INDEPENDENT AUDITORS' REPORT

To the Trustees and Management of
Eagle Systems, Inc. Tax
Deferred Savings Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eagle Systems, Inc. Tax Deferred Savings Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eagle Systems, Inc. Tax Deferred Savings Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eagle Systems, Inc. Tax Deferred Savings Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Systems, Inc. Tax Deferred Savings Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eagle Systems, Inc. Tax Deferred Savings Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Systems, Inc. Tax Deferred Savings Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TAX DEFERRED SAVINGS PLAN & TRUST
Notes to Financial Statements
December 31, 2023

1. DESCRIPTION OF PLAN

The following description of Eagle Systems, Inc. Tax Deferred Savings Plan & Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Eagle Systems, Inc. Tax Deferred Savings Plan & Trust was established November 1, 1989.

General

The Plan is a defined contribution plan, which was established by Eagle Systems, Inc. (the Company) effective November 1, 1989, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees who are age eighteen or older, with the exceptions of nonresident aliens and employees covered by collective bargaining agreements. Eligible participants enter the plan on the first of the month following employment. The Plan was amended and restated, effective January 1, 2022, to include a change in the Plan's eligibility requirements.

Contributions

Each year participants may contribute their annual compensation, as defined in the Plan. The maximum participant contribution is limited by the Internal Revenue Service to \$30,000 and \$27,000 for the Plan years ended December 31, 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may designate some or all of their contributions as Roth Deferral Contributions. Amounts designated as Roth Deferral Contributions are included in the participant's income for tax purposes.

The Plan includes an auto-enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan with a default deferral rate of 3% of eligible compensation. New employees are notified of this program and have 90 days to elect out of plan participation, or to make changes to the deferral rate and investment selections.

Effective January 1, 2022, the Company contributes quarterly to the Plan, on behalf of each eligible participant. The matching contribution is a discretionary percentage of the participant's salary reduction. For the years ended December 31, 2023 and 2022, the matching contribution percentage was 100%, not to exceed \$375 per quarter.

In addition, the employer may make discretionary non-elective contributions in an amount determined by the Board of Directors at the end of each Plan year. Participants must complete 501 hours of service during the Plan year and be employed on the last day of the Plan year to be eligible to receive a non-elective contribution. There were no employer non-elective contributions for the years ending December 31, 2023 and 2022.

Participant Accounts

Each participant's account is self-directed and is credited with the participant's contribution and an allocation of (a) the employer contributions, and (b) plan earnings according to the available investment options selected by each participant. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan is intended to satisfy ERISA Section 404(c).

Vesting

A participant is immediately 100% vested in all employee contributions and any earnings on those contributions. Vesting in the Company's contributions is based on years of continuous service. Employer matching contributions, discretionary contributions and earnings on those contributions are subject to a 6-year vesting schedule for employer matching and profit-sharing contributions.

Regardless of the above vesting schedule, a participant group that was terminated in 2015 became 100% vested, and Service Contract Act participants subject to wage determination are 100% vested in their matching contributions.

Forfeitures

Forfeitures may be used to reduce employer contributions or to pay plan expenses. At December 31, 2023 and 2022, the forfeited nonvested accounts totaled \$97,373 and \$96,572, respectively. These amounts will be used to reduce future employer contributions or to pay future plan expenses. During the year ending December 31, 2023 and 2022, forfeited amounts totaling \$36,384 and \$23,123, respectively, were used for these allowed purposes, and forfeited amounts totaling \$0 and \$25,000, respectively, were reallocated to participants' accounts.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are calculated based on the current prime rate plus 1% at the time of each loan's origination. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant is entitled to receive a lump-sum amount equal to the value of his or her vested interest. Forfeiture of a participant's nonvested interest will occur when a participant incurs a break-in-service. The Plan allows for in-service withdrawals as soon as a participant reaches 59 and ½ years of age.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Plan Expenses

The costs of administering the Plan are shared between the participants and the plan sponsor. Administrative fees may be paid quarterly by the plan sponsor; or, these fees may be deducted from participants' accounts, in proportion to each participant's assets over total plan assets. Administrative fees related to participant loans and distributions are deducted from the participant's plan balance.

Tax Status

During 2022, Plan management adopted the most recent adoption agreement for the volume submitter plan. The significant change to the Plan as a result of this revised adoption agreement was to remove the

requirement that a participant had to be employed on the last day of the plan year to receive an employer matching contribution.

The Plan obtained its latest determination letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan's federal tax returns are generally subject to examination by the Internal Revenue Service for three years after the date they are filed.

2. ***SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting. Under this method of accounting, revenue is recognized when earned, and expenses are recognized when the related goods or services are received.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. An allowance for loan losses has been estimated at the balance of deemed distributions plus accrued interest, which is \$76,208 and \$53,217 for the years ending December 31, 2023 and 2022, respectively.

Investment and Participant Loan Valuation and Income Recognition

The Plan's investments are stated at fair value. See Note 3 for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Participant loans are valued at their outstanding balances, which approximate fair value.

The Key Guaranteed Portfolio Fund consists of investment-grade fixed annuities seeking to achieve consistent returns and is reported at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. Principal and interest are fully guaranteed by the entire general account assets of Great-West Life & Annuity Insurance Company.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

3. ***FAIR VALUE MEASUREMENTS***

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The following is a description of the valuation methodologies used for assets measured at fair value in the accompanying statements of net assets available for benefits:

Level 1 Fair Value Measurements

Mutual funds - Valued at the daily published market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

Level 2 Fair Value Measurements

General account: The general account is a deposit administration account through an investment contract with an insurance company that is non-fully benefit-responsive. Interest is credited to the general account using a current rate. The general account is reported at estimated fair value representing contributions and transfers made to the account, plus earnings, less participant withdrawals and transfers and administrative expenses. The forfeiture account is invested in the general account product of Empower Annuity Insurance Company of America.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at Fair Value

	Level 1	Level 2	Level 3	Total
December 31, 2023				
Mutual funds	\$ 35,047,867	\$ -	\$ -	\$ 35,047,867
General Account: Annuities	-	3,633,255	-	3,633,255
General Account: Forfeiture	-	97,373	-	97,373
Total interest in investments	\$ 35,047,867	\$ 3,730,628	\$ -	\$ 38,778,495
December 31, 2022				
Mutual funds	\$ 29,344,671	\$ -	\$ -	\$ 29,344,671
General Account: Annuities	-	3,591,173	-	3,591,173
General Account: Forfeiture	-	96,572	-	96,572
Total interest in investments	\$ 29,344,671	\$ 3,687,745	\$ -	\$ 33,032,416

Realized gain/(loss) of \$379,873 included in the changes in net assets available for benefits for the year ended December 31, 2023, are reported as a component of total investment income. For the year ending December 31, 2023, the net appreciation in the fair value of the investments consists of appreciation of \$4,669,383 from investments in mutual funds.

4. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following investment information was certified by the Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and was not subjected to any auditing procedures except for comparing it to information included in the Plan's financial statements and supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year):

- a. Total investments as shown in the accompanying statements of net assets available for benefits of \$38,788,495 as of December 31, 2023 and \$33,032,416 as of December 31, 2022.

- b. Total investment income as shown in the accompanying statement of changes in net assets available for benefits of \$1,972,504.
- c. Net appreciation in fair value of investments shown in the accompanying statement of changes in net assets available for benefits of \$4,669,383.
- d. Total notes receivable from participants as shown in the accompanying statement of net assets available for benefits of \$416,348 as of December 31, 2023, and \$422,913 as of December 31, 2022.
- e. All investment-related information in the accompanying supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023.

5. RELATED PARTY TRANSACTIONS AND CONCENTRATIONS OF RISK

Certain Plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, who are trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The Form 5500 for the Plan is filed using the cash basis of accounting and reports the net assets available for benefits at fair value. Form 5500 does not include receivables for employer matching contributions.

The following is a reconciliation of employer contributions per the financial statements to Schedule H of Form 5500 for the year ending December 31, 2023:

Employer Contributions per the financial statements	\$ 288,126
Plus: 2022 Employer Receivable	50,207
Less: 2023 Employer Receivable	<u>(72,591)</u>
Employer Contributions per Schedule H of Form 5500	<u>\$ 265,742</u>

The following is a reconciliation of participant loans per the financial statements to the balance Schedule H of Form 5500 for the year ending December 31, 2023:

Loans to Participants per the financial statements	\$ 416,348
Less: Deemed Distributions	<u>(76,208)</u>
Participant Loans per Schedule H of Form 5500	<u>\$ 340,140</u>

7. SUBSEQUENT EVENTS

Management has considered and evaluated subsequent events through August 26, 2024, the date the financial statements were available to be issued.
