INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan
New York, New York

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ogden CAP Properties, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Ogden CAP Properties, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogden CAP Properties, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ogden CAP Properties, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogden CAP Properties, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OGDEN CAP PROPERTIES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The Ogden CAP Properties, LLC 401(k) Plan (Plan) is administered by Ogden CAP Properties, LLC (Company). The following description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General

The Plan is a defined-contribution, profit sharing plan covering eligible employees of the Company and certain affiliates of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all eligible employees of the Company other than those covered under collective bargaining agreements. Eligible employees must be 21 years of age; no service requirement is necessary to participate in the Plan. Employees can enter the Plan on the first day of the following month after meeting the eligibility requirements. All employees hired on or after October 18, 2019, are automatically enrolled at a deferral rate of 6% of eligible compensation, unless the employee files the necessary opt-out documentation.

Contributions

Participants may make voluntary pretax contributions and Roth 401(k) contributions to the Plan from 1% to 100% of eligible compensation if they are over the age of 50, and 1% to 80% if under the age of 50, as defined in the Plan. The Plan accepts rollover contributions from other qualified retirement plans in accordance with ERISA, except for rollovers of after-tax contributions. Contributions are placed into the trust fund for the benefit of the Plan's participants. Contributions are subject to certain limitations as stipulated by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions in accordance with, and subject to, IRC statutory limits.

The Plan allows the Company to make safe harbor matching contributions only to those employees who contribute to the Plan, up to 100% of the first 4% of a participant's eligible earnings. The plan has made an employer contribution of \$765,527 and \$725,636 as of December 31, 2023 and 2022, respectively.

The Plan allows the Company to make nonelective contributions to the Plan at the discretion of the Company's management. If the Company makes a nonelective contribution, it is allocated to participants in proportion to a participant's eligible earnings compared to the eligible earnings of the other participants. For the years ended December 31, 2023 and 2022, there were no nonelective contributions made to the Plan.

Investment Options

Upon enrollment in the Plan, participants may direct their employee and Company contributions by percentages into any of the investment options available. Participants may change their investment options at any time.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's contribution; (b) Plan earnings, gains, or losses; and (c) charged with an allocation of administrative expenses. Allocations are based on a participant's compensation or account balances, as defined in the Plan Document.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus earnings thereon.

For calendar years 2023 and 2022, participants are immediately vested in the Company's safe harbor matching contributions. In the event of death or disability while employed, participants become 100% vested in all Company contributions and earnings thereon.

Participants may roll over all or part of their investments from, or to, the Plan. They are always 100% vested when they roll over their investments from other qualified, defined-contribution or defined-benefit plans into the Plan.

If a participant terminates employment with the Company for any other reason besides death, disability or attainment of age 65 (the Plan's normal retirement age), any nonelective contributions are subject to the vesting schedule below:

Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. Each loan is secured by the vested balance in the participant's account and bears interest at rates that are commensurate with local prevailing rates as determined by the Plan Administrator. Only two loans per participant can be outstanding at a time. Loans have a maximum term of not more than five years, unless the loan is used to acquire the borrower's principal residence, in which case the term may exceed five years up to 30 years. Principal and interest payments may be made through payroll deductions and there is no penalty for early repayment of loan balances. The interest rate on participants' loans range from 4.25% to 9.25%. The interest rate on loans to participants is the prime interest rate plus 2% for all loans issued prior to October 16, 2017. All loans issued on October 16, 2017 or later, bear interest at the prime interest rate plus 1%.

Payment of Benefits

After retirement, participants with account balances greater than \$5,000 are entitled to receive a lump-sum distribution, monthly installments, or partial withdrawals. The payment of benefits generally can be deferred to the later of age 72 or age at retirement. If a participant works beyond the normal retirement age and has not terminated employment, they may delay receiving benefit payments. Participants may be required to take minimum distributions once they attain the age of 72. Unless otherwise designated, if the participant is married, his/her spouse is the beneficiary or, if single, the participant's estate is the beneficiary. Upon termination, vested benefits can be rolled over to another qualified plan or an Individual Retirement Account (IRA), or distributed in a lump-sum payment, partial withdrawals, or an annuity. If the vested balance is \$5,000 or less, any amount exceeding \$1,000 will be distributed to an IRA or annuity for the participant's benefit. If the participant's vested balance is \$1,000 or less, participants will receive a lump-sum distribution without consent.

Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding.

In-Service Withdrawals

Participants attaining the age of 59½ may request a withdrawal of all or part of the vested portion of their account. Also, in the event a participant suffers financial hardship, as defined in the Plan, the participant may withdraw all or part of the vested portion of their account excluding the participant's elective contributions earnings and safe harbor contributions.

Retirement

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

Forfeitures

Forfeitures are allocated to either reduce administrative expenses or reduce future Company contributions. There were no forfeitures used to reduce employer contributions for the years ended December 31, 2023 and 2022. At December 31, 2023 and 2022 there was \$-0- and \$341, respectively available in the forfeitures account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Review Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document. No allowance for credit losses had been recorded as of December 31, 2023 or 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefits are recorded when paid.

Mutual Fund Fees

Investments in mutual funds may be subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Administrative Expenses and Participant Transaction Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, investment fees, and certain Plan administration fees not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Company has evaluated its subsequent events and transactions occurring after December 31, 2023, through September 4, 2024, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds/Money Market Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 input).

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

2023				
	Level 1	Level 2	Level 3	Total

Total Investments at Fair Value	<u>\$ 30,323,099</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,323,099</u>

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2023 and 2022, the Plan's investments were held by Fidelity Management Trust Company, the Trustee, and therefore, those transactions qualify as party-in-interest transactions.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participants' accounts and distributed in such a manner as the Plan Document describes. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 TAX STATUS

The Company has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, in which the IRS stated that the prototype Plan Document was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, however, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

OGDEN CAP PROPERTIES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7 TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are no audits for any periods in progress.

NOTE 8 RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS

The following is a reconciliation of net assets per Form 5500 to the financial statements as of December 31:

	<u>2023</u>	<u>2022</u>
Net Assets Available for Benefits per Financial Statements	\$ 35,361,251	\$ 31,259,915
Deemed Distributions from Plan Assets	(60,380)	(55,218)
Employer Contributions Receivable not Reflected on Form 5500	<u>(765,527)</u>	<u>(725,636)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 34,535,344</u>	<u>\$ 30,479,061</u>

The following is a reconciliation of the changes in net assets per Form 5500 to the financial statements for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Changes in Net Assets Available for Benefits per Financial Statements	\$ 3,943,909	\$ (3,866,412)
Change in Deemed Distributions from Plan Assets	(5,162)	(4,823)
Change in Employer Contributions Receivable not Reflected on Form 5500	<u>(39,891)</u>	<u>(86,053)</u>
Changes in Net Assets Available for Benefits per Form 5500	<u>\$ 3,898,856</u>	<u>\$ (3,957,288)</u>

Deemed distributions represent participant loans pending foreclosure. Per IRS regulations, all participant loans pending foreclosure related to active participants are required to be reported as Plan assets until a distributable event occurs. Accordingly, a difference occurs between net assets available for benefits per the financial statements to Form 5500 as Department of Labor regulations require loans pending foreclosure be reported as deemed distributions on Form 5500.

NOTE 9 TRANSFER OF ASSETS

On November 8, 2022 the Board of Directors authorized the merger of assets into the Plan from DC Cap Hotelier, LLC General Maintenance 401(k) Plan. On January 1, 2023, assets in the amount of \$157,427 were transferred into the Plan. Effective January 1, 2023, participants in the DC CAP Hotelier, LLC General Maintenance 401(k) Plan were eligible to participate in the plan.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events that could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan
New York, New York

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ogden CAP Properties, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Ogden CAP Properties, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogden CAP Properties, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ogden CAP Properties, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogden CAP Properties, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Participants
Ogden CAP Properties, LLC 401(k) Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OGDEN CAP PROPERTIES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The Ogden CAP Properties, LLC 401(k) Plan (Plan) is administered by Ogden CAP Properties, LLC (Company). The following description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General

The Plan is a defined-contribution, profit sharing plan covering eligible employees of the Company and certain affiliates of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all eligible employees of the Company other than those covered under collective bargaining agreements. Eligible employees must be 21 years of age; no service requirement is necessary to participate in the Plan. Employees can enter the Plan on the first day of the following month after meeting the eligibility requirements. All employees hired on or after October 18, 2019, are automatically enrolled at a deferral rate of 6% of eligible compensation, unless the employee files the necessary opt-out documentation.

Contributions

Participants may make voluntary pretax contributions and Roth 401(k) contributions to the Plan from 1% to 100% of eligible compensation if they are over the age of 50, and 1% to 80% if under the age of 50, as defined in the Plan. The Plan accepts rollover contributions from other qualified retirement plans in accordance with ERISA, except for rollovers of after-tax contributions. Contributions are placed into the trust fund for the benefit of the Plan's participants. Contributions are subject to certain limitations as stipulated by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions in accordance with, and subject to, IRC statutory limits.

The Plan allows the Company to make safe harbor matching contributions only to those employees who contribute to the Plan, up to 100% of the first 4% of a participant's eligible earnings. The plan has made an employer contribution of \$765,527 and \$725,636 as of December 31, 2023 and 2022, respectively.

The Plan allows the Company to make nonelective contributions to the Plan at the discretion of the Company's management. If the Company makes a nonelective contribution, it is allocated to participants in proportion to a participant's eligible earnings compared to the eligible earnings of the other participants. For the years ended December 31, 2023 and 2022, there were no nonelective contributions made to the Plan.

Investment Options

Upon enrollment in the Plan, participants may direct their employee and Company contributions by percentages into any of the investment options available. Participants may change their investment options at any time.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's contribution; (b) Plan earnings, gains, or losses; and (c) charged with an allocation of administrative expenses. Allocations are based on a participant's compensation or account balances, as defined in the Plan Document.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus earnings thereon.

For calendar years 2023 and 2022, participants are immediately vested in the Company's safe harbor matching contributions. In the event of death or disability while employed, participants become 100% vested in all Company contributions and earnings thereon.

Participants may roll over all or part of their investments from, or to, the Plan. They are always 100% vested when they roll over their investments from other qualified, defined-contribution or defined-benefit plans into the Plan.

If a participant terminates employment with the Company for any other reason besides death, disability or attainment of age 65 (the Plan's normal retirement age), any nonelective contributions are subject to the vesting schedule below:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	- %
At Least 1, but Less than 2	20%
At Least 2, but Less than 3	40%
At Least 3, but Less than 4	60%
At Least 4, but Less than 5	80%
5 or More	100%

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. Each loan is secured by the vested balance in the participant's account and bears interest at rates that are commensurate with local prevailing rates as determined by the Plan Administrator. Only two loans per participant can be outstanding at a time. Loans have a maximum term of not more than five years, unless the loan is used to acquire the borrower's principal residence, in which case the term may exceed five years up to 30 years. Principal and interest payments may be made through payroll deductions and there is no penalty for early repayment of loan balances. The interest rate on participants' loans range from 4.25% to 9.25%. The interest rate on loans to participants is the prime interest rate plus 2% for all loans issued prior to October 16, 2017. All loans issued on October 16, 2017 or later, bear interest at the prime interest rate plus 1%.

Payment of Benefits

After retirement, participants with account balances greater than \$5,000 are entitled to receive a lump-sum distribution, monthly installments, or partial withdrawals. The payment of benefits generally can be deferred to the later of age 72 or age at retirement. If a participant works beyond the normal retirement age and has not terminated employment, they may delay receiving benefit payments. Participants may be required to take minimum distributions once they attain the age of 72. Unless otherwise designated, if the participant is married, his/her spouse is the beneficiary or, if single, the participant's estate is the beneficiary. Upon termination, vested benefits can be rolled over to another qualified plan or an Individual Retirement Account (IRA), or distributed in a lump-sum payment, partial withdrawals, or an annuity. If the vested balance is \$5,000 or less, any amount exceeding \$1,000 will be distributed to an IRA or annuity for the participant's benefit. If the participant's vested balance is \$1,000 or less, participants will receive a lump-sum distribution without consent.

Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding.

In-Service Withdrawals

Participants attaining the age of 59½ may request a withdrawal of all or part of the vested portion of their account. Also, in the event a participant suffers financial hardship, as defined in the Plan, the participant may withdraw all or part of the vested portion of their account excluding the participant's elective contributions earnings and safe harbor contributions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Retirement

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

Forfeitures

Forfeitures are allocated to either reduce administrative expenses or reduce future Company contributions. There were no forfeitures used to reduce employer contributions for the years ended December 31, 2023 and 2022. At December 31, 2023 and 2022 there was \$-0- and \$341, respectively available in the forfeitures account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Review Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document. No allowance for credit losses had been recorded as of December 31, 2023 or 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefits are recorded when paid.

Mutual Fund Fees

Investments in mutual funds may be subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Administrative Expenses and Participant Transaction Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, investment fees, and certain Plan administration fees not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Company has evaluated its subsequent events and transactions occurring after December 31, 2023, through September 4, 2024, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds/Money Market Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 input).

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

2023				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 3,114,278			\$ 3,114,278

Total Investments at Fair Value	<u>\$ 34,285,721</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,285,721</u>

2022				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 3,341,674	\$ -	\$ -	\$ 3,341,674
Mutual Funds	26,981,425	-	-	26,981,425
Total Investments at Fair Value	<u>\$ 30,323,099</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,323,099</u>

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2023 and 2022, the Plan's investments were held by Fidelity Management Trust Company, the Trustee, and therefore, those transactions qualify as party-in-interest transactions.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participants' accounts and distributed in such a manner as the Plan Document describes. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 TAX STATUS

The Company has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, in which the IRS stated that the prototype Plan Document was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, however, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

OGDEN CAP PROPERTIES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7 TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are no audits for any periods in progress.

NOTE 8 RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS

The following is a reconciliation of net assets per Form 5500 to the financial statements as of December 31:

	<u>2023</u>	<u>2022</u>
Net Assets Available for Benefits per Financial Statements	\$ 35,361,251	\$ 31,259,915
Deemed Distributions from Plan Assets	(60,380)	(55,218)
Employer Contributions Receivable not Reflected on Form 5500	<u>(765,527)</u>	<u>(725,636)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 34,535,344</u>	<u>\$ 30,479,061</u>

The following is a reconciliation of the changes in net assets per Form 5500 to the financial statements for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Changes in Net Assets Available for Benefits per Financial Statements	\$ 3,943,909	\$ (3,866,412)
Change in Deemed Distributions from Plan Assets	(5,162)	(4,823)
Change in Employer Contributions Receivable not Reflected on Form 5500	<u>(39,891)</u>	<u>(86,053)</u>
Changes in Net Assets Available for Benefits per Form 5500	<u>\$ 3,898,856</u>	<u>\$ (3,957,288)</u>

Deemed distributions represent participant loans pending foreclosure. Per IRS regulations, all participant loans pending foreclosure related to active participants are required to be reported as Plan assets until a distributable event occurs. Accordingly, a difference occurs between net assets available for benefits per the financial statements to Form 5500 as Department of Labor regulations require loans pending foreclosure be reported as deemed distributions on Form 5500.

NOTE 9 TRANSFER OF ASSETS

On November 8, 2022 the Board of Directors authorized the merger of assets into the Plan from DC Cap Hotelier, LLC General Maintenance 401(k) Plan. On January 1, 2023, assets in the amount of \$157,427 were transferred into the Plan. Effective January 1, 2023, participants in the DC CAP Hotelier, LLC General Maintenance 401(k) Plan were eligible to participate in the plan.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events that could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
