INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Interstate Oil Company Savings & Retirement Plan
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Interstate Oil Company Savings & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023, and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held at end of year, as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS & RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE 1: DESCRIPTION OF PLAN

The following description of the Interstate Oil Company Savings & Retirement Plan (the “Plan”) provides only summarized general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan was established on October 1, 1993, to provide benefits for eligible employees and the employee’s beneficiaries of InterState Oil Company (the “Plan Sponsor”). The Plan includes all eligible employees of the Plan Sponsor and excludes union, leased, and non-resident aliens. Employees of the Plan Sponsor are eligible to enter the Plan once they have completed one year and 1,000 hours of service and have attained the age of twenty-one. John Hancock is the custodian of the Plan assets. Three employees of the Plan Sponsor serve as Trustees of the Plan.

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the “Code”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2022, the Plan was amended and restated in order to update the plan document to reflect the recent legislative and regulatory changes. Additionally, the Plan was amended to allow voluntary automatic increases as of January 1st of each year of 1% of compensation up to a maximum of 8%.

Effective July 2022, the Plan Sponsor appointed John Hancock Trust Company LLC as the custodian and trustee of the Plan.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

Employee Elective Salary Deferrals

The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. Employees may voluntarily contribute a percentage of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code. Roth deferrals are permitted by the Plan.

Employer Matching Contributions

The Plan Sponsor will make a matching contribution to the account of each eligible participant in an amount equal to 25% of their contribution that is not in excess of 2% of their compensation. Each eligible participant must be employed by the Plan Sponsor on the last day of the Plan Year and complete 1,000 hours of service during the Plan year to receive a matching contribution.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Employer Profit-Sharing Contributions

Under the terms of the Plan, each year, the Plan Sponsor may contribute a discretionary profit-sharing contribution. Such a contribution will be allocated to each eligible participant on a pro rata basis. Each eligible participant must be employed by the Plan Sponsor on the last day of the Plan Year and complete 1,000 hours of service during the Plan year to receive a profit-sharing contribution. The Plan Sponsor did not make profit sharing contributions for the years ended December 31, 2023, and 2022.

Employee Rollover Contributions

Participants may make rollover contributions from another qualified plan.

Vesting

Participants are immediately fully vested in their elective salary deferrals. Participants vest in their matching contribution and profit-sharing contributions, at the rate of 20% after two years of service and 20% per year of service thereafter and are fully vested after six years.

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to self-direct their investments in one or more available investment funds. Investment earnings and losses are allocated based on the actual earnings and losses in participants' self-directed accounts. Each participant's self-directed account is credited with the participant's salary deferral, contributions, Plan Sponsor contributions, an allocation of investment gains and losses, and an allocation of certain plan expenses, as defined by the Plan. Participant accounts may be charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Retirement

Normal retirement under the Plan is the participant's 65th birthday. The plan does not have an early retirement feature.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment of the participant, 3) termination of the Plan, 4) or death of the participant. Benefit payments for death are made in a single lump sum. Distributions from the Plan after termination for reasons other than death may be made in lump sum payment, equal installments, or more frequent installments.

Hardship withdrawals are allowed on select participant accounts based on medical, educational, and certain other needs specified in the Plan.

Forfeitures

Forfeitures may be used to pay administrative expenses and reduce profit sharing contributions. At December 31, 2023 and 2022, the forfeiture balance was \$9,648 and \$4,329, respectively. No forfeitures were used to pay for plan expenses or employer contributions in 2023 or 2022.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by any outstanding loan balance.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Mutual funds, a money market fund, and common collective trusts are stated at fair market value using quoted market prices when available. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Changes in the share value of investments are reflected in each participant's self-directed account. Investments are valued daily.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Income Taxes

The Plan is a volume submitter plan which has obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2023 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

Estimates and Assumptions

The preparation of these financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN

The following amounts included in the financial statements and supplemental schedule were taken directly from statements provided and certified as complete and accurate by John Hancock Trust Company LLC, as of and for the years ended December 31, 2023, and 2022, respectively:

	2023	2022
Mutual funds	\$ 6,851,715	\$ 6,892,144
Money market fund	\$ 9,662	\$ -
Common collective trusts	\$ 2,215,720	\$ 1,380,452
Notes receivables from participants	\$ 152,795	\$ 130,294
Net appreciation (depreciation) in fair value of investments	\$ 1,337,608	\$ (1,787,154)
Interest and dividend income	\$ 150,588	\$ 186,161
Interest income, notes receivable from participants	\$ 9,200	\$ 7,788

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Underlying short-term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust funds, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023.

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,851,715	\$ -	\$ -	\$ 6,851,715
Money market fund	9,662	-	-	9,662
Common collective trusts	-	2,215,720	-	2,215,720
	<u>\$ 6,861,377</u>	<u>\$ 2,215,720</u>	<u>\$ -</u>	<u>\$ 9,077,097</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022.

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,892,144	\$ -	\$ -	\$ 6,892,144
Common collective trusts	-	1,380,452	-	1,380,452
	<u>\$ 6,892,144</u>	<u>\$ 1,380,452</u>	<u>\$ -</u>	<u>\$ 8,272,596</u>

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodian of the Plan. Fees paid by the Plan for the investment management services are recorded in net appreciation (depreciation) in fair value of investments. Fees for certain administrative expenses are paid to third party service providers of the Plan. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Plan Sponsor failed to remit certain employee contributions to the Plan in a timely manner, as defined by ERISA in the amount of \$178,948.

During the year ended December 31, 2021, the Plan Sponsor failed to remit certain employee contributions to the Plan in a timely manner, as defined by ERISA in the amount of \$67,067.

NOTE 9: FORM 5500 RECONCILIATION

The plan financial statements include differences from the Form 5500 as of December 31, 2023 and 2022 as follows:

	2023	2022
Employee contributions per Form 5500	\$ 846,599	\$ 720,340
Excess contributions refundable	(3,929)	-
Employee contributions as reported	<u>\$ 842,670</u>	<u>\$ 720,340</u>
	2023	2022
Total deductions per Form 5500	\$ 1,721,881	\$ 1,171,686
Excess contributions refundable	(3,929)	-
Total deductions as reported	<u>\$ 1,717,952</u>	<u>\$ 1,171,686</u>

NOTE 10: SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 5, 2024, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred.
