Independent Auditors' Report

To the Plan Administrator
403(b) Thrift Plan for Christian Benevolent Outreach, Inc.
d/b/a Sayre Christian Village
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the 403(b) Thrift Plan for Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of Christian Benevolent Outreach, Inc. d/b/a Sayre Christian Village, Sayre Christian Village Nursing Home, Inc. and Sayre Christian Village Phase III d/b/a Friendship Towers (collectively, Employer). There is no minimum age or service requirement to make salary reduction contributions to the Plan. A participant must be 21 years of age and complete at least one year of service (1,000 hours) in order to receive an employer matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Employer's Board of Directors is responsible for the oversight of the Plan.

Contributions:

The Plan is funded by participant salary reduction contributions and an employer matching contribution. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the maximum permitted by law. Participants are also eligible to make Roth deferral contributions to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or 403(b) plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

For all participants, except highly compensated participants, the Employer makes a matching contribution equal to a percentage of the salary reduction amount contributed that does not exceed a percentage of compensation. The matching contribution is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage of Salary Reduction Contributions</u>	<u>Percentage of Compensation</u>
Less than 5 years	25%	5%
5 years or more	50%	5%

Highly compensated employees receive the lower matching percentage of compensation regardless of years of service. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS

Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of the employer matching contribution, plan earnings and administrative expenses. Allocations are based on participant contributions, compensation or account balances, as defined in the plan provisions. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting:

Participants are immediately vested in their elective contributions, as well as earnings on those contributions. Vesting in the employer matching contribution portion of their accounts and earnings on those contributions is based on the years of service as outlined in the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 years or more	100%

Participants will also become fully vested in the employer matching contributions account upon reaching age 55, becoming totally and permanently disabled, or death.

Forfeited accounts:

Forfeitures are utilized to reduce future employer contributions. Employer contributions were reduced by \$111 and \$1,716 for the years ended December 31, 2023 and 2022, respectively, from forfeited nonvested accounts. At December 31, 2023, unallocated forfeited nonvested accounts totaled \$169. There were no unallocated forfeited nonvested accounts at December 31, 2022.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or monthly installments over a fixed period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are held in a group annuity contract and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisers of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTES TO FINANCIAL STATEMENTS

Contributions:

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent events:

The Plan has evaluated subsequent events through August 9, 2024, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments and interest for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company (the custodian of the Plan).

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Separate accounts have been valued using a market approach. The general account has been valued using a cost approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

General account - fair value is determined by the custodian as of the close of business on each valuation day based on the contributions made to the account, plus interest at the contract rate, less benefits paid to participants and administrative expenses charged by the custodian.

Separate accounts - fair value of accumulation units is determined by the custodian as of the close of business on each valuation day based upon the net asset values of the underlying mutual fund shares which are actively traded and separate account charges under the contract.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023	
	<u>Level 3</u>	<u>Total</u>
Group annuity contract:		
General account	<u>\$310,577</u>	\$ 310,577
Separate accounts measured at net asset value		<u>1,857,000</u>

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2023 and 2022, respectively, and the significant unobservable inputs and the ranges of values for those inputs:

<u>Instrument</u>	<u>Fair Value at</u>	<u>Principal Valuation Technique</u>	<u>Unobservable Input</u>	<u>Range of Significant Input Values</u>
General Account	12/31/23: \$310,577	Cost approach - contract value	Contract rate	12/31/23: 1.60%
	12/31/22: \$337,029			12/31/22: .25%

Investments Measured Using Net Asset Value Per Share Practical Expedient

All separate accounts have no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value (NAV). The NAV is updated daily.

A description of the investment strategies for separate accounts whose value is derived using NAV are as follows:

Equity funds - seek long-term growth of capital by investing majority of assets in a diversified portfolio of common stocks.

Fixed income funds - seek total return by investing majority of assets in a diversified portfolio of fixed income securities.

Retirement funds - seek current income and capital appreciation appropriate for the asset allocation associated with its target retirement date by investing assets in a diversified portfolio of funds balanced to meet the current target retirement date of the fund.

Asset allocation funds - seek long-term growth of capital by investing assets in a diversified portfolio of equity and fixed income securities.

NOTES TO FINANCIAL STATEMENTS

Real estate investment trust fund - seeks to provide a high level of income and moderate long-term capital appreciation.

Balanced funds - seek long-term growth of capital by investing assets in a diversified portfolio of equity, debt and fixed income securities.

Note 5. Related Party Transactions and Party-In-Interest Transactions

The Plan invests in a group annuity contract sponsored by Mutual of America Life Insurance Company (Mutual of America). Mutual of America is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services and termination fees, deducted from participant accounts in accordance with the plan document, totaled \$326 and \$632 for the years ended December 31, 2023 and 2022, respectively.

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the Plan.

Note 6. Prohibited Transactions

During 2023, the Employer did not remit to the Plan certain employee contributions totaling \$18,756 within the period prescribed by the Department of Labor regulations. The Employer will compute the estimated lost income due to the delay and will make a contribution for the lost income to the affected participants' accounts.

During 2022, the Employer did not remit to the Plan certain employee contributions totaling \$10,022 within the period prescribed by the Department of Labor regulations. The Employer made a contribution for the lost income to the affected participants' accounts during 2023.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants would become 100 percent vested in their employer contributions.

Note 8. Income Tax Status

Currently, 403(b) plans are not required to submit plans to the Internal Revenue Service for determination. However, the Plan is required to operate in conformity with the Internal Revenue Code (Code) to maintain the tax exclusion for plan participants. The plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The Plan holds investments in pooled separate accounts, which are not direct filing entities. As such, per Form 5500 instructions, the Plan's interest in the underlying assets of the pooled separate accounts must be allocated and reported in the appropriate categories on Schedule H. Therefore, these investments are reflected as mutual funds on Form 5500, but as pooled separate accounts for financial statement purposes.
