INDEPENDENT AUDITOR'S REPORT

To The Plan Administrator
Transhumance Inc. & Subsidiaries 401(k) Plan
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Transhumance Inc. & Subsidiaries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 4, 2023, and October 29, 2022, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended November 4, 2023, and October 29, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Transhumance Inc. & Subsidiaries 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Transhumance Inc. & Subsidiaries 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Transhumance Inc. & Subsidiaries 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Transhumance Inc. & Subsidiaries 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of November 4, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRANSHUMANCE INC. &
SUBSIDIARIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
November 4, 2023 and October 29, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of Transhumance Inc. & Subsidiaries 401(k) Plan (the "Plan") provides only summarized general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective June 3, 1997, to provide retirement benefits for employees of Transhumance Holding Company, Inc. (the "Plan Sponsor") and its subsidiaries. The Plan is a defined contribution plan covering all full-time, non-union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Principal Trust Company serves as the Plan Trustee and the custodian of the assets.

Effective July 15, 2022, the Plan was amended and restated to bring the Plan into compliance with legislative and regulatory changes and to incorporate past amendments.

Plan Year

The Plan has adopted a 52-week/53-week plan year, which ends on the Saturday closest to October 31. The Plan year corresponds with the Plan Sponsor's accounting year-end.

Eligibility

Employees of the Plan Sponsor and its participating subsidiaries are eligible to participate in the Plan. Employees are eligible to participate in the Plan on the first day of the fiscal quarter coinciding with, or next following, the date the employee commences service with the Plan Sponsor. To be eligible, an employee must be at least 18 years of age.

Vesting

Participants are 100% vested in their salary deferrals and safe harbor matching contributions. Participants become fully vested in discretionary contributions upon the completion of three years of credited service. Participants are 100% vested upon death or total and permanent disability.

Contributions

The Plan allows for the following types of contributions:

- ***Employee Salary Deferral 401(k) Contributions***
  The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code") where each eligible employee may elect to have their compensation reduced up to the maximum amount allowable, not to exceed the limits of Code Section 401(k). These contributions are subject to nondiscrimination tests prescribed by the Plan agreement. Salary deferrals include pre-tax elective deferrals and Roth after-tax elective deferrals.

- ***Qualified Non-Elective Employer Contributions (QNEC)***
  The Plan Sponsor may make a discretionary QNEC to the Plan. If made, the contribution is allocated pro rata to all non-highly compensated employees. The Plan Sponsor made no QNEC during 2023 and 2022.

- ***Employee Rollover Contributions***
  Employees may make rollover contributions from another qualified plan.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Contributions (Continued)

- ***Employer Discretionary Contributions***
  A contribution may be made at the discretion of the employer without regard to the employer's current or accumulated profits. In 2023 and 2022, the Plan Sponsor elected not to make discretionary contributions.

- ***Safe Harbor Matching Contributions***
  The Plan Sponsor will contribute safe harbor matching contributions in the form of cash or Plan Sponsor stock up to 100% of participant salary deferrals, limited to 3% of compensation, plus 50% of the excess over 3% up to 5% of compensation. Safe harbor matching contributions are made to the Plan Sponsor's Employee Stock Ownership Plan. The Plan Sponsor made matching contributions of $394,027 and $384,951 in 2023 and 2022, respectively.

Participant Accounts and Allocations

The Plan allows participants to self-direct their account balances and contributions among various investment options. Participants are allowed to direct their investments to a single fund or a combination of funds. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected. The benefit to which a participant is entitled is limited to the vested balance of their individual account.

Forfeitures

Forfeitures are first used for payment of administrative expenses and then may be used to reduce employer contributions. No forfeitures were used for payment of administrative expenses in 2023 and 2022. No forfeitures were available for payment of administrative expenses or reduction of employer contributions at November 4, 2023 and October 29, 2022.

Distributions

Vested benefits are distributable from Plan assets for hardships, in-service early distributions, upon retirement (age 65), termination, death, or disability. The manner of distribution is determined by the trustee as either: (1) a lump sum, (2) installments not to exceed five years, or (3) a combination of the above.

Participant Loans

Participant loans are not permitted.

Retirement

Normal retirement under the Plan is age 65.

Administrative Expenses

Administrative expenses are paid by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Benefit Payments

Benefits are recorded when paid.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Investment Valuation and Income Recognition

Investments in securities are stated at fair market value. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation and depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Changes in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

Income Taxes

The Plan has adopted a pre-approved plan which obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan is acceptable under Section 401 of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of November 4, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **INFORMATION CERTIFIED BY TRUSTEE**

The following amounts are included in these financial statements and were taken directly from statements provided and certified as complete and accurate by Principal Trust Company for the years ended November 4, 2023, and October 29, 2022, as follows:

	2023	2022
Mutual funds	$ 71,999	$ 877,584
Pooled separate accounts	$ 10,704,134	$ 9,871,931
Common collective trust	$ 212,757	$ 232,738
Interest, dividends, and capital gain distributions	$ 68,527	$ 63,856
Net appreciation (depreciation) in fair value of investments	$ 1,188,870	$ (2,625,013)

NOTE 4: **FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 4, 2023 and October 29, 2022.

Mutual Funds: Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. They are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and have a readily determinable fair value.

Pooled Separate Accounts: Pooled separate accounts invest mainly in mutual funds and stocks, both domestic and international. The majority of the underlying assets have Level 1 quoted pricing inputs and observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets.

Common Collective Trust: This is a stable value fund that is composed primarily of fully benefit-responsive investment contracts. It is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4: **FAIR VALUE MEASUREMENTS (Continued)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of November 4, 2023, and October 29, 2022:

	Assets at Fair Value as of November 4, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 71,999	$ -	$ -	$ 71,999
Pooled separate accounts	-	10,704,134	-	10,704,134
	71,999	10,704,134	-	10,776,133
Investments measured at net asset value	-	-	-	212,757
Total assets at fair value	$ 71,999	$ 10,704,134	$ -	$ 10,988,890

	Assets at Fair Value as of October 29, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 877,584	$ -	$ -	$ 877,584
Pooled separate accounts	-	9,871,931	-	9,871,931
	877,584	9,871,931	-	10,749,515
Investments measured at net asset value	-	-	-	232,738
Total assets at fair value	$ 877,584	$ 9,871,931	$ -	$ 10,982,253

The following tables summarize investments for which fair value is measured using the net asset value per unit practical expedient as of November 4, 2023, and October 29, 2022:

November 4, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	$ 212,757	n/a	Daily	12 months

October 29, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	$ 232,738	n/a	Daily	12 months

NOTE 5: **PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS**

Certain Plan investments are units of pooled separate accounts, and a common collective trust managed and issued by Principal Life Insurance Company, a member of the Principal Financial Group. Principal Trust Company, also a member of the Principal Financial Group, is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are recorded in net appreciation and depreciation in fair value of investments. Fees for certain administrative expenses are paid to members of the Principal Financial Group, the record keeper and third-party administrator of the Plan. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 6: **RISKS AND UNCERTAINTIES**

The Plan invests in various mutual funds, pooled separate accounts, and a common collective trust. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 7: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: **SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 11, 2024, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
