INDEPENDENT AUDITOR'S REPORT

Employee Benefit Plan of
S.E.K. – C.A.P., Inc.
Girard, Kansas

Opinion

We have audited the accompanying financial statements of the Employee Benefit Plan of S.E.K. – C.A.P., Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of November 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. as of November 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (as listed in the table of contents on page 11) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN OF S.E.K. – C.A.P., INC.

Girard, Kansas

Notes to the Financial Statements
For the Years Ended November 30, 2022 and 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is the retirement plan provided for employees of S.E.K. – C.A.P., Inc. ("Agency").

- 1) General - The Plan was restated effective October 1, 2012. The Plan is a cash or deferred profit sharing plan covering all full-time employees of the Agency who have obtained two months of service (as defined below) and 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.
- 2) Contributions - Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the maximum dollar limit for the year set forth by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Agency contributes a percentage of employee contributions up to 8% of compensation based on the following: 25% for 1 – 5 years of service, 30% for 6 – 10 years of service, and 35% after 10 years of service. Contributions are subject to certain IRS limitations.
- 3) Participant Accounts - Each participant's account is credited with the participant's contribution as stated in 2) above. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 4) Vesting - Participants are vested immediately in their contributions plus actual earning thereon. Vesting in the Agency's portion of their accounts is based on the number of years of service. The plans vesting schedule is as follows: Years of Service: 0-2= 0%, 2-3= 20%, 3-4= 40%, 4-5= 60%, 5-6= 80%, 6+= 100%. Vesting is not continuous service; break-in-service rules are recognized.
- 5) Notes Receivable from Participants - The plan does not allow loans to Participants.
- 6) Payment of Benefits - On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE A: DESCRIPTION OF THE PLAN (Continued)

- 8) Forfeited accounts – At November 30, 2022 and 2021, forfeited nonvested accounts totaled \$5,611.54 and \$2,966.87 respectively. These accounts will be used to reduce future employer contributions. Also, in 2022, employer contributions were reduced by \$5,611.54 from forfeited nonvested accounts.

NOTE B: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and Sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Third Party Administrator Duties

Agency contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Agency. No such officer or employee receives compensation from the Plan.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Agency. Expenses that are paid by the Agency are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payments of Benefits

All benefit payments are recorded when paid.

NOTE C: TAX STATUS

The Internal Revenue Service has ruled by a letter dated October 22, 2014, that the Plan's prototype being used qualifies under Section 401(k) of the Internal Revenue Code and, therefore, the Plan is not subject to tax under present income tax laws. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE C: TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of November 30, 2022 and 2021.

Pooled Separate Accounts: Pooled separate accounts (PSAs) of the custodian invest in registered investment companies, which are invested in debt and equity securities of U.S. and foreign companies at various levels of market capitalization. The Mutual of America Money Market Fund invests in money market instruments and other short term securities. Units held in PSAs are valued using the NAV of the fund. The NAV is based on fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a pooled separate account is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation

NOTE D: FAIR VALUE MEASUREMENTS (Continued)

date is derived from observable purchase and redemption activity in the fund. Accordingly, the unit value for a collective investment fund is classified within level 2 of the valuation hierarchy.

Interest Accumulation Account: The IAA is valued at fair value as of the last day of the Plan year. Fair value approximates contract value and is the total of all amounts allocated under the contract through contributions plus accrued interest, minus withdrawals, transfers and administrative charges. Amounts allocated to the IAA become part of the general assets of the custodian (General Account). The General Account supports insurance and annuity obligations of the custodian. The General Account consists of all general assets, other than those in separate accounts and other segregated asset accounts of the custodian.

The custodian guarantees the value and bears full investment risk for all amounts that participants allocate to the General Account. The custodian guarantees a minimum interest credit, which was 1.00% at November 30, 2022, respectively. Interest is credited on dates determined by the custodian, but not less frequently than once each calendar month. Accordingly, investment is classified within the level 1 of the valuation hierarchy.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of November 30, 2022 and 2021:

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their Plan account.

NOTE F: RELATED PARTY/ PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mutual of America Financial Group. Mutual of America is the Plan Administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Other service providers include Jarred, Gilmore, and Phillips, PA, the plan auditor, and S.E.K. – C.A.P., Inc., the plan sponsor.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE G: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H: SUBSEQUENT EVENTS

The Plan evaluated events and transactions occurring subsequent to November 30, 2022, through September 13, 2023, the date the financial statements were available to be issued. During this period, there were no subsequent events requiring recognition in the financial statements. Additionally, there were no nonrecognized subsequent events requiring disclosure.

INDEPENDENT AUDITOR'S REPORT

Employee Benefit Plan of
S.E.K. – C.A.P., Inc.
Girard, Kansas

Opinion

We have audited the accompanying financial statements of the Employee Benefit Plan of S.E.K. – C.A.P., Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of November 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. as of November 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of S.E.K. – C.A.P., Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (as listed in the table of contents on page 11) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN OF S.E.K. – C.A.P., INC.

Girard, Kansas

Notes to the Financial Statements
For the Years Ended November 30, 2022 and 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Employee Benefit Plan of S.E.K. – C.A.P., Inc. ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is the retirement plan provided for employees of S.E.K. – C.A.P., Inc. ("Agency").

- 1) General - The Plan was restated effective October 1, 2012. The Plan is a cash or deferred profit sharing plan covering all full-time employees of the Agency who have obtained two months of service (as defined below) and 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings.
- 2) Contributions - Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the maximum dollar limit for the year set forth by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Agency contributes a percentage of employee contributions up to 8% of compensation based on the following: 25% for 1 – 5 years of service, 30% for 6 – 10 years of service, and 35% after 10 years of service. Contributions are subject to certain IRS limitations.
- 3) Participant Accounts - Each participant's account is credited with the participant's contribution as stated in 2) above. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 4) Vesting - Participants are vested immediately in their contributions plus actual earning thereon. Vesting in the Agency's portion of their accounts is based on the number of years of service. The plans vesting schedule is as follows: Years of Service: 0-2= 0%, 2-3= 20%, 3-4= 40%, 4-5= 60%, 5-6= 80%, 6+= 100%. Vesting is not continuous service; break-in-service rules are recognized.
- 5) Notes Receivable from Participants - The plan does not allow loans to Participants.
- 6) Payment of Benefits - On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE A: DESCRIPTION OF THE PLAN (Continued)

- 8) Forfeited accounts – At November 30, 2022 and 2021, forfeited nonvested accounts totaled \$5,611.54 and \$2,966.87 respectively. These accounts will be used to reduce future employer contributions. Also, in 2022, employer contributions were reduced by \$5,611.54 from forfeited nonvested accounts.

NOTE B: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and Sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Third Party Administrator Duties

Agency contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Agency. No such officer or employee receives compensation from the Plan.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Agency. Expenses that are paid by the Agency are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payments of Benefits

All benefit payments are recorded when paid.

NOTE C: TAX STATUS

The Internal Revenue Service has ruled by a letter dated October 22, 2014, that the Plan's prototype being used qualifies under Section 401(k) of the Internal Revenue Code and, therefore, the Plan is not subject to tax under present income tax laws. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE C: TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of November 30, 2022 and 2021.

Pooled Separate Accounts: Pooled separate accounts (PSAs) of the custodian invest in registered investment companies, which are invested in debt and equity securities of U.S. and foreign companies at various levels of market capitalization. The Mutual of America Money Market Fund invests in money market instruments and other short term securities. Units held in PSAs are valued using the NAV of the fund. The NAV is based on fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a pooled separate account is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation

NOTE D: FAIR VALUE MEASUREMENTS (Continued)

date is derived from observable purchase and redemption activity in the fund. Accordingly, the unit value for a collective investment fund is classified within level 2 of the valuation hierarchy.

Interest Accumulation Account: The IAA is valued at fair value as of the last day of the Plan year. Fair value approximates contract value and is the total of all amounts allocated under the contract through contributions plus accrued interest, minus withdrawals, transfers and administrative charges. Amounts allocated to the IAA become part of the general assets of the custodian (General Account). The General Account supports insurance and annuity obligations of the custodian. The General Account consists of all general assets, other than those in separate accounts and other segregated asset accounts of the custodian.

The custodian guarantees the value and bears full investment risk for all amounts that participants allocate to the General Account. The custodian guarantees a minimum interest credit, which was 1.00% at November 30, 2022, respectively. Interest is credited on dates determined by the custodian, but not less frequently than once each calendar month. Accordingly, investment is classified within the level 1 of the valuation hierarchy.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of November 30, 2022 and 2021:

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their Plan account.

NOTE F: RELATED PARTY/ PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mutual of America Financial Group. Mutual of America is the Plan Administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Other service providers include Jarred, Gilmore, and Phillips, PA, the plan auditor, and S.E.K. – C.A.P., Inc., the plan sponsor.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE G: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H: SUBSEQUENT EVENTS

The Plan evaluated events and transactions occurring subsequent to November 30, 2022, through September 13, 2023, the date the financial statements were available to be issued. During this period, there were no subsequent events requiring recognition in the financial statements. Additionally, there were no nonrecognized subsequent events requiring disclosure.
