INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
Zilber Ltd. Employee Savings Plan
Milwaukee, WI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Zilber Ltd. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Zilber Ltd. Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zilber Ltd. Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zilber Ltd. Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zilber Ltd. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zilber Ltd. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZILBER LTD. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A -- Description of the plan and significant accounting policies

The following description of Zilber Ltd. Employee Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The original effective date of the plan was January 1, 1991. Zilber Ltd. (the "Company" or "Employer") subsequently amended and restated the plan by adopting the Associated Trust Company, N.A. ("Associated") Non-standardized Profit Sharing/401(k) Plan effective January 1, 2022.

General

The Plan is a defined contribution plan covering all eligible employees of the Company, who are age 18 or older. The Plan has no minimum service requirement to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The Plan's federal identification number is 39-1472959, and the Plan's number is 001.

Contributions

Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The plan has an automatic escalation feature in which the deferral percentage increases by 1% each year to a maximum of 10%. The Company contributes 100% of the first \$2,000 and 50% of the next \$3,000 that a participant contributes to the Plan as a discretionary matching contribution. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

Participant accounts and "rollovers"

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's matching contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on continuous service. A participant is 100% vested ratably after five years of credited service. Participants who leave the Plan because of death or disability, as defined in the Plan, are considered 100% vested in all amounts.

NOTES TO FINANCIAL STATEMENTS

NOTE A -- Description of the plan and significant accounting policies (Continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate. Effective October 1, 2023, the Plan amended the fixed rate on notes receivable from participants from 2% over the Prime Rate to 1% over the Prime Rate (8.50% at December 31, 2023) set by the Wall Street Journal on the first business day of the month the loan is originated. Principal and interest is paid ratably through monthly payroll deductions.

Benefits

On termination of service due to death, disability, retirement (age 65), or termination of service due to other reasons, the Plan may initiate distributions if the participant does not actively request a distribution or rollover from their account. Participant accounts valued at less than \$5,000 but more than \$1,000 may be transferred to an IRA; and participant accounts valued at less than \$1,000 may be closed through a lump-sum distribution. For accounts exceeding \$5,000, the participant may elect a lump-sum distribution equal to the value of the participant's vested interest in his or her account, installments, partial lump-sum payments or may elect to defer such distribution to any valuation date subsequent to their termination; or the participant may elect to rollover the distribution to another qualified plan. The Plan permits in-service distributions at age 59½. The Plan permits hardship distributions if certain criteria are met.

Forfeited accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$25,379 and \$18,977, respectively. These accounts will be used to reduce future Company matching contributions. In 2023, employer contributions were reduced by \$30,883 from forfeited nonvested accounts, which includes the 5-year break in service forfeitures.

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note C for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A -- Description of the plan and significant accounting policies (Continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The major administrative expenses are recordkeeping and investment advisory fees. Certain other expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

Subsequent events

These financial statements have not been updated for subsequent events occurring after August 19, 2024, which is the date these financial statements were available to be issued. The plan has no responsibility to update these financial statements for events and circumstances occurring after this date.

NOTE B -- Information certified by the asset custodian and trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule at December 31, 2023 and 2022, and interest and dividends, net appreciation, other income and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Associated, the asset custodian and trustee of the Plan.

ZILBER LTD. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE C -- Fair value measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

Fair value measurements at reporting date using:				
December 31, 2023		December 31, 2022		
	Fair value	Quoted prices in active markets for identical assets (level 1)	Fair value	Quoted prices in active markets for identical assets (level 1)
Registered investment companies	\$ 29,709,122	\$ 29,709,122	\$ 25,105,181	\$ 25,105,181
Total assets in the fair value hierarchy	29,709,122	29,709,122	25,105,181	25,105,181
Investments measured at net asset value ¹	46,044,286	0	38,858,921	0
Investments at fair value	\$ 75,753,408	\$ 29,709,122	\$ 63,964,102	\$ 25,105,181

¹ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

ZILBER LTD. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE C -- Fair value measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Registered investments companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common/collective trust funds. Valued based on net asset values of the shares held by the Plan at year end. While the majority of the underlying asset values are based on quoted prices, the net asset value of the collective trust funds are not publicly quoted. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023 are reported in net appreciation in fair value of investments.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$46,044,286	n/a	Daily	90 days

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds	\$38,858,921	n/a	Daily	90 days

NOTE D -- Party-in-interest transactions

Associated is the trustee, asset custodian and recordkeeper of the Plan as of and for the year ended December 31, 2023, and is therefore designated as a fiduciary and party-in-interest. The Plan regularly invests in funds for which Associated (or its affiliates) are the issuing parties. These party-in-interest transactions and fees paid occurred in the course of ordinary business and are exempt transactions.

ZILBER LTD. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE D -- Party-in-interest transactions (Continued)

Fees were also paid by the Plan during the year for advisory services rendered by Francis Investment Counsel. These transactions also qualify as party-in-interest transactions.

Associated provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement "MSA" between the Company and Associated. Associated receives revenue from mutual fund service providers for its services.

If the revenue received by Associated from such mutual fund service providers exceeds the amount owed, Associated remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 the Plan received \$6,284 of allocated funds. The Plan or Plan Sponsor may make a payment to Associated for administrative expenses not covered by revenue sharing.

NOTE E -- Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their allocated Employer contributions.

NOTE F -- Tax status

The Employer adopted the Associated Non-standardized Profit Sharing/401(k) Plan, referred to in Note A, which obtained its latest letter on June 30, 2020 in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable sections of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE G -- Concentration of market risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

ZILBER LTD. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE H -- Plan amendments and restatement

Effective January 1, 2022 the Plan restated their adoption agreement to include certain tax and statutory changes and to add auto escalation to the Plan at 1% per year capped at 10%. There was no change in Plan eligibility, compensation, notes receivable from participants or forfeiture usage.

Effective October 1, 2023, the Plan reduced the interest rate on notes receivable from participants from the Prime Rate plus 2% to the Prime Rate plus 1%.

Effective December 31, 2023, the Plan was amended to change the participating eligibility requirement from 166 hours of service during the first 2 months of employment or 1,000 hours within 12 months to no minimum service requirement and age 20 or older to age 18 or older.

NOTE I -- Subsequent events

Effective April 1, 2024, the Plan's discretionary employer match will increase to a total match limit of \$5,500. The Company will contribute 100% of the first \$3,000 plus 50% of the next \$5,000 that a participant contributes to the Plan as a discretionary matching contribution.
