Independent Auditor's Report

To the Participants and Administrator of
The Ogeechee Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Ogeechee Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE OGEECHEE GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Ogeechee Group, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution retirement plan which was established November 1, 1999, and covers employees of The Ogeechee Group, Inc. (the Company) who have been credited with ninety days of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Contributions to the Plan are made voluntarily by participating employees who elect a salary reduction which is remitted to the Plan by the Company on behalf of the participants. Participants elected contributions not to exceed \$22,500 and \$20,500 during the plan years ended December 31, 2023 and 2022, respectively. Participants who were age 50 or older before the end of the Plan year were eligible to make additional contributions up to \$7,500 and \$6,500 during the plan years ended December 31, 2023 and 2022, respectively, subject to certain Internal Revenue Service (IRS) limitations. Contributions made by the employer are determined annually by management on a discretionary basis. The Company's profit sharing contribution totaled \$311,304 and \$257,034 for the years ended December 31, 2023 and 2022, respectively, of which \$8,700 and \$6,600, respectively, was paid from the forfeiture account balance.

Participant accounts and vesting

Each participant's account is credited with the participant's contributions and with an allocation of the Company's contributions and Plan earnings. Allocations of the Company's contributions are based on participant compensation while allocations of Plan earnings are based on participant account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are vested immediately in their contributions plus actual earnings thereon and are entitled to 100% of their individual contributions upon retirement or termination. Vesting in the Company's contribution to participant accounts occurs over a period of six years as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Benefits are payable upon (a) termination of service, (b) early retirement after attainment of age 55, (c) normal retirement after attainment of age 65, (d) late retirement upon termination of service if the participant continues to work for the Company after his or her normal retirement date, or (e) death or permanent disability. A participant may elect to receive a lump sum equal to the value of his or her account or one of several annuity options which is in compliance with the Internal Revenue Code (IRC) and Regulations. The plan allows for in-service distributions when participants reach age 65 and for financial hardship withdrawals subject to Plan provisions.

Contributions receivable

Contributions receivable are based upon the timing difference between the determined contributions of the employer and employees and the receipts by the investment custodian.

Forfeitures

Forfeitures serve to reduce a participant's balance when termination occurs before the employee is fully vested in the employer contributions. Forfeited balances can be used to pay Plan expenses or employer profit sharing contributions in the year following the Plan year in which the forfeiture occurs. Unused forfeiture balances total \$5,864 and \$8,737 as of December 31, 2023 and 2022, respectively.

Investment options

Investments are participant-directed among twenty-five funds.

Participant loans

The Plan does not permit participant loans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, contributions are recognized when determined rather than when received, and expenses are recognized when incurred rather than when paid.

Valuation of investments

Investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 9 for discussion of fair value measurements. Purchases and sales of securities are recognized on their transaction dates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through August 15, 2024, the date the financial statements were available to be issued.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Company absorbs certain administrative expenses of the Plan which totaled \$25,421 and \$17,120 for the Plan years ended December 31, 2023 and 2022, respectively.

NOTE 4 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 5 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The custodian is authorized under contract provisions, and by ERISA regulations providing an administrative or statutory exemption, to invest in funds under its control. Certain Plan investments, including shares of mutual funds, are managed by Empower Retirement. These transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund.

NOTE 6 - INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated January 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that 'more likely than not' would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 - DESCRIPTION OF INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN

Effective December 31, 2020, Empower Retirement acquired the retirement plan and group insurance business of Massachusetts Mutual Life Insurance Company (MassMutual), and became the sole administrator of the retirement business. The group insurance business written by MassMutual is reinsured by Empower Annuity Insurance Company of America (EAICA).

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected to have the investment custodian of the Plan, Empower Retirement, certify as to the accuracy and completeness of certain information included in the accompanying financial statements and schedule in lieu of the Plan's independent accountants examining such information. Accordingly, the following information was certified by the investment custodian and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and supplemental schedule:

- A. Investments in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- B. Activity in the statements of changes in net assets available for benefits for the year ended December 31, 2023.
- C. Information included in the supplemental schedule, as listed in the accompanying table of contents.

NOTE 8 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Guaranteed Interest Account is a fully benefit-responsive investment and is reported at contract value in the statements of net assets available for benefits. The statement of changes in net assets available for benefits is also prepared on a contract value basis for this investment. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The benefit-responsive investment contract with MassMutual is a general account evergreen group annuity contract. MassMutual maintains the contribution in a general account. Specific securities within the general account are not attributed to the investment contract with the Plan. The Plan owns a series of guarantees that are embedded in the insurance contract. The contractual guarantees are backed up by the full faith and credit of MassMutual, the contract issuer. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MassMutual is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer and includes such factors as the investment-year method experience of the underlying contract or pool, projected levels of cash flows within the current interest rate environment, and the projected maturity of the underlying investments. Such interest rates are reviewed on a semiannual basis for resetting.

NOTE 8 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)

This contract is an unallocated insurance contract, which is credited each January 1 and July 1 for interest earned. The average yields were 3.00% and 3.20% for 2023 and 2022, respectively. The interest rate earned was 3.00% at December 31, 2023 and 2022.

Certain events may limit the ability of the Plan to transact at contract value. Such events include, but may not be limited to, a participant termination of employment due to: (i) removal of a group of participants from plan coverage as a result of temporary absence; (ii) change in position or other occurrence qualifying as a temporary break in service under the plan; (iii) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (iv) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business. Such events also include: (i) removal from the Plan of one or more groups or classifications of participants; (ii) partial or complete Plan termination; or (iii) Plan disqualification. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy follow:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 9 - FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$ -</u>	<u>\$ 9,414,238</u>	<u>\$ -</u>	<u>\$ 12,530,181</u>

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan holds investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
