Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		2000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒

Independent Auditor's Report

The Plan Administrator
Magpul Industries Corp. 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Magpul Industries Corp. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Plan Description

The following description of the Magpul Industries Corp. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established by Magpul Industries Corp. and a related employer (the Company or Employer) who adopted the Plan effective January 1, 2012. The Plan was most recently restated effective January 20, 2021. The Plan is a defined contribution plan covering eligible employees of the Company. The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Trustee, Issuer and Administration of the Plan

The trustee of the Plan is Empower Trust Company, LLC and Empower Annuity Insurance Company of America is the issuer of the fixed-rate group annuity contract (individually and collectively Empower).

The recordkeeper of the Plan is Empower. Empower holds all assets of the Plan in accordance with the provisions of the service provider contract with the Company. The Plan's Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Each employee is eligible to become a participant in the Plan and make employee contributions on the first day of the month coinciding with or following attainment of age 18 and completion of three months of service. Participants must be employed on the last day of the plan year to be eligible for employer contributions. Union employees and non-resident aliens under contract status are not eligible to participate in the Plan.

Contributions

Participants may contribute up to 100% of their eligible annual compensation on a pre-tax basis, or after-tax Roth basis, subject to certain IRC limitations. The Plan also allows catch-up contributions for participants age 50 or older based on IRC limitations. If participants do not actively elect out of the Plan or actively enroll at another contribution rate they will be automatically enrolled at 2% pre-tax.

The Plan allows for discretionary matching contributions and a discretionary profit-sharing contribution to eligible employees who are employed on the last day of the plan year. A discretionary match of 60% of the first 6% of the employee's salary was made for the year ended December 31, 2023, which was funded in 2024.

Rollover contributions from other qualified plans or Individual Retirement Accounts (IRA) may also be made to the Plan if certain criteria are met.

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

Participants' Accounts

Participants' accounts are credited with participant pre-tax, after-tax Roth, rollover, employer discretionary matching and discretionary profit-sharing contributions, as well as an allocation of plan earnings or losses. Participants are charged with certain administrative fees that are paid by the Plan. Earnings or losses from investment funds are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment option. Participants may direct the investment of their account balances into various mutual funds and a fixed-rate group annuity contract offered by the Plan. The benefit to which participants are entitled is the vested portion of their accounts.

Vesting

Participants are immediately vested in their pre-tax, after-tax Roth, rollover, and catch-up contributions. Vesting in the employer discretionary matching and profit-sharing contributions is based on years of service, as defined in the Plan Document, and is determined as follows:

Years of Service	Vested (%)
Less than 1	-
1	25
2	50
3	75
4	100

Participants who die, become disabled or reach early retirement age of 55 are fully vested in their accounts. In the event of Plan termination, all participants are fully vested in their accounts.

Forfeitures and Other Unallocated Accounts

Forfeited amounts may be used to reduce future employer contributions or pay administrative expenses. At December 31, 2023 and 2022, forfeited accounts were de minimis. During the year ended December 31, 2023, \$6,536 of forfeitures were used to reduce the employer match for the plan year ended December 31, 2023, which was funded in 2024.

The Plan also provides for a fee suspense account. At December 31, 2023 and 2022, the fee suspense account was de minimis. During the year ended December 31, 2023, \$17,500 of funds were received by the Plan and \$17,500 of fee suspense account funds were used to pay administrative expenses of the Plan. The funds received by the fee suspense account are recorded as other income in the financial statements.

Payment of Benefits

Upon termination of service due to death, disability, separation of service, or attainment of normal retirement age (65), a participant may elect to receive his/her benefit payment in the form of a lump-sum amount, installment payments, or annuity; remain in the Plan or may roll over the amount to another qualified retirement plan or Individual Retirement Account (IRA). Immediate lump sum distributions are to be made to terminated participants if the participant's vested account balance is \$1,000 or less. If the account balance is \$1,001 to \$5,000, the balance is rolled into an IRA. These mandatory distributions are only made if the participant has not affirmatively elected to receive their distribution in another form. Hardship withdrawals and certain other in-service withdrawals at age 59½ are also allowed by the Plan if certain criteria are met.

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

Notes Receivable from Participants

An employee may, with the consent of the plan administrator, borrow a minimum of \$1,000 up to the lesser of \$50,000 reduced by the excess of the participant's highest outstanding loan balance during the previous 12 months, or one-half of their vested account balance. Participants may not have more than one loan outstanding at any time. The maximum term of the borrowing is five years, unless used for the purchase of a principal residence, in which case the loan can be up to 30 years. A participant's loan shall immediately become due and payable if such participant terminates employment for any reason or fails to make principal and/or interest payments as provided in the loan agreement. The loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal posted prime rate plus 1%. Interest rate is fixed for the duration of the loan. Principal and interest are repaid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the terms of the Plan Document to terminate the Plan, subject to the provisions of ERISA. Upon termination of the Plan, all participants would become fully vested.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds, as detailed in the accompanying supplemental Schedule of Assets (Held at End of Year), are stated at fair value as further discussed in Note 4, *Fair Value Measurements and Disclosures*. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and Empower.

Interest income is recorded as earned on the accrual basis. Dividend income and reinvested capital gains are recorded on the ex-dividend date. Purchases and sales are recorded on a trade-date basis. The net appreciation in the fair value of investments represents the realized and unrealized gains and losses on the investments and reinvested capital gains or losses.

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

Accounting for Investment Contracts with Insurance Companies

The Plan entered into the Key Guaranteed Portfolio Fund (the Fund) with Empower, which is a fixed-rate group annuity contract. The Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts since this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The Fund is a general account product and is credited with participant and employer contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to pay the principal and specified interest rates guaranteed. The effective annual interest rate can never be less than 0% and interest earned is compounded daily to the effective annual interest rate. The interest crediting rate is reset quarterly. The method for calculating the interest crediting rate is based on earnings of the underlying assets in the entire medium long-term portfolio compared to the minimum crediting rate, as stated in the contract, and prevailing market conditions.

Certain events could limit the ability of the Plan to transact at contract value, including but not limited to, premature termination of the contract by the Plan, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives. This would cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value; however, the plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

Contributions

Participant contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Discretionary matching contributions and profit-sharing contributions are recognized in the year that the compensation was paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Any accrued, but unpaid interest was de minimus at December 31, 2023 and 2022. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid as of December 31, 2023 or 2022.

Expenses of the Plan

For the year ended December 31, 2023, administrative expenses totaling \$57,909 were incurred by the Plan consisting of expenses incurred by participants for distribution processing, recordkeeping, loan administration, investment advisor, and investment management. Under the service provider agreement with Empower, certain revenue sharing rebates received from certain mutual funds held by the Plan are funded to the fee suspense account, to be used to pay expenses of the Plan. Fees

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

in excess of the rebates are charged to the Plan. Certain other fees and expenses may be charged within the investments (as an expense ratio) and are reflected in the net appreciation in fair value of investments. Any expenses paid by the Company, on behalf of the Plan, are excluded from these financial statements.

3. Information Certified by the Plan's Trustee and Issuer

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, qualified institutions, have certified that the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) as complete and accurate:

- Investments and notes receivable from participants as reported in the statements of net assets available for plan benefits as of December 31, 2023 and 2022;
- Interest and dividend income, net appreciation in fair value of investments and interest earned on notes receivable from participants as reported on the statement of changes in net assets available for plan benefits for the year ended December 31, 2023;
- Investment amounts included in the notes to financial statements as of December 31, 2023 and 2022;
- Investment information in the Supplemental Schedule, Form 5500 - Schedule of Assets (Held at End of Year) - As of December 31, 2023.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Fair Value Measurements and Disclosures

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs are the highest priority and consist of unadjusted quoted prices in active markets the Plan has the ability to access for identical assets and liabilities. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly (quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active and model-derived valuations whose inputs are observable or whose significant value drivers are observable). Level 3 inputs are the lowest priority and are unobservable and significant to the fair value measurement of an asset or liability.

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$7,935,065	\$ -	\$ -	\$7,935,065
Total Investments, at fair value	\$7,935,065	\$ -	\$ -	\$7,935,065

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,076,273	\$ -	\$ -	\$ 6,076,273
Total Investments, at fair value	\$ 6,076,273	\$ -	\$ -	\$ 6,076,273

5. Related Party and Party-In-Interest Transactions

The Plan invests in mutual funds and a fixed-rate group annuity contract with Empower, the trustee and issuer of the fixed-rate group annuity contract of the Plan. Participant loan and distribution processing fees are paid to Empower by participants. The Plan paid for third party administrator, investment advisor and record-keeping fees. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions which are exempt from prohibited transaction rules.

Magpul Industries Corp. 401(k) Plan

Notes to Financial Statements

6. Income Tax Status

The Company has adopted a volume submitter prototype plan, which has received an opinion letter from the Internal Revenue Service (the IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC, and therefore, the related trust is tax-exempt. The Plan has since been amended; however, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and the Plan and related trust continue to be tax-exempt; therefore, no provision for income taxes have been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

7. Concentrations, Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Additionally, the value, liquidity and related income of the investment securities are sensitive to changes in economic conditions and may be adversely affected by shifts in the market perception of the issuers and changes in interest rates. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits and participants' account balances.

As of December 31, 2023, the Empower Lifetime 2035 Fund and the Empower Lifetime 2045 Fund represented 29% and 30% of assets held by the Plan, respectively. As of December 31, 2022, the Empower Lifetime 2035 Fund and the Empower Lifetime 2045 Fund represented 35% and 30% of assets held by the Plan, respectively. See the supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2023.

8. Subsequent Events

The Plan has performed an evaluation of subsequent events through August 19, 2024, which is the date the financial statements were available to be issued. There were no events or transactions discovered during the evaluation that require recognition or disclosure in the financial statements.
