INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
CTI Foods 401(k) Plan and Trust
Southlake, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of CTI Foods 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CTI Foods 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of CTI Foods 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTI Foods 401(k) Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CTI Foods 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTI Foods 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2023, and of assets (held at end of year) as of December 31, 2023, (collectively, "supplemental schedules") are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the CTI Foods 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution retirement plan sponsored by CTI Foods Holding Co., LLC (the "Company", "Employer", or "Plan Sponsor"), to provide benefits to eligible employees, as defined in the plan documents, was established effective July 14, 2003, and restated effective January 2, 2022. Participating employers of the Plan include CTI Foods Soups LLC, CTI Foods Beans LLC, CTI Foods Kentucky LLC, CTI Foods Wilder LLC, CTI Foods King of Prussia LLC, CTI Foods Azusa LLC, CTI Services Corp and Liguria Foods LLC. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC).

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Plan Sponsor has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2023.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company has appointed the CTI Foods Holding Co., LLC Board of Directors to manage the fiduciary aspects of the operation and administration of the Plan. John Hancock Trust Company (the "Trustee") holds the Plan's assets and is responsible for making investment transactions at the direction of the Plan's participants. John Hancock Retirement Plan Services, an affiliate of the Trustee, performs recordkeeping services for the Plan and maintains participant account records and related transactions.

Eligibility

The Plan covers substantially all employees of the Company including employees covered in the Collective Bargaining Agreements ("CBAs") between Liguria Foods, Inc. and United Food and Commercial Workers AFL-CIO. The Plan allows employees not covered under the CBAs to begin making participant deferrals immediately upon hire.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility (continued)

Effective June 3, 2023, the collective bargaining agreement ("CBA") between Liguria Foods, Inc. and United Food and Commercial Workers AFL-CIO Local 6 expired ("Local 6 Production CBA"). Effective June 3, 2023, CTI Foods, Inc. d/b/a Liguria Foods LLC and United Food and Commercial Workers AFL-CIO entered into a CBA agreement Local 1155 (formerly Local 6) ("Local 1155 Production CBA"), covering all full-time hourly production, maintenance, shipping and receiving employees in the bargaining unit with more than 90 days' tenure with the Company. The agreement excludes all salaried and hourly administrative and clerical employees ("management personnel") and all part-time employees. Upon becoming eligible to participate (see below), employees are automatically enrolled in the Plan at an employee contribution rate of 1% of their compensation, unless they make an affirmative election to opt-out of participating in the Plan.

Effective August 28, 2023, Liguria Foods LLC, entered into a CBA with United Food and Commercial Workers AFL-CIO Local 1155 ("Local 1155 FSQ CBA"), covering all full-time hourly food safety quality employees in the bargaining unit with more than 90 days' tenure with the Company. The CBA excludes all salaried and hourly management personnel and all part-time employees.

Employees covered under both CBAs, must attain age 18 and complete six months of service to be eligible to participate in the Plan. The Plan allows employees covered by the CBAs to enter the Plan on the first month subsequent to the participant completing the age and service requirements.

Contributions

Eligible participants may elect to have the Company contribute up to 100% of their eligible compensation as pre-tax or after-tax (as Roth) contributions to the Plan, up to the annual contribution limits as defined by the IRC. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions subject to IRC limits. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Contributions withheld are invested in accordance with the participant's direction. Participants are also allowed to make rollover contributions received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

For the participants not covered under the CBAs, the Company made matching contributions up to 50% of the first 6% of the participant's eligible compensation. All contributions made by the Company are invested in accordance with the participant's direction.

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

For the participants covered under the Local 6 Production CBA, prior to June 3, 2023, the Company made matching contributions up to 50% of the participant's salary deferral contributions of the first 5% of the participant's eligible compensation beginning on the first month subsequent to the participant completing six months of service. To be eligible for the match, the participant must be employed on the last day of the Plan year and must have obtained 1,000 hours of service during the Plan year.

For participants covered under the Local 1155 Production CBA and Local 1155 FSQ CBA, the Company made matching contributions up to 50% of employees' salary reduction contributions on the first 6% of employees' eligible compensation. To be eligible for the match, the participant must be employed on the last day of the Plan year and must have obtained 1,000 hours of service during the plan year.

Participants covered under the Local 6 Production CBA are eligible to receive discretionary profit-sharing contributions, beginning the first month subsequent to the participant completing six months of service. Effective May 30, 2021, through June 3, 2023, the Company contributed \$15.00 per eligible employee per week.

Participants covered under the Local 1155 Production CBA are eligible to receive discretionary profit-sharing contributions, beginning the first month subsequent to the participant completing six months of service. For employees hired before June 1, 2023, the Company will contribute \$15.00 per eligible employee per week. For employees hired after June 1, 2023, the Company will make no such contribution. Participants covered under the Local 1155 FSQ CBA are not eligible to receive discretionary profit sharing contributions. All contributions made by the Company are invested in accordance with the participant's direction.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, Employer's contributions, if any, and Plan earnings, and charged with Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants not covered under the CBA, are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in discretionary Employer matching contributions, plus earnings thereon, is based on years of service. These participants vest 100% after two years.

Participants covered under the CBA are immediately vested in their voluntary contributions and in the Company's discretionary matching and profit-sharing contributions, plus earnings thereon.

1. DESCRIPTION OF THE PLAN (continued)

Forfeitures

Forfeitures may occur as a result of excess Employer contributions or forfeited non-vested Employer contributions. The Plan provides that forfeited accounts can be used to pay the Plan's administrative expenses or reduce Employer contributions. For the year ended December 31, 2023, approximately \$30,495, were used to reduce Employer contributions. The forfeiture balance totaled \$102,390 and \$77,340, respectively, as of December 31, 2023 and 2022.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding note receivable (or "loan") balance during the prior twelve month period, even if the amount has been repaid. A participant may have no more than one loan outstanding at one time. Loan terms require repayment over a period not to exceed five years unless the loan is related to the purchase of a principal residence, then the loan terms require repayment over a period not to exceed fifteen years. The loan is secured by the remaining vested balance in the participant's account and bears interest at a rate equal to prime plus 1%. Principal and interest are paid ratably through payroll deductions. All notes receivable from participants become immediately payable in the event of default, death, disability, or termination of employment. Outstanding participant loans at December 31, 2023, carry interest rates ranging from 4.25% to 9.50%, and mature at various dates through December 2028.

Payment of benefits

Distributions and withdrawals are payable to participants upon retirement, termination, attainment of age 59 ½, financial hardship, military service, disability, or to a beneficiary upon a participant's death. If a participant's account balance is less than or equal to \$5,000 upon termination, the balance is distributed immediately into an individual retirement account on behalf of the participant. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the plan documents.

Upon attaining the age of 59 ½, the participant may, while still employed by the Company, request a withdrawal from their account balance. In certain circumstances as described in the plan documents and in accordance with Internal Revenue Service ("IRS") regulations, participants may qualify for a hardship withdrawal.

Administrative expenses

Administrative expenses are generally paid by the Company, but may, at the discretion of the Plan administrator, be paid by the Plan. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and in accordance with the provisions of ERISA.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the changes therein, and disclosure of contingent liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. (Note 4)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at amortized cost, which represents the unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. If a participant ceases to make loan repayments and the participant loan is determined to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date.

Company contributions, if any, are recorded in the year they are earned and to coincide with the year in which the Company records the contribution. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received by the Trustee.

Payment of benefits

Benefits payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

Management of the Plan has evaluated subsequent events through August 21, 2024, the date the financial statements were available to be issued. The Plan was amended effective June 1, 2024, to modify the eligibility provisions to include 26 weeks as the equivalent of 6 months of service. No other subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022;
- Interest and dividend income, net appreciation in fair value of investments, and other income as shown on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023;

CTI Foods 401(k) Plan and Trust
Notes to Financial Statements
December 31, 2023 and 2022

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)
(continued)

- Investments and notes receivable from participants reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2023, ("supplemental schedule").

Accordingly, as requested by the plan administrator, the Plan's auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and the supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- *Level 1* - Quoted prices in active markets for identical assets or liabilities.
- *Level 2* - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- *Level 3* - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for fair value measurements of the Plan's investments as of December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust funds: Investments in collective investment trust funds are valued at Net Asset Value (NAV) as a practical expedient to fair value based on the value reported by the issuer. The NAV as a practical expedient is based on the fair value of the underlying assets owned, minus its liabilities, and then divided by the number of units outstanding. The collective investment trust funds held by the Plan have daily redemption frequency and no unfunded commitments.

CTI Foods 401(k) Plan and Trust
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The preceding method used to value investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 27,983,627</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,983,627</u>
Investments measured at net asset value*				<u>1,462,657</u>
				<u>\$ 29,446,284</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 24,548,735</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,548,735</u>
Investments measured at net asset value*				<u>1,509,532</u>
				<u>\$ 26,058,267</u>

*In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

CTI Foods 401(k) Plan and Trust
Notes to Financial Statements
December 31, 2023 and 2022

6. TAX STATUS

The Company has adopted the John Hancock Retirement Plan Services LLC Volume Submitter 401(k) Profit sharing Plan (the "volume submitter plan"). The Internal Revenue Service issued an opinion letter dated June 30, 2020, stating that the volume submitter plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under financial accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Trustee and its affiliates, including fee offset agreements, qualify as party-in-interest transactions.

Plan investments are managed by the Trustee or its affiliates. The Trustee provides custodial, recordkeeping, and administrative services to the Plan through its various affiliated entities. Certain fund level fees incurred by the funds in which the Plan invests such as investment management fees and shareholder services are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts. Also, the Plan sponsor pays certain fees and expenses on behalf of the Plan. The Plan is not required to reimburse the Plan sponsor for expenses paid on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023:

	<u>2023</u>	<u>2022</u>
