Independent Auditor's Report

Plan Administrator Ares Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ares Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of Ares Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) and profit-sharing plan covering substantially all employees of Ares Management LLC (the Company and Plan Administrator) who are 18 years old or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments

Effective January 1, 2022, discretionary matching contribution will be provided on a "per plan year" basis to employees actively employed on the last of the year. Effective January 3, 2022, the deferral limit for regular contributions cannot exceed 75% of the participant's eligible compensation. Effective February 21, 2022, the deferral limit for catch up contributions cannot exceed 75% of the participant's eligible compensation.

Effective July 5, 2023, participant should be employed by the Company or a related employer on the last day of the Company's fiscal year as a special continuing eligibility requirement for "true up" discretionary matching contribution.

Further, on November 9, 2023, the Plan amended its adoption agreement to incorporate the provisions of The Coronavirus Aid, Relief, and Economic Security Act (CARES act) related to the Loan Repayment Deferment effective April 21, 2020. Effective April 21, 2020 (cannot be later than December 31, 2020), repayments of Participant loans outstanding on or after March 27, 2020 that are not CARES Act Loans were deferred for Qualified Individuals in accordance with the Basic Plan Document, as amended for the CARES Act, and in accordance with the Plan's loan provisions.

Contributions

Participants may contribute pretax deferrals up to 75% of their eligible compensation or \$22,500 (limit for 2023), as defined in the Plan or the maximum amount allowable under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 (limit for 2023). The Plan requires that no more than 75% of their eligible compensation be deferred as a catch-up contribution. Participants may also elect to contribute a percentage of eligible compensation into the Plan on an after-tax basis. Participants may contribute a percentage of eligible compensation up to an annual maximum of 25%. Contributions are limited to a combined total of after-tax and pretax deferral contributions of 75%. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Company may make discretionary matching contributions subject to the approval of the Company's Board of Directors. Discretionary matching contributions, if made, will be computed by the Company based on the participants' eligible compensation deferred into the Plan each plan year. Participants must be employed as of the last day of the contribution period to be eligible for any matching contributions that may be made for that plan year. Participants do not need to satisfy this requirement on account of death, disability, or retirement during the plan year.

The Company may also make discretionary nonelective contributions in an amount to be determined by taking the appropriate legal action for each plan year. Participants must complete at least 1,000 hours of service during the plan year and be employed as of the last day of the plan year to be eligible to receive any nonelective contributions that may be made for that plan year. Participants do not need to satisfy this requirement on account of death, disability, or retirement during the plan year.

The Company contributions are invested in the same manner as the participants' contributions.

Participant Accounts

Each participant's account is credited (charged) with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with participant-directed administrative expenses, if any. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants are 100% vested in their discretionary matching contributions and earnings after three years of credited service based on a graded vesting schedule, as defined in the Plan document. Participants are 100% vested in their discretionary nonelective contributions and earnings after four years of credited service based on a graded vesting schedule, as defined in the Plan document. Additionally, each participant's account balance may become fully vested upon death or total and permanent disability.

Payment of Benefits

On termination of service due to death, disability, retirement or other allowable reasons, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or over a period of time determined by the participant. In accordance with the IRC, hardship withdrawals are allowed to satisfy an immediate and heavy financial need.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the vested balance of their account. Participants are limited to one loan at any given time. The loans are secured by the vested balance in the participants' accounts and bear interest ranging from 3.25% to 9.50% which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts

Forfeited nonvested employer contributions will be used to pay for administrative expenses of the Plan or to reduce future employer contributions. The changes in the Plan's forfeiture account balance for the years ended December 31, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Balance, January 1	\$ 309,986	\$ 191,960
Forfeitures during the year	485,537	289,563
Interest earned and other adjustments	59,214	14,062
Forfeitures used during the year:	-	-
to pay for administrative expenses	(385,653)	(183,074)
to reduce employer contributions	(89,643)	(2,525)
Balance, December 31	<u>\$ 379,441</u>	<u>\$ 309,986</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurement.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Contributions

Contributions from Plan participants', discretionary matching contributions and discretionary nonelective contributions are recorded in the year in which participant compensation is earned.

Employer and participants contribution receivable represent claims against these parties which will be settled in cash. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Paid to Participants of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses (Continued)

Investment-related expenses are included in the net appreciation (depreciation) in fair value of investments. For the years ended December 31, 2023 and 2022, \$385,653 and \$183,074, respectively, of the administrative expenses were funded through forfeitures. Further, the administrative expenses for the years ended December 31, 2023 and 2022 were reduced by certain revenue share credited to the Plan by the recordkeeper amounting to \$183,674 and \$160,073, respectively.

Reclassifications

Certain reclassifications have been made to the prior year amounts to enhance comparability with the current year presentation. The reclassifications had no impact on the previously reported statement of changes in net assets available for benefits.

NOTE 3 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, quoted prices for similar assets or liabilities in active markets and/or quoted prices for identical or similar assets or liabilities in inactive markets.

Level 2 - Inputs to the valuation methodology include inputs other than quoted prices that are observable for the asset or liability and/or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

Following are descriptions of the valuation methodologies used for assets measured at fair value.

Investments in registered investment companies: These are investments in mutual funds valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact purchases and sales at that price. The funds held by the Plan are deemed to be actively traded.

Common collective trusts: Common collective trusts are valued at fair value using the net asset value (NAV) as provided by the custodian. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. Prior to the adoption of ASU 2015-07, common collective trusts were classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active. Subsequent to the adoption of ASU 2015-07, common collective trusts are not classified within the fair value hierarchy; however, the amounts measured using NAV is disclosed to permit reconciliation of the fair value of investments to the Statements of Net Assets Available for Benefits.

Money market fund: The fair value of this investment is based on quoted market prices in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value at December 31, 2023 and 2022:

Investment Category	2023

Common collective trusts				28,856,090
Total investments at fair value				<u>\$ 285,111,123</u>

NOTE 4 INCOME TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit-Sharing Plan (pre-approved plan document) which has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document complied with the applicable requirements of the IRC. The Plan has been amended since adopting the pre-approved plan document; however, The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 6 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, were obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (FMTTC), the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate.

NOTE 6 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN (CONTINUED)

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following:

- Investments and notes receivable, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022;
- Investment information disclosed in Note 3 to the Plan's financial statements; and,
- Investments and notes receivable, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST

Certain plan investments are registered investment companies and money market funds managed by FMTC. FMTC is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Further, Fidelity Workplace Services, LLC is the recordkeeper of the Plan. Both parties are under Fidelity Investments Institutional to which net revenue share credited to and administrative fees paid by the Plan for the years ended December 31, 2023 and 2022 amounted to \$17,264 and \$29,203, respectively.

The Plan also receives services from its investment advisor, Morgan Stanley Global Banking Operations. These transactions also qualify as party-in-interest transactions. Administrative fees paid by the Plan to the investment advisor amounted to \$169,639 and \$162,765 for the years ended December 31, 2023 and 2022, respectively.

Further, the Plan also receives services related to its auditor, Vasquez & Company, LLP to which the Plan paid \$19,570 and \$19,055 for the years ended December 31, 2023 and 2022, respectively. These transactions also qualify as party-in-interest transactions.

NOTE 8 TRANSFERS OF ASSETS TO THE PLAN

In 2023, as permitted under the IRC, assets of the affiliate's retirement savings plan amounting to \$473,007, which were owned by certain participants who transferred to the Company were transferred to the Plan. No similar transaction occurred in 2022.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

Net increase (decrease) in net assets available for benefits per the financial statements	<u>\$ 111,135,093</u>	<u>\$ (39,471,313)</u>

NOTE 11 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE Act 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE Act 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans.

NOTE 11 NEW LAWS AND REGULATIONS (CONTINUED)

For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024. The Plan will implement this legislative change and plans to formally execute the required plan amendments reflecting their implementation by the deadline, which is December 31, 2026.

NOTE 12 SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2023, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through August 28, 2024, the date the accompanying financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that required recognition or additional disclosure in the financial statements.
