Scope and Nature of the Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Employees' Retirement Plan (Crescent Plastics, Inc./Cresline Plastic Pipe Co., Inc./Wabash Plastics, Inc./Cresline-West, Inc./Cresline-Northwest, LLC) (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 14, 2023 (in liquidation) and December 31, 2022 (in liquidation), and the related statements of changes in net assets available for benefits for the period from January 1, 2023 through November 14, 2023 (in liquidation), and for the year ended December 31, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as November 14, 2023 (in liquidation) and December 31, 2022 (in liquidation), and the related statements of changes in net assets available for benefits for the period from January 1, 2023 through November 14, 2023 (in liquidation), and for the year ended December 31, 2023 (in liquidation), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As further discussed in Note 3 to the financial statements, on September 22, 2022, the board of directors of Crescent Plastics, Inc., the Plan sponsor, resolved to terminate the Plan, and such termination became effective December 31, 2022. In accordance with accounting principles generally accepted in the United States of America, the Plan used the liquidation basis to present the 2023 and 2022 financial statements. As of November 14, 2023 and December 31, 2022, this resulted in recording \$0 and \$704,635, respectively, of net investment income expected to be earned in liquidation and \$0 and \$139,475, respectively, of estimated accrued expenses expected to be incurred in liquidation. Adjustments to liquidation basis recorded for the period from January 1, 2023 through November 14, 2023 and for the year ended December 31, 2022 totaled \$52,312 and \$565,160, respectively. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Administrative Committee
Employees' Retirement Plan
(Crescent Plastics, Inc./Cresline Plastic Pipe Co., Inc./
Wabash Plastics, Inc./Cresline-West, Inc./Cresline-Northwest, LLC)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of the Employees' Retirement Plan (Crescent Plastics, Inc./Cresline Plastic Pipe Co., Inc./Wabash Plastics, Inc./Cresline-West, Inc./Cresline-Northwest, LLC) (Plan) provides only general information. Additional information about the vesting and benefit provisions and Pension Benefit Guaranty Corporation's (PBGC) (a U.S. government agency) benefit guarantee is contained in the Plan Document and *Summary Plan Description*, which are available from the Plan administrator, Crescent Plastics, Inc.

The Plan was a defined benefit pension plan sponsored by Crescent Plastics, Inc.; Cresline Plastic Pipe Co., Inc.; Wabash Plastics, Inc.; Cresline-West, Inc.; and Cresline-Northwest, LLC (collectively referred to as the Company) for the benefit of their nonunion employees who had one year of service and were age 21 or older. The Plan was subject to provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Principal Trust Company (Principal) was the trustee of the Plan and served as Plan custodian.

The Plan was administered by the Company's administrative committee (Committee), which was comprised of top management of the Company. The Committee had overall responsibility for the operation and administration of the Plan. The Committee determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Contributions

The Company had agreed to voluntarily contribute amounts that were necessary to provide assets sufficient to meet the benefits to be paid to Plan members. The Plan had met the minimum funding requirements established by ERISA.

Pension Benefits

Participants were entitled to pension benefits beginning at normal retirement age (65) equal to .55% of the highest consecutive five-year average earnings, times years of service, to a maximum of 30 years, plus .55% of average earnings greater than covered compensation, times years of service (maximum of 30). In no event would the monthly benefit be less than \$8 times all years of credited service. The Plan permitted early retirement at ages 55 through 64 for participants who had completed 15 or more years of service; however, monthly benefits were reduced to reflect actual years of service and longer life expectancy.

The normal form of payment was a joint and survivor annuity; however, participants could elect to receive their benefits in the form of a life annuity with guaranteed payments, guaranteed payments only, level payments with social security, a joint survivor annuity or a single-sum payment.

Death and Disability Benefits

Death benefits were generally equal to accumulated pension benefits at date of death and employees who became disabled could elect normal pension benefits or reduced benefits commencing at an earlier date.

Vesting

Effective upon Plan termination on December 31, 2022, all participants became fully vested regardless of years of service. Prior to Plan termination, a participant acquired a fully vested right to an accrued benefit under the Plan if still employed on the earliest of the following dates: the date the participant reached normal retirement age, the date the participant reached early retirement age, the date the participant reached disability retirement or the date the participant was credited with five years of service. Participants who terminated before rendering five years of service forfeited their right to receive benefits.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, disclosure of contingent assets and liabilities and the actuarial present value of accumulated Plan benefits at the date of the financial statements and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's interests in the pooled separate accounts were valued at the net asset value (NAV) of the units of the pooled separate accounts. The NAV was used as a practical expedient to estimate fair value of the pooled separate accounts.

Purchases and sale of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation included the Plan's gains (losses) on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants were recorded upon distribution.

Administrative Expenses

Administrative expenses were paid by the Company or the Plan, at the Company's discretion.

Accumulated Plan Benefits

Accumulated Plan benefits (see Note 5) were those estimated future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated Plan benefits included benefits expected to be paid to:

- Retired or terminated employees or their beneficiaries
- Present employees or their beneficiaries

**Employees' Retirement Plan

Wabash Plastics, Inc./Cresline-West, Inc./Cresline-Northwest, LLC)
Notes to Financial Statements
November 14, 2023 (In Liquidation) and December 31, 2022 (In Liquidation)**

Benefits under the Plan were based on employees' highest monthly average compensation during any five consecutive years before the date as of which the benefit information is presented (the valuation date). Benefits payable under all circumstances (retirement, death, disability and termination of employment) were included, to the extent they were deemed attributable to employee service rendered to the valuation date.

Benefit payments to participants were reported upon distribution.

Note 3. Plan Termination

On September 22, 2022, the board of directors of Crescent Plastics, Inc. (the Plan sponsor) resolved to terminate the Plan, and such termination became effective December 31, 2022. Participants became 100% vested at this time. The Plan was fully liquidated during the fourth quarter of 2023. In conjunction with this liquidation, the residual amount remaining in the plan after settlement of all plan expenses and benefit obligations totaling \$5,391,718 was transferred to a qualified replacement plan (the Company's 401(k) defined contribution plan). This amount will be utilized to fund prospective 3% safe harbor contributions to the Company's 401(k) defined contribution plan over a period not to exceed seven years from the date of transfer.

In connection with the presentation of the November 14, 2023 and December 31, 2022 financial statements under the liquidation basis of accounting, the Plan recorded accrued net investment income of \$0 and \$704,635, respectively, expected to be earned in liquidation. Additionally, the Plan recorded \$0 and \$139,475, respectively, of estimated expenses expected to be incurred in liquidation as of November 14, 2023 and December 31, 2022. Adjustments to liquidation basis recorded for the period from January 1, 2023 through November 14, 2023 and for the year ended December 31, 2022, totaled \$52,312 and \$565,160, respectively.

Upon Plan termination, the net assets of the Plan were to be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- Benefits attributable to employee contributions, taking into account those paid out before termination
- Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.
- Other vested benefits insured by PBGC, up to the applicable limitations discussed below
- All other vested benefits (*i.e.*, vested benefits not insured by PBGC)
- All nonvested benefits

Certain benefits under the Plan were insured by PBGC if the Plan terminated. Generally, PBGC guarantees most vested normal age retirement benefits, early retirement benefits and certain disability and survivor's pensions. However, PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan were guaranteed at the level in effect on the date of the Plan's termination. However, there was a statutory ceiling, which was adjusted periodically, on the amount of an individual's monthly benefit that PBGC guaranteed.

Note 4. Certification of Plan Trustee

The Plan administrator had elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, a qualified institution, certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule was complete and accurate:

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 (in liquidation)
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the period from January 1, 2023 through November 14, 2023 (in liquidation) and for the year ended December 31, 2022 (in liquidation)

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5. Accumulated Plan Benefits

An independent actuary determined the actuarial present value of accumulated Plan benefits, which was the amount that results from applying actuarial assumptions to adjust the accumulated Plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The accumulated Plan benefit information as of the beginning of the Plan year was as follows:

	2023 <u>(In Liquidation)</u>
Total actuarial present value of accumulated Plan benefits (January 1, 2023)	
Vested benefits	
Participants currently receiving payments	\$ 2,687,700
Other participants	<u>32,212,892</u>
	34,900,592
Nonvested benefits	<u>-</u>
Total actuarial present value of accumulated Plan benefits	<u>\$ 34,900,592</u>

Employees' Retirement Plan
(Crescent Plastics, Inc./Cresline Plastic Pipe Co., Inc./
Wabash Plastics, Inc./Cresline-West, Inc./Cresline-Northwest, LLC)
Notes to Financial Statements
November 14, 2023 (In Liquidation) and December 31, 2022 (In Liquidation)

Changes in the actuarial present value of accumulated Plan benefits were as follows:

	2023
	(In Liquidation)
Actuarial present value of accumulated Plan benefits (January 1, 2022)	<u>\$ 27,800,720</u>
Increase (decrease) during the year attributable to	
Benefits accumulated	310,760
Increase for interest due to the decrease in the discount period	1,737,545
Benefits paid	(2,939,869)
Change in assumptions	<u>7,991,436</u>
Net decrease	<u>7,099,872</u>
Actuarial present value of accumulated Plan benefits (January 1, 2023)	<u>\$ 34,900,592</u>

Significant assumptions underlying the actuarial computations are as follows:

- Interest rate used to value liabilities: 3.00% in 2023
- Mortality basis: For 2023, Pri-2012 total dataset mortality table projected to future years with historical and assumed mortality improvement rates using the Principal Mortality Improvement Scale (Principal 2022). The Pri-2012 report contains different sets of mortality tables based on complete dataset or various subsets. The blue-collar base rate table was selected based on information provided by the Plan sponsor.

As indicated above, the Plan used a beginning of year information date with respect to the presentation of the accumulated Plan benefit obligation information. The foregoing actuarial assumptions were based on the presumption that the Plan would terminate and took into consideration the Plan termination discussed further in Note 3. During 2023, the actual amount of benefits paid and annuities purchased to settle Plan benefits upon full liquidation totaled \$31,588,866, and as noted in Note 3, the residual amount remaining in the plan after settlement of all Plan expenses and benefit obligations totaling \$5,391,718 was transferred to a qualified replacement plan.

Note 6. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions included those with fiduciaries or employees of the Plan, any person who provided services to the Plan, an employer whose employees were covered by the Plan, an employee organization whose members were covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan invested in certain funds of the Plan trustee. During the period from January 1, 2023 through November 14, 2023, the Plan paid \$139,475 of administrative fees, which were accrued as liquidation basis adjustments as of December 31, 2022. No fees for administrative services were paid by the Plan during the year ended December 31, 2022. The Company provided certain administrative services at no cost to the Plan.

Note 7. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

As of November 14, 2023 and December 31, 2022, the Plan did not hold any investments classified as Level 1, Level 2 or Level 3 within the investment hierarchy. Following is a summary of the Plan's assets measured at fair value on a recurring basis at November 14, 2023 and December 31, 2022:

	November 14, 2023 (In Liquidation)	December 31, 2022 (In Liquidation)
Investments at net asset value (A)	<u>\$ -</u>	<u>\$ 36,363,111</u>

(A) In accordance with Subtopic 820-10, certain investments that were measured at the NAV per share (or its equivalent) had not been classified in the fair value hierarchy. The fair value amounts presented in this table were intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no significant changes in the valuation techniques during the period from January 1, 2023 through November 14, 2023. The Plan had no liabilities measured at fair value on a nonrecurring basis.

Investments Measured Using the NAV per Share Practical Expedient

The following tables summarize the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022. There were no participant redemption restrictions for these investments.

Note 8. Plan Amendment

On October 14, 2022, the Plan was amended to terminate the Plan as of December 31, 2022, and to freeze the entry date and accrued benefit for participants as of December 31, 2022. In addition, the amendment provided for the transfer of any residual assets after settlement of all benefit obligations to a qualified replacement plan that is established and maintained by the Company.

Note 9. Tax Status

The Plan received a determination letter from the IRS dated January 10, 2024, stating that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, therefore, not subject to tax. The Plan administrator believes that the Plan and related trust were currently designed and were being operated in compliance with the applicable requirements of the IRC through date of liquidation.
