INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
VAMAC, Incorporated 401(k) Profit Sharing Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of VAMAC, Incorporated 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA, Continued

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan:

The following description of the VAMAC, Incorporated 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of VAMAC, Incorporated (the “Company”). Employees become eligible to participate immediately after attaining the age of 18. All employees are eligible for entry to the Plan on the entry day coinciding with or immediately following the date the employee completes the age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by Fidelity Management Trust Company, the trustee, and Fidelity Workplace Services, an affiliate of the trustee and third party administrator of the Plan.

Contributions: The Plan provides for participant contributions of pre-tax annual compensation, as defined in the Plan. The Company may make matching contributions equal to a discretionary percentage and an annual profit sharing contribution based on participant compensation at the approval of the Company's Board of Directors. During 2023 and 2022, the Board of Directors approved a profit sharing contribution of \$630,000, which was paid in March 2024 and February 2023, respectively. Participants of qualifying age may make additional “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants direct Fidelity Management Trust Company, the trustee, as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. Participants are fully vested in Company contributions after attaining five years of credited service.

PROFIT SHARING PLAN**

Notes to Financial Statements, Continued

1. Description of Plan, Continued:

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate of interest. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary. Delinquent notes receivable from participants that the Plan administrators considers to be in default are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, retirement, death, disability, or hardship withdrawal, as defined in the Plan. Participants with a vested balance less than \$5,000 are required to receive a lump-sum payment, while participants with a vested balance that exceeds \$5,000 may elect to receive a lump-sum payment or installment payments in an amount equal to the vested value of his or her account.

Forfeitures: Forfeited balances of terminated participants' non-vested accounts are first utilized to cover requisite administrative expenses, with any residual balance credited toward Company matching or profit sharing contributions. Forfeitures used to reduce Company contributions were \$38,000 for 2023 and \$54,000 for 2022. There were \$33,504 and \$13,702 in forfeited balances available at December 31, 2023 and 2022, respectively.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain (loss) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

**VAMAC, INCORPORATED 401(K)
PROFIT SHARING PLAN**

Notes to Financial Statements, Continued

2. Summary of Significant Accounting Policies, Continued:

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through August 26, 2024, the date the financial statements were available to be issued, and has determined that no additional disclosures are necessary.

3. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued daily at the NAV of shares or units held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. This practical expedient is not used when it is determinable to be probable that the fund will sell the investment for an amount different than the reported NAV.

**VAMAC, INCORPORATED 401(K)
PROFIT SHARING PLAN**

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

Common/collective trust, continued: The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no Level 2 or 3 assets or liabilities in the Plan as of December 31, 2023 and 2022. The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of the Plan's year end date:

		Assets at Fair Value as of December 31, 2023	
		<u>Level 1</u>	<u>Total</u>
Assets:			
	Mutual funds	\$ 18,633,658	\$ 18,633,658
	Total assets in the fair value hierarchy	<u>\$ 18,633,658</u>	<u>18,633,658</u>
	Common/collective trust, held at NAV		<u>3,142,700</u>
	Total investments at fair value		<u>\$ 21,776,358</u>

		Assets at Fair Value as of December 31, 2022	
		<u>Level 1</u>	<u>Total</u>
Assets:			
	Mutual funds	\$ 15,252,064	\$ 15,252,064
	Total assets in the fair value hierarchy	<u>\$ 15,252,064</u>	<u>15,252,064</u>
	Common/collective trust, held at NAV		<u>3,160,895</u>
	Total investments at fair value		<u>\$ 18,412,959</u>

Certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. Fair Value Measurements, Continued:

The following tables summarize investments measured at fair value based on NAV per share and not registered with the SEC as of December 31, 2023 and 2022:

<u>Instrument</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

<u>Instrument</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust	\$3,160,895	N/A	Daily	12 Month

4. Risks and Uncertainties:

The Plan provides for investments in various securities. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

5. Related-Party Transactions:

The Plan invests in several funds sponsored by affiliates of Fidelity Management Trust Company, which are related-party transactions and identified as parties-in-interest in the accompanying schedule of assets held for investment purposes. The Plan paid administrative fees to the trustee totaling \$10,778 during 2023 and \$6,341 during 2022.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Financial Information Certified by a Qualified Institution:

Fidelity Management Trust Company, the trustee of the Plan, has certified that the following information is complete and accurate:

- Investments, at fair value;
- Investment income (loss);
- Schedule of assets (held at end of year);
- Notes receivable from participants; and
- Interest income on notes receivable from participants.

8. Tax Status:

The Internal Revenue Service has determined and informed the prototype sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2023 and 2022. The Plan is not currently under audit by any tax jurisdiction.

9. Administrative Expenses:

Although not required by the Plan, a portion of the costs of the Plan administration is paid by the Company. The Company utilizes the assistance of an investment advisor with the Company paying half of the fee and the Plan paying the remaining half. Fees paid by the Plan to the investment advisor amounted to \$11,707 for 2023 and \$12,500 for 2022.
