Independent Auditor's Report

To the Trustee of the Plan
Continental Motor Company, Inc. 401(k) Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Continental Motor Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Continental Motor Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year the ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Continental Motor Company, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and the maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Motor Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Continental Motor Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Motor Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Trustee of the Plan
Continental Motor Company, Inc. 401(k) Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Continental Motor Company, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1: Description of Plan

The following description of the Continental Motor Company, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document and/or the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was established to provide retirement benefits for employees of Continental Motor Company, Inc., Continental Auto, LLC, and Continental Car & Truck, LLC (collectively, the Employer). The Plan was restated effective September 29, 2021, to include amendments required for the SECURE Act and CARES Act. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code (IRC).

Recent Legislation

The SECURE 2.0 Act of 2022 (SECURE 2.0), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. Each of the provisions in SECURE 2.0 has its own effective date ranging from the date of enactment to 2028 and beyond, with the bulk of the provisions taking effect in 2023 and 2024. The plan has adopted the required minimum distribution at age 73 effective January 1, 2023, and is in the process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2025.

Contributions

Participant contributions consist of pre-tax elective deferrals and after-tax contributions. Participants may contribute pre-tax elective deferrals up to the dollar limitation contained in Section 402(g) of the IRC in effect at the beginning of the year. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Employer contributions include matching contributions, discretionary contributions, and discretionary matching contributions. Contributions are subject to certain limitations.

The Plan automatically enrolls newly eligible employees who do not affirmatively elect to either contribute or not to contribute to the Plan at an initial deferral rate of 5%. For those automatically enrolled, there is an annual increase of 1% up to a maximum of 10%.

The Employer makes a matching contribution equal to 50% of the first 2% of compensation for each participant that contributes. Employer discretionary contributions are allocated to participants employed on the last day of the plan year in the same ratio as each participant's eligible compensation for the plan year bears to the total eligible compensation for all participants for the plan year.

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant account is credited with the participant's contributions, the Employer's contributions, and an allocation of the Plan's earnings and charged with an allocation of Plan losses and investment expenses. The Plan's earnings and investment expenses are allocated according to the participants' relative account balances in the investment options. Certain participant and loan fees, if applicable, are also charged to participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The portion of the participant's account attributable to employer contributions is fully vested after completion of six years of service. Vesting is accrued as outlined in the plan agreement. Participant accounts become fully vested upon attainment of the normal retirement age of 65, early retirement as defined in the plan agreement, or in the event of death or total disability.

Notes Receivable from Participants

Participants may borrow from their accounts the lesser of 50% of their vested account balance or \$50,000, reduced by the participant's highest outstanding loan balance during the last twelve months. Loan terms range from one to five years and bear interest at rates commensurate with local prevailing rates as determined by the Plan trustee. Participant loans are secured by a lien on the participant's account in the Plan and are repaid through payroll deductions.

Distributions to Participants

Amounts credited to an individual participant's account are distributed at termination of employment as a lump sum, in installments, or, if qualified, as an annuity. Distributions may be deferred until the participant reaches the age of 73 if the value of the distribution is not less than \$5,000. However, the plan agreement stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 73.

In certain hardship situations, as described in the plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Hardship withdrawals are limited to pre-tax elective deferrals and any earnings thereon. Participants can elect to withdraw after-tax contributions at any time.

Forfeitures

Forfeited nonvested accounts had no balance at December 31, 2023 and 2022, respectively. In 2019, the Plan was amended to utilize forfeited nonvested accounts to reduce future employer contributions or pay plan expenses. Unallocated forfeitures totaled \$0 and \$46 at December 31, 2023 and 2022, respectively. The Plan utilized \$12,587 of forfeitures to reduce employer contributions for eligible participants in 2023 and \$477 to reduce plan expenses in 2023.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The mutual funds are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. The collective trust funds are valued at the net asset value (NAV) of units of the collective trust. The stable value fund is valued at NAV of the units of the stable value fund. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation includes capital gain distributions and gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding principal balance which approximates fair value. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based on the terms of the Plan.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. Excess contributions are distributed in accordance with IRC Sections 401(m) and 401(k).

Payments of Benefits

Benefits are recorded when paid.

Note 2: Summary of Significant Accounting Policies (Continued)

Administrative Expenses

The Plan permits the payment of plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or to a participant account for transactions specifically related to that participant. All other expenses of the Plan were paid by the Employer and are excluded from these financial statements for the year ended December 31, 2023.

Subsequent Events

Management has evaluated subsequent events for disclosure in the financial statements through August 14, 2024, which is the date the financial statements were available to be issued.

Note 3: Information Certified by Empower Trust Company, LLC

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC (formerly Great-West Trust Company, LLC), a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA required supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;
- Total investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023; and
- All information included in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown in the ERISA required supplemental schedule.

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include –

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds*. Valued at quoted market prices of shares held by the Plan at year end.
- *Stable value fund*. Valued at the NAV of units provided by the Plan's third-party administrator. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. This investment is a direct filing entity.

Continental Motor Company, Inc. 401(k) Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 4: Fair Value Measurements (Continued)

- *Collective trust funds.* Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of investments measured under this hierarchy as of December 31, 2023 and 2022 is as follows:

	2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>530,009</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 530,009
Stable value fund*				315,391
Collective trust funds*				<u>11,422,905</u>
Total investments, at fair value				<u>\$ 12,268,305</u>

	2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>636,393</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 636,393
Stable value fund*				261,497
Collective trust funds*				<u>9,950,700</u>
Total investments, at fair value				<u>\$ 10,848,590</u>

- * *In accordance with Subtopic 820-10, the collective trust and stable value funds have not been classified in the fair value hierarchy since they are measured at net asset value per share (or its equivalent).*

(A) Investments held by Empower Trust Company, LLC are direct filing entities. With regard to the Drive Income Fund, the Plan is prohibited from offering competing funds such as other stable value funds, money market funds, etc. Plan level redemptions from this fund require ninety days written notice. There are no participant redemption restrictions.

(B) Investment objectives for investments held by State Street Global Advisors (SSGA) are to approximate the performance of a custom benchmark index over the long-term, while providing participants the ability to purchase and redeem units on an “as of” basis. The funds invest in other collective trust funds with characteristics consistent with the funds’ overall investment objective. Disclosure of the various fund type objectives are noted below:

- (1) The target retirement strategies are based on an asset allocation glide path developed by SSGA and optimized for wealth accumulation, wealth preservation, and income generation phases of retirement planning and includes adjustment in the years before and after retirement. As the strategies approach the target retirement dates, SSGA adjusts the funds’ investment objectives and risk profiles from more volatile to less volatile as retirement approaches.

 - (4) The objective of this fund is to approximate the performance of the S&P MidCap 400 Index over the long-term.
 - (5) The objective of this fund is to approximate an index comprised of 25% Bloomberg Roll Select Commodity Index SM, 25% S&P Global Large MidCap Commodity and Resources Index, 15% Dow Jones U.S. Select REIT Index SM, 25% Bloomberg Barclays U.S. Treasury Inflation Protected Securities Index and 10% S&P Global Infrastructure Index.
 - (6) The objective of this fund is to approximate the performance of the MSCI ACWI ex-USA IMI Index over the long-term.
 - (7) The objective of this fund is to approximate the performance of the Bloomberg U.S. Aggregate Bond Index over the long-term.
- (C) Investment objectives for investments held by Wilmington Trust are to approximate the performance of a custom benchmark index over the long-term, while providing participants the ability to purchase and redeem units of an “as of” basis. The fund invests primarily in equity securities with characteristics consistent with the fund’s overall investment objective.

Note 5: Related Party Transactions and Party-in-Interest Transactions

Certain plan investments consist of investments managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the custodian and therefore these transactions qualify as party-in-interest transactions. These party-in-interest transactions are permitted under provisions of the Plan and are exempt from the prohibited transaction rules under the Employee Retirement Income Security Act of 1974. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, each respective participant’s account, net of any termination fees, will become fully vested and will be distributed to each participant in accordance with the plan agreement.

Continental Motor Company, Inc. 401(k) Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 7: Tax Status

The IRS has determined and informed the Plan's volume submitter sponsor by an opinion letter dated November 14, 2022, that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by Empower Retirement, LLC which has been adopted by the Plan, is acceptable pursuant to Section 401 of the IRC and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Such investments are exposed to risks and uncertainties, such as interest rate risk, credit risk, market risk, economic changes, political unrest, regulatory changes, and foreign currency risk. The Plan's exposure to a concentration of risk is dependent upon funds selected by participants. The following table shows details on investments that represent a concentration of greater than 10% of the Plan's investments in either year:

Investments	December 31, 2023		December 31, 2022	
	Balance	% of Investments	Balance	% of Investments
SSgA Target Retirement 2030 NL Fund M	\$ 1,982,696	16%	\$ 1,703,456	16%
SSgA Target Retirement 2040 NL Fund M	1,817,874	14%	1,560,864	14%
SSgA Target Retirement 2035 NL Fund M	1,184,928	10%	*	*
SSgA Target Retirement 2045 NL Fund M	*	*	1,114,257	10%

Due to the concentration of investments denoted above, in addition to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the Statements of Net Assets Available for Benefits.

**Balance did not represent a concentration of 10% or greater of the Plan's net assets as of December 31, 2023 or 2022.*

Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 9: Prohibited Transactions

Defined contribution plans are required to remit employee contributions and loan repayments to the Plan as soon as they can reasonably be segregated from the Employer's general assets. During the year ended December 31, 2023, the Plan had \$7,510 of employee contributions that were not remitted in a timely manner. Lost earnings are paid by the Employer, not from Plan assets. Lost earnings related to these untimely remittances were made in 2024. These transactions constitute prohibited transactions as defined by ERISA.

Note 10: Reconciliation to Form 5500
