INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Teamsters Local 830 Retirement Savings Plan

Opinion

We have audited the financial statements of the Teamsters Local 830 Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses and Schedule of Assets Held at End of Year, together referred to as “supplemental information”, are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TEAMSTERS LOCAL 830 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

The Teamsters Local 830 Retirement Savings Plan (the Plan) provides retirement benefits to eligible members of Teamsters Local 830 whose members are primarily employed in distribution and warehousing activities in the beer, soft drink and other industries in eastern Pennsylvania, New Jersey, and Delaware. The following brief description of the Plan is provided for general informational purposes only. Participants should refer to the plan document for more complete information.

The Plan is a multiemployer, defined contribution profit-sharing plan, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established March 13, 1974 pursuant to various collective bargaining agreements. The Administrator of the Plan is the Board of Trustees as established by the Trust Agreement.

Benefits are funded through employer contributions. Contribution rates vary and are set forth in specific collective bargaining agreements.

The employer contributions made on behalf of an individual participant and employee contributions are added to the separate account established in each participant's name for each investment option they have selected. These participant-directed investment accounts also receive a proportionate share of net income, gains and losses generated by each respective investment option. Participants may transfer amounts in their account between funds at any time.

Contributions to the Plan are invested as directed by the participant. Participants must evaluate their own investment goals and objectives and choose the account that is best suited to achieve those goals and objectives.

Prior to January 1, 1985, a participant became fully vested on a prorated basis over a five-year period. During the years 1985 to 1988, a participant became fully vested upon completion of 1,000 hours of service in a calendar year. After December 31, 1988, participants became fully vested as soon as they became a participant and had contributions made on their behalf.

Participants are eligible to receive their accumulated share when they withdraw from employment covered by a collective bargaining agreement with Teamsters Local Union No. 830; when they begin receiving a monthly pension benefit from Teamsters Local 830 Pension Plan; or when they become totally and permanently disabled. Benefits are paid by a lifetime joint and survivor annuity, fixed payments for ten years, lump-sum payment or a combination of these methods. A participant's accumulated share that is less than \$500 will be paid by the lump-sum payment method.

NOTE 1. DESCRIPTION OF PLAN (continued)

On September 26, 1997, the Trustees of the Plan amended the Agreement and Declaration of Trust establishing participant directions for investments under the Trust. The amendments allow the Trustees to delegate or assign responsibility for investments, including acquisition and disposition of assets, to participants in the plan in accordance with Section 4040(c) of ERISA. Effective January 1, 1998 the Trustees amended the Teamsters Local 830 to allow a program of pre-tax contributions by employees in accordance with section 401(k) of the Internal Revenue Code. At the time the 401(k) program took effect, an individual account was established for each employee upon receipt of contributions made by an employer, elective contributions, and any rollover contributions and investment income.

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is the highest prime rate published in the "Money Rates" section of the Wall Street Journal on the last business day of the calendar month prior to the commencement of the billing cycle in which the loan was initiated.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Investments in equity mutual funds, international equity mutual funds, fixed income mutual funds, the real estate mutual fund, and interest bearing cash are carried at fair value as provided by the investment custodian, which generally represents quoted market prices or the net asset value of the mutual fund as of the last business day of the year. The common collective trusts are carried at net asset value (NAV) as reported by the trusts. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions due and not paid prior to year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Funding Policy and Revenue Recognition - The Plan is funded by contributions from participating employers under the terms of collective bargaining agreements (CBA). Employer contributions are accounted for as exchange transactions. The employer contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due. The Plan also allows for employee contributions and rollover contributions from qualified plans. These contributions are accounted for as exchange contributions. The employee contributions are due on a weekly basis. Participants are immediately vested in all employee and rollover contributions.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. An allowance is recorded for any notes receivable from participants deemed distributed. As of December 31, 2023 and 2022, the allowance for notes receivable from participants deemed distributed totaled \$1,327,240 and \$1,343,681 respectively.

Revenue Sharing - A revenue sharing agreement is in place whereby fees are shared with the record keeper based upon a percentage of assets under management. The revenue sharing amounts received by the Plan are used to pay the participant record keeping fees and administrative expenses incurred by the Plan. The revenue sharing agreement was terminated in January 2023. For the years ended December 31, 2023 and 2022, \$138,187 and \$565,105 were paid under this revenue sharing agreement.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer contributions, rollover contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan as defined by the Trustees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries, and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits, should the Plan terminate at some future time, will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on October 6, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from Federal income tax under provisions of Section 501(a). The Plan has been amended since receiving the determination letter. However, the Trustees and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 4. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

Investment measured at net asset value (a)	<u>19,408,699</u>			
Total investments at fair value	<u>\$ 84,726,934</u>			

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2, or 3.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The unfunded commitments and redemption information are as follows at December 31, 2023 and 2022:

NOTE 6. RELATED PARTY TRANSACTIONS

The Plan has four related organizations which include the Teamsters Local 830 Pension Plan (the Pension Plan), the Teamsters Local 830 Welfare Fund (the Welfare Fund), the Teamsters Local 830 Scholarship Fund (the Scholarship Fund), and Teamsters Local Union No. 830 (the Union). These organizations are related by common trustees or officers.

The Plan shares its office facilities, office personnel, equipment and certain other expenses with the Pension Plan, the Welfare Fund, and the Scholarship Fund. The expenses are initially paid by the Pension Plan. The related organizations reimburse the Pension Plan the following month for their share of the allocable expenses. For the years ended December 31, 2023 and 2022, the operating expenses are allocated in accordance with an independent cost allocation study as follows:

	<u>2023</u>	<u>2022</u>
Pension Plan	31 %	31 %
Welfare Fund	44	44
Retirement Savings	21	21
Legal Fund	4	4

During the years ended December 31, 2023 and 2022, expenses reimbursed to the Pension Plan from the Plan totaled \$351,465 and \$377,734, respectively. At December 31, 2023 and 2022, the Plan owed \$47,263 and \$51,585, respectively, to the Pension Plan for unreimbursed operating expenses.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments and forfeitures of non-vested participant accounts are as follows:

	<u>2023</u>	<u>2022</u>
Net assets:
