Key Construction, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Key Construction, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Company). Employees become eligible to participate in the Plan upon hire if the Employee is age eighteen or older. Employees must have one year of service (defined as 1,000 hours) to be eligible to receive employer contributions.

Contributions - The Plan provides that active participants may make voluntary pre-tax and after tax contributions to the Plan, up to annual compensation and the maximum allowed by the Internal Revenue Code (\$22,500 for 2023) as adjusted for applicable percentages of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$7,500 for 2023). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make discretionary matching contributions up to 5% of eligible compensation. Currently, the Company's matching contribution is 50% of the first 5% of participant's eligible contributions. The Company may also make discretionary profit-sharing contributions. No profit-sharing contributions were made during the year ended December 31, 2023. Participants direct the investment of their contributions, as well as their portion of the Company's contributions, into various investment options offered by the Plan.

The Plan utilizes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant. Participants will have their deferral rates increased by 1% each year, up to a maximum deferral rate of 10%, unless the participant specifically elects otherwise.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participants' accounts is based on years of continuous service. A participant is fully vested after five years of credited service.

Normal Retirement - Normal retirement age is 60 years of age.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at a rate deemed commercially reasonable at the time of the note. Principal and interest is paid ratably through payroll deductions. Notes receivable may not exceed five years unless the note is for the purpose of purchasing a personal residence, in which case the term may be up to 20 years.

Payment of Benefits - Upon termination of service for any reason, if a participant's balance is less than \$1,000, their benefit is equal to the value of the participant's vested interest in his or her account will be distributed in a lump sum payment. If the participant's balance is between \$1,000 and \$5,000, the balance will be automatically rolled over to an individual retirement account. For balances greater than \$5,000, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in the form of a lump sum payment or installments.

Forfeitures - Forfeitures can be used to pay administrative expenses of the Plan or reduce the Company's matching contribution. At December 31, 2023 and 2022, forfeited nonvested accounts were \$1,522 and \$2,487, respectively. In 2023, \$10,440 of forfeitures were used to pay Plan administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Certain administrative expenses for the Plan are paid by the Company and are not included in these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Some investment related expenses are included in net change in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance has been recorded as of December 31, 2023 and 2022 for these notes receivable. If a participant ceases to make a loan repayment and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Reclassifications - Certain amounts from the prior year have been reclassified to conform to the current year presentation.

Subsequent Events - These financial statements considered subsequent events through September 4, 2024, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY INTRUST BANK, N.A. (UNAUDITED)

The following is a summary of the investment information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by INTRUST Bank, N.A. (Intrust), a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Intrust that information provided to the Plan Administrator by Intrust related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the fair values in Note 4, and the values in the supplemental schedule related to the following assets.

	2023	2022
Investments at fair value:		
Mutual funds	\$ 16,097,881	\$ 12,709,695
Stable value common trust funds	337,154	460,661
	<u>\$ 16,435,035</u>	<u>\$ 13,170,356</u>
Notes receivable from participants	<u>\$ 205,807</u>	<u>\$ 195,468</u>
Noninterest-bearing cash	<u>\$ 564</u>	<u>\$ 2,868</u>

Intrust also certified to the completeness and accuracy of \$2,420,104 of net change in fair value of investments and dividends and interest of \$399,983 related to the above-mentioned Plan assets for the year ended December 31, 2023.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The guidance describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds (including Money Market Funds) - These investments are valued using a quoted price in an active market.

Stable Value Common Trust Funds - These investments are valued at the Net Asset Value (NAV) of units. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the stable value common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described previously (there are no level 2 or 3 investments).

Fair Value as of December 31, 2023			
	Level 1	Not Classified	(Unaudited) Fair Value
Investments:			
Mutual funds	\$ 16,097,881	\$ --	\$ 16,097,881
Investments measured at net asset value ^(a)			
Stable value common trust funds	--	337,154	337,154
Total investments	<u>\$ 16,097,881</u>	<u>\$ 337,154</u>	<u>\$ 16,435,035</u>
Fair Value as of December 31, 2022			
	Level 1	Not Classified	(Unaudited) Fair Value
Investments:			
Mutual funds	\$ 12,709,695	\$ --	\$ 12,709,695
Investments measured at net asset value ^(a)			
Stable value common trust funds	--	460,661	460,661
Total investments	<u>\$ 12,709,695</u>	<u>\$ 460,661</u>	<u>\$ 13,170,356</u>

(a) Certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy, as allowed by U.S. accounting policies. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively.

	Fair Value 2023	Fair Value 2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value common trust funds	\$ 337,154	\$ 460,661	\$ --	Daily	12 months

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by Intrust (party-in-interest) and, therefore, these transactions qualify as party-in-interest transactions. Total fees incurred and paid directly by the Plan for investment management services and other expenses were \$68,313, including loan fees incurred and paid by participants of \$1,675. The various funds' operating expense ratios ranged from .035% to 1.08% as of December 31, 2023.

Net assets available for benefits per Form 5500	<u>\$ 16,368,259</u>	<u>\$ 13,395,309</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Change in net assets available for benefits per these financial statements	\$ 3,273,005
Less: Adjustment for benefit payments at December 31, 2023	(300,000)
Less: Adjustment for administrative expenses at December 31, 2023	(55)
Change in net assets available for benefits per Form 5500	<u>\$ 2,972,950</u>

7. TAX STATUS

The Plan adopted the INTRUST Bank, N.A. Non-Standardized Pre-Approved Profit-Sharing Plan. The Internal Revenue Service (IRS), in a letter dated June 30, 2020, has determined that this non-standardized pre-approved profit-sharing plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The non-standardized pre-approved profit-sharing plan opinion letter has been relied upon by this Plan. The Plan Administrator and the Plan's tax counsel believe the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

NOTES TO FINANCIAL STATEMENTS

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, the participants' interests in the Plan shall be fully vested.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
