**FINANCIAL STATEMENTS,
SUPPLEMENTAL SCHEDULES AND
INDEPENDENT AUDITORS' REPORT**

DECEMBER 31, 2023

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Lipman, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Lipman, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Lipman, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lipman, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lipman, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures

- responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lipman, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lipman, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Lipman 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report, dated September 30, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE 1 DESCRIPTION OF THE PLAN

Organization

Lipman 401(k) Plan (the "Plan") is a defined contribution plan covering all eligible employees of LFC Enterprises, Inc. (the "Company" or the "Employer"). The Plan was established on January 1, 2013, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The following brief description of the Plan provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers all eligible employees of the Company as defined by the Plan Document. To participate in the Plan, employees must not be a "highly compensated employee", not be employed at LFC Agriculture, and not be covered by a collective bargaining agreement. The elective deferral agreement is effective as soon as administratively feasible following the date of entry. There are no age or service requirements.

Contributions

Participants in the Plan may contribute up to 100% of their eligible compensation, not to exceed the maximum allowed by the Internal Revenue Code (the "Code") for 2023. In addition, the Plan and the Code permit participants age 50 or over during the Plan year to make additional "catch-up contributions." Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company shall make Matching Contributions to the Plan. The Matching Contributions are based on participants' compensation and elective deferrals. Matching Contributions are made after each pay period and are made to all participants who were active at any time during the payroll period. The Company makes Matching Contributions based on the following schedule:

<u>Employee Deferral Percentage</u>	<u>Employer Matching Percentage</u>
1%	0.50%
2%	1.00%
3%	1.50%
4%	2.00%
5%	2.50%
6%	3.00%

The Company may also make Discretionary Contributions for any plan year in an amount determined by them. There were no Discretionary Contributions made in 2023.

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

For the year ended December 31, 2023, employer Matching Contributions were approximately \$403,000 and are reflected in the statement of changes in net assets available for benefits.

Investment Options

Upon enrollment, a participant may direct participant and employer contributions to any of the Plan's fund options. Participants may also redirect their contributions or exchange their existing fund account balances on any business day.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of employer contributions and Plan investment results. Allocations of employer contributions are based on participant earnings and allocations of Plan investment results and administrative expenses are based on account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Vesting

Participant's contributions, including rollover contributions, and actual earnings thereon, are 100% vested. Employer contributions and actual earnings thereon are incrementally vested over five years at 20% per year, beginning the second year of vesting service. In the event of death, total or permanent disability, or retirement, participants become fully vested in the Employer contributions.

Payment of Benefits

Upon death, disability, retirement, termination of service, or attainment of age 59.5, participants or their designated beneficiaries may receive a lump-sum payment amount equal to the vested amount of their account.

Notes Receivable from Participants

Loans were transferred from another plan, however no loans are permitted by this Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, the account of each participant will be 100% vested.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles in the United States ("GAAP").

Valuation of Investments

The Plan's investments, comprised of pooled separate accounts, mutual funds, and a common/collective trust, are stated at fair value as reported by Principal Life Insurance Company (the "Custodian") on the last business day of the Plan year.

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

The units of pooled separate accounts are valued at the Net Asset Value (the "NAV") by the Custodian. The NAV is considered as a readily determinable fair value.

Mutual funds are valued at the NAV reported in the active market where the fund is traded on a daily basis.

The common/collective trust funds are investment funds valued at the NAV of units offered by Principal Life Insurance Company.

Purchases and sales of securities are recorded on a trade-date basis. Gain or loss on sales of securities is based on average cost. Dividend income is recorded on the ex-dividend date. Interest income is recognized as earned on the accrual basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments. This consists of the realized gains or losses and the unrealized appreciation or depreciation in those investments. Investment management expenses charged to the Plan for investments in pooled separate accounts are deducted from income earned and are not separately reflected. Consequently, investment management expenses are reflected as a reduction of investment return for such investments.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded for 2023 or 2022.

Forfeitures

Forfeitures of terminated non-vested accounts are used to reduce Employer contributions.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the internal revenue service are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions in 2023 or 2022.

Benefit Payments

Benefits are recorded when paid.

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment-related expenses and record-keeping expenses are included in the net appreciation in fair value of investments. Investment management and other administrative expenses are paid directly by the Plan and are included in administrative expenses on the statement of changes in net assets available for benefits.

Subsequent Events

In accordance with Financial Accounting Standards Board Accounting Standards Codification "FASB ASC" Topic 855, *Subsequent Events*, the Plan evaluated subsequent events through July 27, 2024, the date the financial statements were available for issue.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance as permitted by Section 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians of certain Plan assets have certified as to the completeness and accuracy of the funds held by them as of December 31, 2023 and 2022, as reflected in the accompanying financial statements and supplemental schedules. Principal Life Insurance Company is the certifying entity.

NOTE 4 FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan assessed the guidelines for measuring fair value. These guidelines provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. FASB ASC 820 establishes three levels of fair value hierarchy that are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in inactive markets. Inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data are also included. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

The following methods and assumptions were used to estimate fair value of each class of assets that are recognized at fair value:

Pooled Separate Accounts

These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

Mutual Funds

The investments are public investment vehicles valued using the NAV provided by the administrator of the Fund. The NAV is based on the value of the underlying assets owned by the Fund, minus the liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common/Collective Trust

These investments are investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

As of December 31, 2023 and December 31, 2022, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2023			
	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Pooled separate accounts	\$ -	\$ 2,479,980	\$ -	\$ 2,479,980
Mutual funds	3,463,327	-	-	3,463,327
Common collective trust	-	16,889,015	-	16,889,015
	<u>\$ 3,463,327</u>	<u>\$ 19,368,995</u>	<u>\$ -</u>	<u>\$ 22,832,322</u>
	December 31, 2022			
	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Pooled separate accounts	\$ -	\$ 2,102,214	\$ -	\$ 2,102,214
Mutual funds	3,122,889	-	-	3,122,889
Common collective trust	-	15,145,300	-	15,145,300
	<u>\$ 3,122,889</u>	<u>\$ 17,247,514</u>	<u>\$ -</u>	<u>\$ 20,370,403</u>

**LIPMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE 5 INCOME TAX STATUS

The Plan is a non-standardized pre-approved profit sharing plan through Principal Life Insurance Company (Principal). The Internal Revenue Service (IRS) has determined and informed Principal by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PARTIES IN INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are funds managed by Principal Trust Company (Principal). Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation/(depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party administrator of approximately \$77,000 for record-keeping and other administrative expenses which was not covered by revenue sharing. The Plan Sponsor pays directly, any other fees related to the Plan's operations.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The Plan Sponsor has identified certain participant deferrals that were deemed to be remitted late to the Plan, and has included a Schedule H, Line 4a Supplemental

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

Schedule to this report. The financial statements are not adjusted for these late deferrals and the Plan Sponsor expects the correction to be immaterial to the Plan as a whole. They are currently working with Principal to make the corrective deposits for any lost earnings, if any.
