Report of Independent Auditors

To the Plan Participants and the Plan Administrator of Elevance Health 401(k) Plan

Opinion

We have audited the financial statements of Elevance Health 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions,

including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Elevance Health 401(k) Plan
Notes to Financial Statements
December 31, 2023

1. Description of the Plan

The following description of the Elevance Health 401(k) Plan (the “Plan”) provides only general information. More detailed information concerning the Plan may be found by consulting the summary plan description, which is available from the Plan Administrator, the Retirement Committee of ATH Holding Company, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

General

The Plan is a defined contribution plan which was established to provide savings opportunities for eligible employees of Elevance Health, Inc. (“Elevance Health”) and certain of its subsidiaries (the “Participating Employers”). Employees of the Participating Employers are generally eligible to participate 30 days after their date of hire. The Plan Sponsor is ATH Holding Company, LLC, a wholly owned subsidiary of Elevance Health. Fidelity Management Trust Company is the trustee of the Plan and Fidelity Workplace Services LLC is the recordkeeper of the Plan (collectively, “Fidelity”).

Plan Mergers and Transfers

Effective January 1, 2023, the IEC Group 401(k) Plan (“AmeriBen Plan”) was merged into the Plan. As a result of the merger, net assets available for benefits of approximately \$30.8 million were transferred from the AmeriBen Plan to the Plan. In addition, other transfers of a lesser extent also occurred during 2023.

Participant Accounts

Individual accounts are maintained by the Plan for each eligible employee who participates in the Plan. Each participant’s account is credited with the participant’s contributions, rollover contributions, allocations of the Plan Sponsor’s contributions, and an allocation of investment earnings or losses, reduced by participant withdrawals and certain administrative fees. The investment of participant accounts is participant-directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Contributions

Participants may make voluntary contributions of 1% to 80% of eligible compensation, as defined in the Plan document, subject to limitations imposed by applicable Internal Revenue Service (“IRS”) regulations. Participants may make pretax contributions to a traditional 401(k) account, after-tax contributions to a Roth 401(k) account or a combination of the two through automatic payroll deduction. Participants are automatically enrolled in the Plan at an initial pretax deferral rate of 6%, with an annual automatic increase of the rate of 1%, up to 15% of compensation, unless the participant directs otherwise.

The Plan Sponsor provides a matching contribution of 100% of the first 4% of the participant's eligible compensation contributed in participant pretax or Roth contributions, then 50% of the next 2% of the participant's eligible compensation contributed, for a total potential Plan Sponsor matching contribution of 5%. The Plan Sponsor matching contribution is contributed as a pretax contribution. The Plan permits additional Plan Sponsor discretionary contributions to be made, but no such discretionary contributions were made during the 2023 plan year.

Participants who attain age 50 by the end of the plan year may elect to contribute additional “catch up” contributions to their account beyond the regular annual IRS limit, in accordance with applicable laws and the Plan's terms. Catch-up contributions are eligible for matching contributions.

Elevance Health 401(k) Plan
Notes to Financial Statements (continued)

Rollover Contributions

The Plan may accept rollover contributions. Rollover contributions represent distributions received from other qualified retirement plans, as defined in section 401(a)(31)(E) of the Internal Revenue Code (the "Code"), including any such distributions contributed via a "conduit" individual retirement account. Distributions from other plans are subject to certain conditions to be eligible for rollover into the Plan.

Vesting

Participants have a vested interest in the Plan Sponsor match after completing a two-year period of service. Nonvested account balances of terminated employees are forfeited (subject to reinstatement upon reemployment as required by applicable law and the Plan's terms).

Investments

Participants direct their elective contributions and employer matching contributions into various investment options offered by the Plan, including target date funds, several mutual and collective investment trust funds, all of which are subject to change from time to time by the Plan Administrator, and the Elevance Health Stock Fund, which is provided for in the Plan document and overseen by an independent fiduciary. The Plan also provides access to a self-directed brokerage window. The Plan's qualified default investment alternative (the applicable target date fund based on the year the participant attains age 65) applies to any amounts for which a participant has not made an affirmative investment election.

Benefit Payments and Withdrawals

A participant may make a withdrawal of voluntary after-tax contributions made to a traditional 401(k) account prior to January 1, 2012, or take a qualified distribution of Roth 401(k) contributions, as defined by the IRS, at any time. Additionally, after attaining age 59½, a participant may withdraw participant and Plan Sponsor matching contributions for any reason.

An active participant in the Plan may make an in-service hardship withdrawal of amounts held in the participant's account attributable to the participant's contributions, rollovers, pre-2006 employer match, and income allocated to the contributions account. The in-service hardship withdrawal must be necessary to satisfy an immediate and heavy financial need of the participant due to one of six causes specified by the Plan.

Upon termination of employment, the participant is entitled to receive the fully vested current value of his or her account. If the current value of the vested account is \$1,000 or less, the account is paid in a lump-sum payment. If the vested account value is \$1,000 or more, but less than \$5,000, the account will be rolled over into an IRA unless the participant elects otherwise. If the vested account value is \$5,000 or more, the account will remain in the Plan unless the participant elects otherwise. The participant may elect to have the entire portion, if any, of the account held in the Elevance Health Stock Fund paid in whole shares of Elevance Health common stock, with fractional shares and any uninvested funds paid in cash. Distribution of participant accounts must commence by the later of retirement or the latest date permitted under the Code Section 401(a)(9), as amended by federal legislation known as the SECURE Act and SECURE 2.0 (including regulatory guidance issued thereunder). Upon death, payments are made to the participant's beneficiary in the form of a lump-sum payment or in installments.

Notes Receivable from Participants

Participants may request a loan not in excess of the lesser of: (1) 50% of the vested account balance, or (2) \$50,000, less the highest outstanding loan balance during the preceding year. A participant may not have more than two loans outstanding at any one time and must wait 30 days from when a loan is paid off before requesting a new loan. Repayment of loans shall not exceed five years, except for loans used to acquire the participant's principal residence. Each loan bears interest in accordance with the Plan's loan policy and applicable regulations. Repayments are made by payroll deduction or remitted directly to Fidelity.

Elevance Health 401(k) Plan
Notes to Financial Statements (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan. The Plan Sponsor may bear certain costs associated with administering the Plan; these costs are not included in the accompanying financial statements and constitute exempt party-in-interest transactions. Certain transaction fees, such as those related to loan processing, are paid from individual participant accounts. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Forfeitures

Forfeited nonvested account balances and unclaimed distributions totaled \$344,785 and \$631,082 as of December 31, 2023 and 2022, respectively. Forfeitures are used as directed by the Plan Sponsor to reduce future employer contributions or to pay certain administrative expenses. During 2023, forfeitures of \$9,558,247 were used to offset employer contributions and forfeitures of \$281,982 were used to pay administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the terms of ERISA. In the event the Plan is terminated, each participant's account shall be non-forfeitable with respect to both the participant's and the Plan Sponsor's contributions, and the net assets are to be set aside for the payment of withdrawals to the participants. The Plan Sponsor has the right to amend the Plan or to suspend matching contributions to the Plan at any time, either permanently or temporarily, for any length of time.

2. Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and are in conformity with accounting principles generally accepted in the United States ("GAAP"). Accordingly, contributions to the Plan and interest and dividend income are recognized as earned, and realized gains and losses and net unrealized appreciation (depreciation) of fair value of investments are recognized as they occur. Plan benefit payments and withdrawals are recognized when paid.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the use of estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes realized gains and losses on investments that were both purchased and sold during the period as well as unrealized appreciation or depreciation of the investments held at year end.

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant accounts and the statement of changes in net assets available for benefits.

Elevance Health 401(k) Plan
Notes to Financial Statements (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

3. Employee Stock Ownership Plan ("ESOP")

The portion of the Plan invested in the Elevance Health Stock Fund is designated as an ESOP. Elevance Health common stock is purchased by the ESOP using participant directed contributions. The Elevance Health Stock Fund is a unitized fund, which means participants do not actually own shares of Elevance Health common stock but rather own an interest in the unitized fund. A portion of the fund may also be invested in short-term reserves to accommodate daily transactions.

Investment in the Elevance Health Stock Fund is limited to no more than 20% of a participant's total balance. Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account.

Put Option

In accordance with IRS regulations, Elevance Health common stock that ceases to be readily tradable on an established market includes a put option for any participant who is otherwise entitled to a total distribution from the Plan. The put option is the right to require that the Plan Sponsor repurchase the Elevance Health stock credited to the participant's account under a fair valuation formula. The distribution may be paid with interest over a period of not more than five years.

Dividends Paid on Elevance Health Common Stock

Any cash dividends paid to the participant's account will be reinvested in the Elevance Health Stock Fund unless the participant elects to receive the dividend in cash paid directly to the participant. Participants may change their election to receive dividends in cash or to reinvest dividends at least quarterly.

4. Fair Value Measurements

Investments recorded at fair value in the statements of net assets available for benefits are categorized based on the level of judgment associated with the inputs used to measure their fair value. Level inputs, as defined by the Financial Accounting Standards Board ("FASB") guidance for fair value measurements and disclosures, are as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following methods and assumptions were used to determine the fair value of investments recorded at fair value in the statements of net assets available for benefits.

Mutual funds: Valued at quoted market prices, which represent net asset value ("NAV") of shares held by the Plan at year end.

Elevance Health common stock: Valued at the closing price on the New York Stock Exchange on the last business day of the Plan year.

Self-directed brokerage accounts: Valued at quoted market prices of the investments held in the brokerage account. Equity securities held in the brokerage account are valued at quoted market prices reported on the active market on which the individual securities are traded on the last business day of the Plan year. Mutual funds are valued at quoted market prices, which represent the NAV of shares held in the brokerage account at year end.

Collective investment trusts (CITs): Valued using the NAV per share as reported by the fund managers. NAV is based on the fair value of the underlying investments within the portfolio. NAV is used as a practical expedient to estimate fair value. The target retirement CITs provide an appropriate asset mix for a participant given the participant's age and retirement year. The institutional index and other CITs seek to replicate the performance of certain prominent benchmark indexes. There are no restrictions on redemptions from the CITs and no unfunded commitments.

A summary of the Plan's financial assets carried at fair value on a recurring basis is as follows:
