The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of September 30, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibility for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NawrockiSmith

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

NawrockiSmith

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) as of September 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Nawrocki**Smith**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE LUENETTA MILLER EOC RETIREMENT BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS

(1) Plan Description:

The following description of The Luenetta Miller EOC Retirement Benefit Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Background -

The Economic Opportunity Commission of Nassau County, Inc. (“EOC”) established the Plan to provide employees with a systematic means of saving and investing for the future. The Plan is a 403(b) defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All permissible employees of EOC, as defined in accordance with the universal availability standards are eligible to enroll on their first day of employment.

Plan Contributions -

Participants may contribute pre-tax compensation, as defined in the Plan, and Roth elective deferrals subject to the Internal Revenue Service (“IRS”) statutory limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

Employees who electively defer 3% or more of their compensation are also eligible for a nondiscretionary matching contribution made by EOC. The Board of Directors will determine the exact amount, if any, on an annual basis. The matching contribution for the year ended September 30, 2023 was 4%. Contributions are subject to certain limitations.

Vesting -

Participants are immediately vested in their contributions and actual earnings, thereon. The interest in the matching contributions will be based on years of service. Prior to normal retirement age, a participant’s interest in employer matching contributions becomes 100% vested after six years.

THE LUENETTA MILLER EOC RETIREMENT BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Participant Accounts -

All assets of the Plan are subject to participant investment direction. Accounts are segregated for the purpose of gain or loss allocations. Each participant's account is credited with the participant's contributions, EOC's matching contribution, and Plan earnings. Each participant's account is charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Payment of Benefits -

If a participant terminates employment with EOC for any reason other than death, the participant can elect to leave the vested account balance in the Plan or roll over the balance into another qualified retirement plan. Account balances with \$5,000 or less are subject to an involuntary cash out. Upon retirement, the account can be distributed in the form of a lump-sum payment. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately, or in payments for up to five years from the anniversary of the date of death. If the beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age 72.

Forfeiture Credits -

As employees leave EOC, their nonvested participant accounts are transferred to a separate cash account. EOC may opt to transfer a portion of such cash to the accounts of participants or pay administrative expenses related to the Plan. At September 30, 2023 and 2022, forfeited nonvested accounts totaled \$85,258 and \$55,197, respectively. No forfeitures were used to pay administrative expenses during the year ended September 30, 2023. Amounts used to pay administrative expenses during the year ended September 30, 2022 totaled \$30,565.

(2) Summary of Significant Accounting Policies:

Basis of Presentation -

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

THE LUENETTA MILLER EOC RETIREMENT BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Use of Accounting Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Net appreciation (depreciation) in fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded at the ex-dividend date.

Payments of Benefits -

Benefits are recorded when paid.

Expenses -

Certain expenses of maintaining the Plan are paid directly by EOC and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to participant withdrawals are included in administrative expenses and charged directly to the participant's account.

(3) Fair Value Measurements and Investments

Financial Accounting Standards Board ("FASB") guidelines on fair value measurements, establish a fair value hierarchy, which require an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

THE LUENETTA MILLER EOC RETIREMENT BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The underlying investment is a group annuity contract issued by an insurance company. The issuer determines the fair value of the contract based on deposits plus earnings at guaranteed credit rates less withdrawals and fees. Participant transactions (purchases and sales) may occur daily.

There have been no changes in the methodologies used at September 30, 2023 and 2022.

The following table represents the Plan's fair value hierarchy for investments as of September 30, 2023:

	Fair Value	Assets Measured at Net Asset Value (a)	Level 1
Mutual funds	<u>\$ 4,852,990</u>	<u>\$ -</u>	<u>\$ 4,852,990</u>
Total fair value measurements	<u><u>\$ 4,852,990</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 4,852,990</u></u>

The following table represents the Plan's fair value hierarchy for investments as of September 30, 2022:

Mutual funds	\$ 2,605,125	\$ -	\$ 2,605,125

Total fair value measurements	<u>\$ 4,233,336</u>	<u>\$ 1,628,211</u>	<u>\$ 2,605,125</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following is information regarding the investments that calculate NAV per share or its equivalent:

<u>As of September 30, 2022</u>				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust	\$ 1,628,211	N/A	Daily	N/A

(4) Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available For Benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(5) Transfer of Assets to New Trustee

Management approved the transfer of assets from Charles Schwab Bank to Mid-Atlantic Trust Company, effective September 30, 2022. Participant-level recordkeeping was transferred from The Standard to Mutual of America. The initial transfer of \$4,220,856 of plan assets was processed on October 3, 2022. The final transfer of \$13,495 was processed on November 29, 2022.

(6) Related Party Transactions and Party-in-Interest Transactions

Mid-Atlantic Trust Company is the Trustee of investments held by the Plan and Mutual of America is the recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. No fees were paid to Mid-Atlantic Trust Company during the year ended September 30, 2023. Fees paid to Mutual of America for the year ended September 30, 2023 amounted to \$9,069.

(7) Information Prepared and Certified By Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustees, Mid-Atlantic Trust Company and Charles Schwab Bank. All investments are participant-directed:

	September 30, <u>2023</u>	<u>2022</u>
Mutual funds	\$ 4,852,990	\$ 2,605,125

Net appreciation in fair value of investments	<u>\$ 185,098</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(8) Income Tax Status

The Plan has not obtained a determination letter from the IRS stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has determined and informed the Trustee by a letter dated January 21, 2020, that the prototype plan document was designed in accordance with the applicable standards of the IRC. The Plan has been amended since receiving the letter. However, the Plan Administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(9) Plan Termination

Although it has not expressed any intent to do so, EOC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Accordingly, in the event of Plan termination, participants would become 100% vested in EOC's contributions.

(10) Subsequent Events

Management of the Plan has evaluated subsequent events through August 19, 2024, which is the date these financial statements were available to be issued.
