Independent Auditors' Report

To the Plan Administrator, Trustees and Participants
of the Firestone Walker, Inc. 401(k) Profit Sharing Plan
Paso Robles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed audit of the accompanying financial statements of Firestone Walker, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report – Continued

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Firestone Walker, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Firestone Walker, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in

Independent Auditors' Report – Continued

the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Firestone Walker, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Firestone Walker, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Firestone Walker, Inc. 401(k) Profit Sharing Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 21, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements,

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of the Firestone Walker, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of Firestone Walker, Inc. (the Company) who are age 21 and have met the service requirement of six consecutive full calendar months and are not members of a collective bargaining unit or non-resident aliens. Employees enter the Plan on the first day of the calendar month that occurs after the employee has completed the eligibility service period. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

The custodian, Empower Trust Company, LLC and the insurance product provider, Empower Annuity Insurance Company of America (collectively Empower), have custody of the assets and certify investments, net appreciation in fair value of investments, and interest and dividends.

Contributions:

Participants may elect to contribute into the Plan up to 90 percent of their annual compensation as defined in the plan document, which is withheld from employee's pay through payroll deductions. Elective contributions may not exceed the maximum deferral limit per section 402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also designate a portion or all of the deferral contributions as Roth 401(k). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor match contribution equal to 100% of salary deferrals that do not exceed 4% of compensation, funded annually, from the date the participant was eligible to enter the Plan for deferral purposes.

The Company, in its discretion, may also make an additional matching contribution.

The Company, in its discretion, makes additional qualified non-elective profit-sharing contributions, which has a different eligibility requirement. Participants must have completed one year of service and be an active employee on the last of the Plan year to receive a discretionary profit-sharing contribution. The discretionary profit-sharing

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

contribution uses a comparability formula where each participant is its own group for purposes of testing and allocation.

All contributions are subject to certain IRS limitations.

Participant accounts:

Each participant's account is credited with the participant's contributions via salary reductions, the safe harbor matching contributions, as well as allocations of the Company's discretionary profit-sharing contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All amounts in participant accounts are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions and in the Company's safe harbor match plus actual earnings thereon. Vesting in the Company's discretionary matching or discretionary profit-sharing contribution portion of their account balance, if any, is based on years of service as follows:

<i>Years of service</i>	
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at the prime rate plus 2%, as defined. Principal and interest is paid ratably through payroll deductions.

Benefit payments and withdrawals:

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments, or partial withdrawals, provided the minimum withdraw of \$1,000. On termination of service before retirement age, if the participant's vested account does not exceed \$5,000 (\$7,000 for distributions made after December 31, 2023), a distribution may be made without consent of the participant following the close of plan year in which separation occurred, with rollover provisions for

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

balances over \$1,000. A participant may withdraw the elective deferral account balance of their account for reasons of hardship. Payments are made at the participant's election as soon as administratively feasible following severance of employment.

At December 31, 2023, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

Forfeited accounts:

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. At December 31, 2023 and 2022, the forfeiture balance was \$53,970 and \$85,373, respectively. These accounts can be used to pay for Plan administrative expenses or reduce future employer contributions. In 2023, Plan administrative fees in the amount of \$79,745 were paid from forfeited nonvested accounts.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value, if any. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian, investment advisors, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Note 4. Investments and Fair Value Measurements

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2023 and 2022.

Mutual funds (and money market funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u><i>Level 1</i></u>
Mutual funds, total investments at fair value	<u><u>\$ 21,141,214</u></u>

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u><i>Level 1</i></u>
Mutual funds, total investments at fair value	<u><u>\$ 17,679,200</u></u>

Note 5. Guaranteed Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive investment contract with Empower Annuity Insurance Company of America totaling \$890,873 and \$680,379 as of December 31, 2023 and 2022, respectively. Empower Annuity Insurance Company of America maintains the contributions in a general account - the Empower Investments Fixed Account – Series Class I. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. Empower Annuity Insurance Company of America is contractually obligated to repay the principal and specified interest for participant initiated benefit payments based on a formula established by the contract issuer may not be less than 0%.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 6. Related Party and Party-in-Interest Transactions

Empower is the recordkeeper and custodian of the Plan, and therefore fees paid for these services are party-in-interest transactions.

Nova 401(k) Associates provided third party administrative services to the Plan, and therefore, fees paid for these services are party-in-interest transactions.

MMA Securities LLC is the investment advisor and therefore, the transactions qualify as party-in-interest transactions.

Direct fees have been included in administrative expenses. If applicable, indirect fees are net against investment earnings.

Notes receivable from Plan participants and related interest income are also considered party-in-interest transactions.

These transactions are exempt from the prohibited transaction rules.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Tax Status

The Company has adopted a non-standardized pre-approved profit sharing 401(k) plan. The Internal Revenue Service has opined and informed the pre-approved plan provider by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Including any applicable amendments, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2023, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audit for any tax periods in progress.

Firestone Walker, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of the Plan Financial Statements to the Form 5500

Certain amounts included on Schedule H Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

There are no reconciling items between net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022.
