To the Trustees and Plan Management of

COPENHAGEN IMPORTS 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Copenhagen Imports 401(k) Profit Sharing Plan** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COPENHAGEN IMPORTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan

The following description of the ***Copenhagen Imports 401(k) Profit Sharing Plan*** (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- A. General** - The Plan was established October 1, 1971 and is a prototype multiemployer defined contribution 401(k) discretionary profit sharing plan (the “Prototype Plan”) covering employees of Copenhagen Imports Tucson, Inc. and Copenhagen Imports El Paso, Inc. (the “Sponsors”) who have completed at least 90 days of service and who are age 18 or older. Employees may become participants on the first day of the plan year quarter coinciding with or next following completion of the eligibility requirements which are the same for all adopting employers. Employees become eligible to participate in the discretionary profit sharing contributions on January 1 or July 1 following completion of one year of service with 1,000 hours worked and attaining age 18. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

The recordkeeper of the Plan is Empower Retirement, LLC (“Empower”). The custodian is JPMorgan Invest Holdings LLC (“JPMorgan”). Empower Annuity Insurance Company of America (“EAICA”) and Empower Trust Company (“Empower Trust”) are the trustees.

- B. Contributions** - Each participant may make salary deferral contributions from 1% to 100%, in 1% increments of his/her annual allowable compensation, not to exceed the annual deferral limit set by the Internal Revenue Code. Catch-up contributions are permitted for participants aged 50 and older. The Plan also allows participants to make rollover contributions from other qualified plans.

The Sponsors may also make discretionary non-elective profit sharing contributions to eligible participants employed by the respective Sponsor. The percentage or amount is determined annually by each of the Sponsors and is allocated based on each participant's compensation in proportion to total compensation paid to all eligible participants employed by the respective contributing Sponsor during the plan year. Participants who have completed 1,000 hours of service and are actively employed on the last day of the plan year are eligible to receive an allocation of the discretionary contribution. Also, participants terminated due to death, disability, or who reach normal retirement age are eligible to receive an allocation of the discretionary contribution.

For the year ended December 31, 2023, Copenhagen Imports Tucson, Inc. authorized a discretionary profit sharing contribution of \$100,000, which was funded subsequent to year-end with no forfeitures utilized. Additionally, for the year ended December 31, 2023, Copenhagen Imports El Paso, Inc. authorized a discretionary profit sharing contribution of \$30,000, which was funded subsequent to year-end with no forfeitures utilized.

- C. Participant accounts** - Each participant's account is credited with the participant's salary deferral, catch-up and rollover contributions, discretionary non-elective contributions and Plan earnings/losses. Plan earnings/losses are allocated based on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan (continued)

- D. Notes receivable from participants** - The Plan permits a participant to borrow up to the lesser of \$50,000 or 50% of his/her vested account balance (but not less than \$1,000) from the Plan. Loans are secured by the participant's account and bear interest at a fixed rate comparable to the rate charged by local banks at the time the loan is made. Loans are generally to be repaid over a maximum of five years and are due in full if a participant terminates employment with the Sponsors.
- E. Payment of benefits** - Benefits begin upon the earliest of retirement, termination of employment, total and permanent disability or death of the participant. The Plan permits hardship distributions under certain circumstances. The Plan also provides for age 70 ½ required minimum distributions of a specified percentage of an employee's benefits to be paid each year once that age is reached. Benefits may be paid in one lump-sum or in the form of an annuity or installments. Benefits are paid as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable.
- F. Investment options** - Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and a common collective trust stable value fund.
- G. Vesting** - Each participant is immediately vested in his/her salary deferral, catch-up, and rollover contributions, plus any earnings or losses on those contributions. Participants become vested in discretionary non-elective profit sharing contributions based on years of service as follows.

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

- H. Forfeitures** - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$27,351 and \$13,662, respectively. These accounts are available to pay Plan expenses and to offset future discretionary non-elective profit sharing contributions. During the year ended December 31, 2023, no amounts of forfeited non-vested accounts were utilized.
- I. Plan termination** - Although it has not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue contributions at any time, withdraw from the Plan, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.
- J. Administrative expenses** - Administrative expenses of the Plan may be paid by the Plan or the Sponsors, as provided in the Plan document, or out of forfeited non-vested accounts.

(2) Summary of significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The accompanying financial statements of the Plan are prepared using the accrual basis of accounting. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Management's use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Investments valuation and income recognition - Investments in mutual funds are stated at net asset values. Net asset values are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. Investments in the common collective trust are stated at net asset value, which is a practical expedient for estimating the fair values of those investments. The common collective trust has no unfunded commitments and can be redeemed daily with no redemption notice period or other redemption restrictions. Life insurance contracts are recorded at their cash surrender value as of the end of the Plan year, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis and interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments consist of the unrealized appreciation or depreciation of investments held during the year and the related gain or loss on investments sold during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued interest.

Benefits paid to participants - Benefits paid to participants are recorded in the period in which they are paid.

Risk and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent events - Plan management has evaluated subsequent events through August 30, 2024, which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or collaborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 11,972,368	\$ -	\$ -	\$ 11,972,368
Common collective trust*	-	-	-	5,902,755
Life insurance contracts	-	-	497,053	497,053
Total investments at fair value	<u>\$ 11,972,368</u>	<u>\$ -</u>	<u>\$ 497,053</u>	<u>\$ 18,372,176</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 10,221,927	\$ -	\$ -	\$ 10,221,927
Common collective trust*	-	-	-	5,894,931
Life insurance contracts	-	-	464,790	464,790
Total investments at fair value	<u>\$ 10,221,927</u>	<u>\$ -</u>	<u>\$ 464,790</u>	<u>\$ 16,581,648</u>

* Certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

COPENHAGEN IMPORTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(3) Fair value measurement (continued)

The following table summarizes the significant unobservable inputs used in the valuation techniques used for recurring fair value measurements for assets in Level 3 of the fair value hierarchy. There were no assets purchased, sold or transferred into or out of Level 3 fair value hierarchy during the year ended December 31, 2023.

Description	Fair Value	Valuation Techniques	Unobservable Inputs	Range of Rates
Life insurance contracts	\$ 497,053	Discounted cash flow	Table of Guaranteed Values as indicated in the contract	N/A
			Years 1-10: Commissioners 1958 Extended Term Insurance Table	4%
			Years > 10: Commissioners 1958 Standard Ordinary Mortality Table	4%

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain assets could result in a different fair value measurement at the reporting date.

(4) Information certified by the Plan's trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, the trustees of the Plan's assets, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Fair value of mutual funds
- Fair value of the common collective trust
- Notes receivable from participants
- Net appreciation in fair value of mutual funds and the common collective trust totaling \$1,504,524
- Interest income on notes receivable from participants
- The mutual funds, the common collective trust, and the notes receivable from participants included on the schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Party-in-interest transactions

Certain Plan investments are managed by JPMorgan the custodian as defined by the Plan and, therefore, these transactions represent party-in-interest transactions. Administrative fees paid by the Plan to JPMorgan amounted to \$1,559 for the year ended December 31, 2023.

(6) Income tax status

The Prototype Plan received an opinion letter from the IRS dated June 30, 2020, stating that the Prototype Plan was designed in accordance with applicable sections of the Internal Revenue Code. Management has not obtained an individual determination letter for the Plan. The Prototype Plan has been amended since receipt of the opinion letter. Management and the Plan Administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust remains tax-exempt at December 31, 2023 and 2022. Accordingly, no provision for income taxes has been made in the accompanying financial statements.
