INDEPENDENT AUDITOR'S REPORT

To Trustees of FBD Partnership, L.P.
Wellness First Health Plan

Opinion

We have audited the accompanying financial statements of FBD Partnership, L.P. Wellness First Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of FBD Partnership, L.P. Wellness First Health Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FBD Partnership, L.P. Wellness First Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FBD Partnership, L.P. Wellness First Health Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining

sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FBD Partnership, L.P. Wellness First Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FBD Partnership, L.P. Wellness First Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plan #501

Notes to Financial Statements
December 31, 2023

Note 1 - ***Description of the Plan***

The Wellness First Health Plan provides medical, dental, life, and disability benefits covering eligible employees of the FBD Partnership, L.P. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan provides benefits (medical, hospital, surgical, major medical, prescription, dental, life, AD&D, short-term disability, long-term disability, flexible spending account) that cover permanent, full-time employees that fall within the eligibility classifications of the partnership and choose to participate following the employee waiting period. An employee becomes eligible on the first day of the month following a waiting period of 30 consecutive days of employment. The plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the plan.

The plan provided benefits through a funding arrangement that included a trust, which was funded by the plan sponsor and/or the participating employees, and with insurance to protect the plan against unpredictable excess claims. Effective at December 31, 2013, the board of directors of FBD Holdings, Inc. elected to terminate the trust. The employer will continue funding the Plan out of its general assets and with other insurance assistance. Under the plan agreement, the partnership contributes in cash to the plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees contribute to the plan in order to participate. The contribution is based on the coverage elected by the participants (i.e. single, family, etc.) and their participant class. Former members covered under COBRA make contributions to the plan for continuation of health coverage.

Medical benefits are provided on a partially self-insured basis. The plan has purchased insurance contracts to protect the plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of $100,000 for each individual covered under the medical plan. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately $2,426,960 at December 31, 2023.

Although it has not expressed the intent to do so, the partnership has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. Funds contributed to the plan are irrevocably restricted for the use and provision of benefits to company employees.

The foregoing description of the plan provides only general information. Employees should refer to the Summary Plan Description and Plan Document for a more complete description of the plan's provisions.

Note 2 - ***Summary of Significant Accounting Policies***

When applicable, quoted market prices are used to value investments. Certificates of Deposit are valued based on original cost plus accrual interest. Certificates of Deposit with a maturity of three months or less are treated as cash.

The obligation for claims incurred before the financial statement date, but not reported to the plan as of the end of year, is estimated on an overall basis based on prior loss experience, and review of claims paid subsequent to the plan year end. The obligation is determined based on the present value of the ultimate cost to settle the claims. Deficits in net assets are funded subsequent to year end through payments of claims subsequent to plan year end.

Note 3 - ***Tax Status***

The Plan has not pursued tax exempt status. However, taxable income of the Plan is defined in such a way that yields no significant tax liability for the current year.

Note 4 - ***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 5 - ***Reconciliation of Financial Statements to Form 5500***

The following is a reconciliation of net assets available for benefits per the accompanying December 31, 2023 and 2022 financial statements to the Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	$ 42,860	$ 110,289
Benefit obligations currently payable (health claims)	(42,860)	(110,289)
Net assets available for benefits per the Form 5500	$ -0-	$ -0-

Note 5 - Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2023:

Benefits paid to participants per the financial statements	$ 2,175,360
Add: Amounts payable at end of year	41,113
Less: Amounts payable at beginning of year	(64,240)
Benefits paid to participants per the Form 5500	$ 2,152,233

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2023, but not yet paid as of that date.

Note 6 - Fair Value Measurements

The fair value of financial instruments classified as assets or liabilities, including cash, prepaid expenses, insurance contributions receivable, refunds receivable, and benefit obligations approximate carrying value, principally because of the short maturity of those items.

Note 7 - Administrative Expenses

The Plan's administrative expenses consist of Third-Party Administrative fees totaling $145,620 for the year ending December 31, 2023.

Note 8 - Subsequent Events

The Plan evaluated its December 31, 2023, financial statements for subsequent events through the date of the audit report, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
