Independent Auditors' Report

Trustee and Plan Management
Hawaiian Gardens Casino 401(k) Plan
Hawaiian Gardens, California

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hawaiian Gardens Casino 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Hawaiian Gardens Casino 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Hawaiian Gardens Casino 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaiian Gardens Casino 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hawaiian Gardens Casino 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaiian Gardens Casino 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of Assets Held at End of Year, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HAWAIIAN GARDENS CASINO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of Plan

The following description of the Hawaiian Gardens Casino 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a voluntary savings and retirement plan (defined contribution), that is available to the employees of three companies under common control: Hawaiian Gardens Casino (Plan Sponsor), Progressive Gaming, LLC, and MPCO, Inc. (collectively referred to as the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees of the Companies who are age 21 or older and have completed three months of service are eligible to participate in the Plan. Participants may enroll in the Plan on the first day of the month after satisfying eligibility requirements. The Plan was formally amended to require employees hired after January 1, 2018 to be automatically enrolled at a 3% contribution rate upon entry unless they elect not to participate or choose a different deferral rate.

Contributions

Each year participants may contribute, subject to established limits, up to 50% of their compensation with additional amounts of up to 100% of compensation for those who are age 50 and older. Participants may increase or decrease their contribution percentages on a monthly basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants may also elect to make Pre-tax or Roth contributions.

The Companies currently contribute 25% of the first 3% and 50% of the next 3% of compensation that a participant contributes to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the matching contributions by the Companies, and the earnings or losses of their selected investment(s), less transaction processing and investment management expenses. Allocations of net earnings or losses are based on the participant's account balance to the total of account balances of all participants within the selected investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements *(Continued)*

Vesting Policy

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contribution portion, if any, of their accounts plus actual earnings thereon is 20% after each year of service. After five years of service, each participant is fully vested. Participants also become fully vested upon reaching normal retirement age, death, permanent disability, or Plan termination.

Payment Of Benefits

Upon retirement, termination, disability or death, a participant, or their beneficiary in the event of death, may elect to receive a lump-sum amount equal to the participant's vested interest in their account or periodic installment payments. Additionally, participants may take an in-service distribution upon reaching age 59½. Upon termination, automatic distributions are required for balances less than \$5,000. Automatic distributions above \$1,000 made without the participant's consent are rolled into an individual retirement account designated by the Trustee. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 72.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Notes Receivable From Participants

The Plan does not allow for loans.

Forfeited Accounts

At December 31, 2023 and 2022, there were \$24,641 and \$15,267, respectively, in forfeited non-vested accounts. Any balances in this account will be used to offset future Companies' contributions or pay administrative expenses. There were \$12,376 used to pay for administrative expenses for the year ended December 31, 2023.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements (*Continued*)

Use Of Estimates In The Preparation Of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from those estimates.

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments - Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's employer contributions receivable. The adoption did not have a material impact on these financial statements.

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2023 and no allowance for doubtful accounts was necessary at December 31, 2022.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Notes 3 and 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in the fair value of the investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment Of Benefits

Benefit payments are recorded when paid.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements *(Continued)*

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Administrative fees are charged directly to the participant's account and are included in the administrative and transaction expenses. Some investment related expenses are included in the net appreciation in the fair value of investments.

Concentration Of Credit Risk

Each investment fund is diversified through a portfolio containing a wide variety of investments that fit a particular investment strategy and targeted composition. Further diversification is available to participants through participation in more than one fund. The quality of investments held in the fund portfolio reflects the expertise of the fund sponsor and fund managers.

3. Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Quoted prices for similar assets or liabilities in active market; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation of other means for substantially the full term of the assets or liabilities.
- Level 3: Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable valuation methodologies used at December 31, 2023 or 2022. During the year ended December 31, 2023, there were no transfers of financial instruments into or out of Level 3.

HAWAIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements *(Continued)*

Following is a description of the valuation methodologies used for asset measured at fair value:

- **Collective Investment Trusts** - Is a stable value fund that is composed primarily of fully benefit responsive investment contracts that are valued at the Net Asset Value (NAV) of units of the collective investment trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Participant directed transfers into a competing investment option must be held in a noncompeting investment option for a minimum of 90 days. If the Plan initiates a full redemption of the collective investment trust, the issuer reserves the right to require 12 months notification in order to ensure that the securities liquidations will be carried out in an orderly business manner.
- **Mutual Funds** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements (Continued)

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 12,919,696	\$ —	\$ —	\$ 12,919,696
Common/collective trust funds measured at net asset value*				50,714,326
Total investments at fair value				\$ 63,634,022

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 43,480,762	\$ —	\$ —	\$ 43,480,762
Common/collective trust funds measured at net asset value*				8,163,433
Total investments at fair value				\$ 51,644,195

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

4. Fair Value Of Investments In Entities That Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investments	Fair Value As Of December 31,		Unfunded	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2023	2022	Commitments		
Collective investment trusts	\$ 50,714,326	\$ 8,163,433	N/A	Daily	12 months

5. Certified Investment Information

Fidelity Management Trust Company has supplied the Plan Administrator with the certifications as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that the Plan's investments and related investment income are complete and accurate.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements *(Continued)*

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform an auditing procedure with respect to this information that appears throughout the financial statements and supplemental schedule:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 63,634,022	\$ 51,644,195
Additions and deductions during the year ended December 31:		
Net change in the fair value of investments	8,813,815	
Interest and dividends	253,433	

6. Related Party And Party-In-Interest Transactions

Currently, the Plan provides certain investments, investment management, and record keeping services through Fidelity Management Trust Company, a party-in-interest. Expenses related to loan and administrative fees amounted to \$118,663 for the year ended December 31, 2023.

7. Income Tax Status

The Plan Sponsor has adopted a volume submitter plan developed by Fidelity Management and Research Co. that received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, but have not filed for a separate determination letter. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

HAWIIAN GARDENS CASINO 401(k) PLAN

Notes To Financial Statements *(Continued)*

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken uncertain position that more likely than not would not be sustained upon examination by the IRS. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue any contributions it is making at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the Plan provides for 100% vesting of all participants' accounts.

9. Risks And Uncertainties

The Plan invests in various mutual funds and collective investment trusts. These securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.
