Houston Grand Opera, Inc. 403(b) Plan

Notes to Financial Statements for the year ended December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Houston Grand Opera, Inc. 403(b) Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established January 1, 1989. The Plan covers substantially all employees of the Houston Grand Opera, Inc. (the Opera). Covered employees are eligible to participate in the Plan upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan provides for contributions by both the participant and the Opera as follows:

Participant contributions – Participants may contribute up to 100% of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code (the Code). The Plan allows catch-up contributions, as defined by the Code, for participants who have attained the age of 50 before the close of the calendar year. Participants also may rollover any amounts they receive as distributions from a prior employer's eligible retirement plan or an individual retirement account, as defined in the Plan, and make after-tax Roth contributions to the Plan.

Employer contributions – Eligible employees, other than certain nonresident aliens who have no earned income from sources within the United States, leased employees, and employees whose employment is governed by a collective bargaining agreement, are eligible for a discretionary matching contribution after attainment of age 21 and one year of service. The Opera elected to make a discretionary employer matching contribution equal to 100% of the first 2% of a participant's compensation for 2023.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Vesting – Participants are immediately 100% vested in their account balances and have non-forfeitable rights to participant contributions, rollover contributions, employer contributions and the earnings thereon.

Participant accounts – Each participant's account is credited with the participant's contribution, related employer contributions and an allocation of the investment earnings and expenses for each fund in which their account is invested. Plan expenses not paid by the employer are allocated to each participant's account. The only benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 reduced by the highest outstanding loan balance in the preceding 12 months or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate consistent with local prevailing rates at the time the loans were initiated. Principal and interest is paid ratably through payroll deductions. All loans must be repaid within five years, unless the loan is used to purchase a primary residence, for which loan terms may range up to thirty years.

Excess contributions payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Distribution of benefits – The Plan provides for benefit distributions to plan participants or their beneficiaries, equal to the balance of their accounts upon death, disability, retirement, or other termination of employment. Participants may withdraw a portion or all of their elective participant contributions, while still employed, upon reaching the age of 59½. Additionally, participants may qualify for a hardship withdrawal of their elective participant contributions, while still employed, for the purpose of immediate and heavy financial needs, as defined in the Plan document.

Plan termination – Although it has not expressed any intent to do so, the Opera has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In case of plan termination, participants' accounts will be preserved.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 6 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions from Plan participants and the matching contributions from the Opera are recorded in the year in which the participant contributions are withheld from compensation.

Benefit payments to participants are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Opera and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are included in net appreciation in fair value of investments. Other investment-related and recordkeeping expenses paid by the Plan are included in administrative expenses.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the

reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions. Actual results could vary from the estimates that were used.

NOTE 3 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform to the listing of Section 403(b) plans that have been preapproved by the IRS. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). Plan management believes the Plan is currently operating in accordance with the requirements of the Code.

NOTE 4 – INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

NOTE 5 – INVESTMENTS

At December 31, 2023 and 2022, certain assets of the Plan were invested in mutual funds, some of which are managed by Charles Schwab Trust Bank. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

Individual investments that represent 10% or more of Plan assets as of December 31, 2023 are as follows:

Schwab 1000 Index Fund	\$1,563,577
------------------------	-------------

Individual investments that represent 10% or more of Plan assets as of December 31, 2022 are as follows:

Schwab 1000 Index Fund	\$1,093,312
Vanguard Target Retirement 2025 Fund	\$884,990
Oakmark Fund	\$672,248

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

NOTE 6 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a hierarchy that prioritizes inputs used to measure fair value. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.

- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2023 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Mutual funds	\$ 6,897,417			\$ 6,897,417
Self-directed brokerage accounts	<u>327,311</u>			<u>327,311</u>
Total assets measured at fair value	<u>\$ 7,224,728</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 7,224,728</u>

Assets measured at fair value at December 31, 2022 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Mutual funds	\$ 6,078,348			\$ 6,078,348
Self-directed brokerage accounts	<u>244,489</u>			<u>244,489</u>
Total assets measured at fair value	<u>\$ 6,322,837</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 6,322,837</u>

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at December 31, 2023 and 2022.

- *Mutual funds* are valued at the net asset value of shares held by the Plan at year end.
- *Self-directed brokerage accounts* include mutual funds which are valued at the net asset value of shares held by the account at year end and common stock and exchange-traded funds that are valued at the closing price reported on the active market on which the individual securities are traded.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

NOTE 7 – NET ASSETS AVAILABLE FOR BENEFITS

The provisions of ERISA for plan years beginning after January 1, 2009 related to 403(b) plans were amended to include an audit requirement for large plans (generally those with 100 participants or more). Prior to that time, the Opera did not routinely receive participant account records from third-party administrators. Further, the Opera’s record retention policies did not result in the maintenance of payroll records dating to the inception of the Plan. As a result, adequate documentation was not available for the Plan to verify the proper balance of net assets available for benefits at December 31, 2009, which was the first year an audit was required.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 16, 2024, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.
