REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Administrative Committee and Plan Participants
The Columbia Association, Inc. Incentive Savings Plan
Columbia, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Columbia Association, Inc. Incentive Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Columbia Association, Inc. Incentive Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Effective July 1, 1999, the Plan was amended to reflect its status as a multiple-employer plan. The Plan permits employees of Dorsey's Search Community Association, Harper's Choice Community Association, Hickory Ridge Community Association, Kings Contrivance Community Association, Oakland Mills Community Association, Owen Brown Community Association, River Hill Community Association, Columbia Town Center Residential Community Association, Wilde Lake Community Association, and Long Reach Community Association (collectively, the Village Community Associations) who meet the same eligibility requirements of Columbia Association, Inc. (the Association) to participate in the Plan (together, the Association and Village Community Associations are referred to as the Employers).

General

The Plan is a defined contribution plan originally effective January 1, 1985. The Plan was amended and restated effective November 12, 2021. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Audit Committee of the Board of Directors. The Plan has been amended and restated to comply with the latest tax legislation effective April 28, 2023.

Recent Legislation

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was enacted in December 2019 and became effective January 1, 2020. The SECURE Act was designed to encourage investing for retirement by increasing the required minimum distribution age, allowing part-time employee enrollment, and offering annuity options for certain tax-qualified retirement plans.

The Plan incorporated the SECURE Act changes in its Plan document during the year. SECURE Act 2.0 was signed into the 2023 Consolidations Appropriations Act under the Securing a Strong Retirement Act on December 29, 2022, with similar retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement plans.

The Plan's management and those charged with governance have a policy to incorporate legislative changes in its Plan document by the prescribed deadlines.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees of the Association are eligible to participate in the Plan after completion of one year of service and at least 1,000 hours. Entry dates into the Plan are the first day of each month.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax or Roth contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants' deferral rate set is 4% of eligible compensation. The automatic deferral increase provision was amended to increase participant deferrals by 1% annually until the Plan participant has a 10% deferral rate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employers have made a 3% safe harbor contribution using eligible compensation to each eligible participant. The Employers also make non-elective contributions to eligible participants at 3% of eligible compensation. For the year ended December 31, 2023, the employers' safe harbor and the employers' non-safe harbor contributions were \$633,248 and \$614,904, respectively. For the year ended December 31, 2022, the employers' safe harbor and the employers' non-safe harbor contributions were \$607,532 and \$566,681, respectively.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employers' contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their contributions and in the Employers' safe harbor contributions, plus earnings thereon. Vesting in the Employers' non-elective contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service as follows:

<u>Years of Vesting Service</u>	<u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notwithstanding the above, a participant is fully vested upon reaching normal retirement age in accordance with the Plan provisions, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest based on the prevailing interest rates charged in the business of lending money for loans made under similar circumstances at the note's inception. Principal and interest are paid ratably through payroll deductions. The Plan allows participants to have one outstanding loan at a time.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's vested account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment. If the vested non-Roth balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Administrator may authorize before the participant's normal retirement age that the benefit payment be rolled into an individual retirement account in the participant's name.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts

Forfeited nonvested accounts are first used to reduce future Employers' contributions and then are used to reduce administrative expenses. As of December 31, 2023 and 2022, forfeited nonvested accounts were \$24,917 and \$15,777, respectively. During the years ended December 31, 2023 and 2022, employer contributions were reduced by \$19,778 and \$44,292, respectively, from forfeited nonvested accounts. No forfeitures were used to pay Plan expenses during the years ended December 31, 2023 and 2022.

Plan Termination

Although it has not expressed any intent to do so, the Employers' have the right under the Plan to discontinue its contributions at any time and the Association has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Contributions

Employee and employer contributions are recorded in the period that the Employers makes payroll deductions from the participant's earnings.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Association and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivables from participants are charged directly to participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. The Plan has entered into a revenue sharing agreement with Fidelity Management Trust Company (Fidelity), trustee of the Plan.

The Plan received \$256 and \$314, of shared revenue during the years ended December 31, 2023 and 2022, respectively. For the year ended December 31, 2023, \$2,292 was used to reduce administrative expenses. No amounts were used to reduce administrative expenses during the year ended December 31, 2022. The balance of the shared revenue account as of December 31, 2023 and 2022, was \$5,357 and \$7,392, respectively.

Subsequent Events

The Plan Administrator evaluated subsequent events and transactions through August 12, 2024, the date these financial statements were available for issue, and has determined that no material subsequent events have occurred that would affect the information presented or require additional disclosure.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

3. INFORMATION CERTIFIED BY FIDELITY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

4. INVESTMENTS

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements December 31, 2023 and 2022

4. INVESTMENTS (continued)

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the net asset value (NAV) of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Common collective trust	\$ -	\$ 1,130,297	\$ -	\$ 1,130,297
Mutual funds	53,224,585	-	-	53,224,585
Total assets in fair value hierarchy	<u>\$ 53,224,585</u>	<u>\$ 1,130,297</u>	<u>\$ -</u>	<u>\$ 54,354,882</u>
Total Investments Measured at Fair Value				

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 44,650,552	\$ -	\$ -	\$ 44,650,552
Total assets in fair value hierarchy	<u>\$ 44,650,552</u>	<u>\$ -</u>	<u>\$ -</u>	<u>44,650,552</u>
Investments at net asset value ^(a)				
Common collective trusts				1,003,626
Total Assets Measured at Fair Value				<u>\$ 45,654,178</u>

(a) In accordance with accounting principles generally accepted in the United State of America, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan invests in the Putnam Stable Value Fund (PSV Fund). During the year ended December 31, 2023, the Plan also invested in the Fidelity Managed Income Portfolio Fund (the Portfolio). The PSV fund is a collective investment trust that seeks to provide preservation of capital, stable returns, and a low risk profile. The Portfolio was a commingled pool dedicated to the management of the assets of employee benefit plans, with the primary objective to seek the preservation of capital while providing income over time that is consistent with the preservation of capital.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements December 31, 2023 and 2022

4. INVESTMENTS (continued)

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022:

Investment	2022	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Fidelity Managed Income Portfolio ^(a)	\$ 887,973	None	Daily	None
Putnam Stable Value Fund ^(b)	115,653	None	Daily	None

(a) To achieve its investment objective, the Portfolio invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as future contracts and swap agreements), enters into “wrap” contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds.

(b) To achieve its investment objective, the PSV invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks, and other financial institutions. The fund also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies.

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers into or out of Level 3 during 2023 and 2022.

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Fidelity manages certain Plan investments. Fidelity is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation/(depreciation) in fair value of the investments. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. TAX STATUS

The Plan adopted a pre-approved defined contribution plan document that received an opinion letter from the IRS dated June 30, 2020 indicating that the Plan is qualified under Section 401 of the IRC; therefore, the Plan and the related trust are tax exempt. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

THE COLUMBIA ASSOCIATION, INC. INCENTIVE SAVINGS PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

6. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.
