INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Metal Polishers Union Local 8A-28A
401(k) Retirement Fund

Opinion

We have audited the financial statements of the Metal Polishers Union Local 8A-28A 401(k) Retirement Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Metal Polishers Union Local 8A-28A 401(k) Retirement Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions represent supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

METAL POLISHERS UNION LOCAL 8A-28A 401(K) RETIREMENT FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

General - The following description of the Metal Polishers Union Local 8A-28A 401(k) Retirement Fund (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a multiemployer defined contribution pension participant directed 401(k) plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. It was established pursuant to a collective bargaining agreement between Metal Polishers Union Local 8A-28A and various employers.

Vesting - Generally, participants are immediately vested (100%) in their salary deferral contributions, the matching contributions, rollover contributions and earnings thereon. The participant becomes 100% vested in the employer contribution after completion of five years of credited service.

Contributions and Participant Accounts - The Plan allows for participant directed investing. Benefits are funded through employer and participant contributions. Contribution rates vary and are set forth in the collective bargaining agreements. Each participant's account is credited with the participant's contributions as well as employer contributions and allocations of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are charged \$50 quarterly for administrative fees. Contributions to the Plan are invested, as directed by the participant, in various common collective trust, mutual funds, and insurance company guaranteed investment contracts.

Benefit Payments - Participants who are actively employed are eligible for benefit withdrawal at age 59 ½ and hardship withdrawal. "Hardship", is defined as an immediate and heavy financial need of the participant for which the participant lacks other available resources. Such withdrawals are subject to specific qualification requirements.

Participant Loans - Participants may obtain loans from the vested value of their account. The maximum that may be borrowed is the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid through payroll deductions or by coupon if the participant is no longer employed by a contributing employer. Generally, terms of the loan are one to five years, unless for the purchase of a primary residence, for which the repayment terms are ten years. Interest rates are equal to the prime rate as reported in the Wall Street Journal plus 1%. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50%.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Investments are carried at fair value which generally represents the net asset value of the mutual funds as of the last business day of the year as provided by the investment company. Common collective trusts are valued at their market value on the last business day of the year as established by the trust. Short-term investments are carried at cost which approximates fair value.

Purchases and sales are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Leases - The Plan is required to recognize a right-of-use model (ROU) asset and lease liability on the statement of net assets available for benefits for all leases with a term longer than 12 months. ROU assets represents the lessee's right to control the use of the leased asset during the lease. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in the consolidated statement of activities. Lease liabilities represent the present value of the future lease payments over the expected lease term. The present value of the lease liability is determined using the incremental borrowing rate at the lease inception. Over the lease term, the Plan uses the effective interest rate method to account for the lease liability as lease payments are made and the ROU asset is amortized into expenses in a manner that results in a straight-line expense recognition in the statement of changes in net assets available for benefits. The Plan has determined the lease identified as an operating lease.

Employer Contributions - Employer contributions due but not paid at year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded. Employer contributions are accounted for as exchange transactions.

Participant Loans Receivable - Participant loans receivable is valued at unpaid principal balance plus accrued but unpaid interest.

Forfeitures - When certain terminations of participants in the Plan occur, the nonvested portion of the participant's account represents forfeiture. During the years ended December 31, 2023 and 2022, participants' forfeitures amounted to \$212,313 and \$194,760, respectively.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on April 29, 2016 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code, and was, therefore, exempt from federal income taxes under Section 501(a). The Plan's administrator and the Plan's counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. RELATED PARTY TRANSACTIONS

Identification of Related Organizations

The Plan has the following related entities with which it has transactions:

- Metal Polishers Union Local 8A-28A
- Metal Polishers Union Local 8A-28A Welfare Fund (Welfare Fund)
- Local 8A-28A Skills and Safety Training Fund
- Drywall Tapers Insurance Fund
- Drywall Tapers Annuity Fund
- Drywall Pension Fund
- Drywall Pension Building Fund
- Drywall Taping Industry Board
- Local 1974 Drywall Tapers and Pointers of Greater New York, Local 1974, IUPAT, AFL-CIO (Local 1974)

All of the above entities qualify as tax-exempt organizations. The entities listed above share common Trustees or officers with this Plan.

NOTE 5. RELATED PARTY TRANSACTIONS (continued)

Administrative Expenses

The Plan shares facilities and staff with related organizations. Joint operating expenses are initially paid by the Welfare Fund. These expenses are allocated among the funds based on a basis approved by the Trustees.

The Plan's share of common expenses totaled \$181,291 and \$182,096 for the years ended December 2023 and 2022, respectively. During the years ended December 31, 2023 and 2022, the Plan paid \$210,535 and \$236,560, respectively. As of December 31, 2023 and 2022, the Plan owed \$189,452 and \$218,696, respectively, for shared expenses.

Certain plan investments are shares of mutual funds managed by John Hancock. John Hancock is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental Schedule of Assets Held at End of Year.

Rent

On August 1, 2021, the Plan entered into a twenty year office space lease agreement with the Drywall Pension Building Fund, a wholly-owned subsidiary of the Drywall Pension Fund. See Footnote 6 for lease standard disclosure.

Revenue Sharing

A revenue sharing agreement is in place whereby fees are shared with John Hancock Retirement Plan Services based upon a percentage of assets under management. The revenue sharing amounts received by the Plan are used to pay administrative expense incurred by the Plan. For the years ended December 31, 2023 and 2022, \$154,577 and \$54,039 of other income, respectively, was paid under this revenue sharing agreement.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 6. LEASES

The Plan has an operating lease for their office space. The lease has a remaining lease term of twenty years. The Plan has elected to use the incremental borrowing rate as the discount rate for the leases.

NOTE 6. LEASES (continued)

The components of lease expense were as follows:

	<u>2023</u>	<u>2022</u>

NOTE 7. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2 or 3.

The following table put forth by level within the fair value hierarchy, the major categories of the Plan's assets measured at fair value at December 31, 2023 and 2022:

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$27,282,904	\$27,282,904	\$ -	\$ -
Money market funds	69,784	69,784	-	-
	27,352,688	<u>\$27,352,688</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	26,760,392			
Total investments	<u>\$54,113,080</u>			

*One investment accounts for 47.0% of net assets available for benefits at December 31, 2023.

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$22,029,553	\$22,029,553	\$ -	\$ -
Money market funds	69,099	69,099	-	-
	22,098,652	<u>\$22,098,652</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	27,118,266			
Total investments	<u>\$49,216,918</u>			

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2023:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2022:

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust:				
John Hancock Stable Val Fd R4	\$ 27,118,266	\$ -	Daily	None (a)

(a) Withdrawals from the John Hancock Stable Value Fund are generally permitted on a daily basis with no notice period. John Hancock may defer honoring participating plan withdrawal requests for up to 12 months. Notwithstanding such 12 month deferral, qualified participant-initiated benefit payments generally will continue to be made during such period.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9. COMMITMENTS AND CONTINGENCIES

There are various lawsuits and claims against the Plan which have arisen in the ordinary course of operations. The Plan has evaluated these claims and has provided for potential liabilities which may arise, where appropriate. In the opinion of management, based in part upon advice from counsel, these actions will not have a material adverse effect on the Plan's financial position.

NOTE 10. DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

Certain contributing employers failed to timely remit voluntary employee contributions and participant loan repayments to the Plan totaling \$1,953,790 and \$1,905,586 for the years ended December 31, 2023 and 2022, respectively. The Plan actively pursues delinquent employers as part of its collection procedures. The Plan has assessed interest on the delinquent participant contributions and loan repayments and is in the process of collecting that interest from the applicable employers. In addition, the Plan has notified the employers that they may be liable for an excise tax on these delinquent amounts. These transactions are denoted in the supplementary schedule of delinquent participant contributions.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of distributions per the accompanying financial statements to Form 5500 as of December 31, 2023:

Distributions per the financial statements	\$ 3,662,050
Deemed distributions - current	<u>(135,112)</u>
Distributions per Form 5500	<u>\$ 3,526,939</u>

NOTE 12. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 26, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
