INDEPENDENT AUDITOR'S REPORT

The Custodians of
McCormick Equipment Company, Inc. Retirement Plan
Loveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of McCormick Equipment Company, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McCormick Equipment Company, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in the Certified Investments note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McCormick Equipment Company, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McCormick Equipment Company, Inc. Retirement Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McCormick Equipment Company, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McCormick Equipment Company, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedules Required by ERISA

The supplementary schedules, as noted in the table of contents, together referred to as “supplementary information”, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MCCORMICK EQUIPMENT COMPANY, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the McCormick Equipment Company, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of McCormick Equipment Company, Inc. (the Company) who have three months of service and are age nineteen or older. Eligible employees of Performance Installations, LLC and effective February 1, 2023, Budget Door Services, LLC, are also covered under the Plan as an agreement is in place with the entity recognizing its adoption of the Plan. Employees will have the opportunity to become a participant on the first "entry date," which is the first day of the month coinciding with or next following the day the employee satisfies the requirements described above. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Participant Contributions

Each year, participants may contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document (rollovers). Participants direct the investment of their contributions into any combination of several investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Employer Contributions

The Company may make matching contributions, as well as a profit-sharing contribution to the Plan. In order to receive the profit-sharing contributions, the employee must complete 1,000 hours of service and must be employed on the last day of the year. These amounts will be determined by the Company's Board of Directors on an annual basis. For the years ended December 31, 2023 and 2022, the Company made matching contributions equal to 75% of deferrals up to 8.0% of compensation, up to a maximum match of \$3,000. There were no profit-sharing contributions for either 2023 or 2022. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan and (b) employer contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Notes receivable from participants are not allowed under this Plan.

Vesting

Participants are immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus actual earnings thereon, is based on years of service as defined in the Plan. Vesting begins upon the completion of the second year of service, and a participant is 100% vested after six years of credited service.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**Forfeitures**

If a participant is not fully vested on their termination date, the non-vested amount of their account is forfeited. Forfeitures on non-vested account balances will be used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Company, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$5,000 will receive a distribution equal to the vested portion of their account upon termination. Participants with a vested balance in excess of \$5,000 may remain in the Plan, but they may not make additional contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive contracts, which are recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company (see Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payments of benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Net Assets Available for Benefits**

Net assets available for benefits at both December 31, 2023 and 2022 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a volume submitter plan document that has been accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This document received a favorable opinion letter from the Internal Revenue Service, dated June 30, 2020. The Plan has been amended since receiving this opinion letter. A determination letter has not been received specific to the McCormick Equipment Company, Inc. Retirement Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of both December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit, nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through August 26, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at either December 31, 2023 or 2022.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023 and 2022:

December 31, 2023	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 19,343,759	\$ -	\$ -	\$ 19,343,759

December 31, 2022	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 15,618,103	\$ -	\$ -	\$ 15,618,103

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 – INVESTMENT AT CONTRACT VALUE

The Plan invests in The Standard Insurance Company Stable Asset Fund A (the Fund). The Fund is not considered a common collective trust, and it is available through a rider to the Standard's group annuity contract. Standard maintains the contributions in a general account. The Fund's contract value is a general liability against Standard on the Plan's behalf. This Fund is considered fully benefit-responsive. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The repayment of principal and interest credited to participants holding the investment is a financial obligation of The Standard Insurance Company. As the Fund is an obligation of The Standard Insurance Company, the occurrence of an event that limits the ability of the investment to transact at contract value between The Standard Insurance Company and the participant is not probable.

As described in the Summary of Significant Accounting Policies note, because the Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. The Fund is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by The Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 – INVESTMENT AT CONTRACT VALUE (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$2,925,708 and \$2,612,018, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1% and is reset quarterly. The crediting rate for the Fund was 2.78% and 2.23% at December 31, 2023 and 2022, respectively. The Standard's position is that the average yield earned by the entire fund and the actual interest rate credited to participants are the same. The contract value approximates the fair value for this Fund.

Standard may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or Federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable time period. Upon termination by Standard, a market value adjustment or other withdrawal restrictions may apply. The Plan sponsor may choose to pay the market value adjustment directly, if applicable, so that the participants' contract values are not affected.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – ERISA EXPENSE ACCOUNT

Included in the asset holding account of the Plan are contributions from the revenue sharing agreement which may be used by the Plan to pay direct expenses or allocated to the accounts of participants. As of both December 31, 2023 and 2022, the ERISA expense account balance was \$-0-. During the years ended December 31, 2023 and 2022, \$4,400 and \$8,298, respectively, of administrative expenses were offset from this account. There were no amounts from this account allocated to the accounts of participants for 2023 or 2022.

NOTE 6 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary schedules, including investments held at both December 31, 2023 and 2022, and the net appreciation (depreciation) in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 8 – FORFEITURES

For the years ended December 31, 2023 and 2022, forfeitures of \$-0- and \$19,300, respectively, were used to offset employer contributions. For both the years ended December 31, 2023 and 2022, forfeitures of \$1,000 were used to pay Plan expenses. As of December 31, 2023 and 2022, there were \$38,687 and \$22,927, respectively, in unallocated forfeitures.

NOTE 9 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a stable value fund managed by The Standard Insurance Company (The Standard) and Reliance Trust Company. The Standard Insurance Company is the record-keeper for the Plan and Reliance Trust Company is the custodian for the Plan, therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. Fees paid by the Plan are included either in administrative expenses or net appreciation (depreciation) in the fair value of investments. The Company pays directly any other fees related to the Plan's operation.

These party-in-interest transactions are exempt from the prohibited transaction rule of ERISA.

Several employees of the Company provide administrative services to the Plan, such as day to day administration and oversight. The Company does not charge the Plan for these services.

The Standard provided certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and The Standard. The Standard receives revenue from mutual fund service providers for services The Standard provides to the funds. This revenue is used to offset certain amounts owed to The Standard for its administrative services to the fund.

If the revenue received by The Standard from such mutual fund service providers exceeds the amount owed under the MSA, The Standard remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan sponsor may make a payment to The Standard for administrative expenses not covered by revenue sharing.

NOTE 10 – RECONCILIATION OF NET ASSETS WITH PARTICIPANTS' ACCOUNTS

	December 31,	
	2023	2022
Balance of Participants' Accounts	\$ 22,246,443	\$ 18,207,194
Unallocated Forfeitures	38,687	22,927
Net Assets Available for Benefits	<u>\$ 22,285,130</u>	<u>\$ 18,230,121</u>

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 12 – DELINQUENT REMITTANCES

During 2023, the Company failed to timely remit to the Plan's custodian certain participant contributions totaling \$5,285 within the period prescribed by the Department of Labor regulations. The Company intends to reimburse the Plan for the lost interest and earnings during 2024.

Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

11c Enter the Receipt Confirmation Code for the 2023 Form M-1 annual report. If the plan was not required to file the 2023 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)
