purchase of a principal residence. The loan is secured by the participant's account and bears interest at 1% above the prime rate as determined by the plan administrator. Principal and interest are paid through payroll deductions.

Participant Withdrawals - Upon a participant's retirement date or upon a participant's death or total and permanent disability, all amounts credited to his or her account shall become fully vested. The participant or beneficiary will receive the account balance in a lump-sum amount.

Distribution of the vested portion of a participant's account shall be made upon termination of employment. The vested portion of the account is payable to the participant as a lump-sum amount. If the vested portion of the account is less than \$5,000, the Administrator has the option of a distribution without the participant's consent. If the vested portion of the participant's account exceeds \$5,000, a distribution before normal retirement age can only be made with the participant's consent. The non-vested portion of a participant's account shall be forfeited and used to reduce future employer matching contributions.

Forfeitures - The forfeitures of non-vested employer matching contributions from terminated participant accounts are used first to reduce employer matching contributions. The Company's matching contributions were reduced by \$13,219 and \$41,402 for the years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$13,364 and \$13,046.

SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan has until December 31, 2025 to adopt amendments to reflect these provisions.

NOTE 2 - Significant Accounting Policies

Basis of Accounting - The financial statements were prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 2 - Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value as determined by the trustee as of December 31, 2023 and 2022. Quoted market prices are used by the trustee to value investments. Shares of common trust funds are valued at the net asset value of shares held by the Plan at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan's administrative expenses are primarily paid by the Plan sponsor and are excluded from these financial statements. Fees for the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - Management has evaluated events and transactions through August 19, 2024, the date the financial statements were available to be issued. There were no subsequent events requiring adjustment to or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 3 - Fair Value Measurements

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2023 and 2022:

	December 31, 2023	
	Level 1	Total
Mutual Funds	<u>\$ 16,697,640</u>	\$ 16,697,640
Investments measured at net asset value		<u>2,183,275</u>
Total Assets at Fair Value		<u>\$ 18,880,915</u>
	December 31, 2022	
	Level 1	Total
Mutual Funds	<u>\$ 13,503,833</u>	\$ 13,503,833
Investments measured at net asset value		<u>2,928,673</u>
Total Assets at Fair Value		<u>\$ 16,432,506</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 3 - Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of money market and mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stocks, corporate bonds, and U.S. government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs are only used when Level 1 inputs are not available. This includes, but not limited to, quoted prices for similar assets or liabilities in markets that are not active. The Plan did not have any assets utilizing Level 2 inputs at December 31, 2023 and 2022.

Level 3 Fair Value Measurements

Level 3 inputs have the lowest priority. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. The fair value measurement is based on other unobservable inputs. The Plan had no Level 3 assets at December 31, 2023 and 2022.

NOTE 4 - Investments Measured Using the Net Asset Value Per Share Practical Expedient

The Plan's investments at December 31, 2023 and 2022 include the T. Rowe Price Stable Value Common Trust Fund with a net asset value of \$2,183,275 and \$2,928,673, respectively. There are no participant redemption restrictions for this investment.

NOTE 5 - Net Change in Fair Value of Investments

The net change in fair value by type of investments is as follows:

	<u>2023</u>	<u>2022</u>
Mutual Funds:		
Fixed Income Funds	\$ 26,027	\$ (144,920)
Equity Growth Funds	<u>2,096,396</u>	<u>(3,168,216)</u>
Total	<u>\$ 2,122,423</u>	<u>\$ (3,313,136)</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 6 - Information Certified by Trustees

The financial statements, accompanying notes and supplemental schedule were prepared in part from information certified by Reliance Trust Company, the trustee of the Plan as of July 1, 2022 through December 31, 2023 and Newport Trust Company, the trustee of the plan from January 1, 2022 through June 30, 2022, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes: cash, investments, notes receivable from participants, investment income, and participant loan interest.

NOTE 7 - Trust Agreement

Effective July 1, 2022, Reliance Trust Company was appointed trustee of the Plan. Newport Trust Company was trustee of the Plan from January 1, 2022 through June 30, 2022. In accordance with the powers and duties of the trustee as designated in the Trust Agreement, the trustee invests the Plan's assets and the income therefrom for the benefit of the Plan participants. At the employer's discretion, trustee fees may be paid from the Plan's assets.

NOTE 8 - Related Party and Party-in-Interest Transactions

Reliance Trust Company is the trustee as defined by the Plan. ADP Retirement Services provides recordkeeping services to the Plan. Therefore, they are considered parties-in-interest. The Company and its domestic subsidiaries participate in the Plan and are considered parties-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory services, and the service providers are considered parties-in-interest.

NOTE 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to the affected participants' accounts shall become 100% vested. In the event of plan termination, the administrator shall direct the plan trustee to distribute to the participants all assets of the Plan, net of any expenses properly chargeable to the Plan, which will be prorated among the participants' accounts.

DANLAW, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE 10- Tax Status

The Plan has adopted a prototype plan sponsored by ADP, LLC and has obtained a determination letter dated October 6, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and that the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has concluded that as of December 31, 2023 there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 11- Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
