INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
AIM 401(k) Smart Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of AIM 401(k) Smart Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AIM 401(k) Smart Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information as described in note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AIM 401(k) Smart Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about AIM 401(k) Smart Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AIM 401(k) Smart Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AIM 401(k) Smart Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that it agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the AIM 401(k) Smart Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a single-employer, defined contribution plan under section 401(k) of the Internal Revenue Code, established in 2011. The Plan is sponsored by American Internet Mortgage, Inc. (the “Company”). For participant contributions and employer matching contributions, employees are eligible to participate and enroll in the Plan if they are at least 18 years of age, have completed six consecutive full months of service, and are not a member of an excluded class of employees, which includes individuals hired for purposes of state licensing. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Contributions to the plan are made as follows:

- 1) Participants may contribute up to 100% of their eligible compensation to the Plan, up to the Internal Revenue Service annual maximum limit of \$22,500 and \$20,500 (\$30,000 and \$27,000 for participants age 50 or older) for 2023 and 2022, respectively. These contributions may be in the form of pre-tax 401(k) deferrals or after tax Roth 401(k) elective deferrals. Participants may rollover or transfer amounts from other plans.
- 2) The Company makes safe harbor matching contributions equal to 100% of the deferral contributions up to 6% of the participant’s total compensation, determined each payroll period.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions and an allocation of the Company’s profit sharing contribution (subject to vesting), if any, and the Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

INVESTMENT OPTIONS

Upon enrollment into the Plan, participants may direct their participant accounts to any or all of the investment options offered by the Plan. Subsequently, participants may change their allocations and transfer account balances among the investment options offered by the Plan. All earnings and losses on the directed investments are credited directly to the participants’ accounts.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Page 9

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the Company's matching contribution portion as received. A participant becomes fully vested in the event of death, disability or upon reaching normal retirement (age 65).

PAYMENT OF BENEFITS

The current value of a participant's account(s) may be withdrawn to provide benefits in accordance with the terms of the Plan document. The withdrawal may be taken as a lump-sum payment or an alternate form of payment, if permitted under the Plan, at the time of distribution.

For purposes of determining whether or not a withdrawal is being used to provide benefits in accordance with the Plan document, the term "benefits" is limited to amounts becoming payable to the participant due to:

- (A) Termination of employment
- (B) Retirement
- (C) Disability
- (D) Death
- (E) In service distributions after 59.5 years of age

As defined in the Plan document.

Withdrawals for reasons other than those listed above are allowed but may be subject to certain charges and adjustments.

In the event of a mandatory distribution greater than \$1,000, but no more than \$5,000, in accordance with the payment provisions of the Plan, if the participant does not elect to have such distributions paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly under any form of payment allowed under the Plan, then the distribution will be paid in a direct rollover to an individual retirement plan designated by the plan administrator. Mandatory distributions of \$1,000 or less will be paid in cash as directed by the plan administrator, unless the participant elects a direct rollover or elects to receive the distribution under another form permitted by the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Plan loans to participants who have an account under the Plan are available. The loans are secured by the participant's vested account balance in the Plan and may not exceed 50% of the vested account balance or \$50,000, whichever is less. The smallest amount available for withdrawal is \$1,000.

Participant loans bear interest at the prime lending rate for general purpose loans and prime plus 2% for principal residence loans. For 2023 and 2022, no more than one loan may be outstanding at any time. Principal and interest on loans are paid regularly through payroll deductions. Outstanding loans become due and payable upon a participant's termination of employment with the Company.

Page 10

FORFEITED ACCOUNTS

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$24,145 and \$14,652, respectively. In the event that nonvested accounts are forfeited, such accounts are used to reduce future employer contributions or administrative fees paid by the employer. During 2023 and 2022, \$0 of forfeitures was used to pay administrative fees. During 2023 and 2022, \$20,379 and \$0 of forfeitures, respectively, was used to pay employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates - The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement - The Plan follows accounting standards consistent with the Financial Accounting Standards Board (FASB) codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

Investment valuation and income recognition - Investments are maintained in mutual funds and are stated at fair value as certified by the institution that holds the Plan's assets an investment manager and are under the custody of the Plan's trustee. Quoted market prices are used to value investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest accrues according to the loan agreements throughout the term of the loans. Related fees are recorded as administrative expenses, charged to participant accounts and expensed when paid.

Benefits - Benefits are recorded when paid.

Income taxes - The Plan is tax exempt under the Internal Revenue Code Section 401(A) and consequently pays no income tax.

The Company has adopted a prototype plan that relies upon the prototype plan's opinion letter from the Internal Revenue Service, dated June 2020, which stated that the Plan and related trust are in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Page 11

is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan follows accounting standards for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. As of December 31, 2023 and 2022, the Plan has not accrued interest or penalties related to uncertain tax positions. The Plan files a tax return in the U.S. Federal jurisdiction.

Recent accounting pronouncements

In July 2016, FASB issued ASU 2016-13 Financial Instruments – Credit Losses (Topic 326). The new standard is effective for fiscal years beginning after December 15, 2022. The Plan adopted Topic 326 and all related amendments as of January 1, 2023. The standard replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to trading receivables, financing receivables, held-to-maturity debt securities, and receivables related to repurchase agreements and securities lending agreements. It also applies to off-balance sheet credit exposures not accounted for as insurance (loan commitments, standby letters of credit, financial guarantees, and other similar instruments) and net investments in leases recognized by a lessor in accordance with Topic 842 on leases. Financial assets held by the Plan that are subject to this guidance were notes receivable from participants.

The Plan adopted ASC 326 using a modified retrospective transition approach. Under this approach, an entity records an adjustment to retained earnings for the cumulative effect of adopting the standard. The adjustment is made to opening retained earnings as of the start of the reporting period in which the ASU becomes effective. The Plan has performed a review of the new guidance as compared to its current accounting policies to determine the impact of this standard on their financial assets presentation. Upon completion of its review, the Plan has made a determination that there is no material impact to their financial assets presentation upon adoption of the new standard.

NOTE 3 PLAN ADMINISTRATIVE FEES

Substantially all of the administrative expenses of the Plan are paid by the Company. These expenses include, but are not limited to, custodian, trustee, legal and accounting expenses. Participants are responsible for all loan-related and distribution-related expenses. Asset-based fees (e.g., management fees and other operating expenses) are used to cover the expenses related to running an investment fund, and are generally deducted directly from a participant's investment returns. Amounts totaling \$12,208 and \$12,505 were paid directly by the Plan for benefits paid to participants and participant loan fees for the years ended December 31, 2023 and 2022, respectively.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time with respect to all participants by the adoption of an appropriate resolution by its owners. In the event of a complete termination of the Plan, the rights of all participants in their account balances accrued to the date of the termination are fully vested and not subject to forfeiture.

NOTE 5 INFORMATION PERPARED AND CERTIFIED BY PLAN TRUSTEE

The Company has obtained certification from Ascensus Trust ("Ascensus") that all of the information provided to the Company by the trustee is complete and accurate for the years ended December 31, 2023 and 2022. The trustee certifications apply to substantially all of the Plan's investment assets, transactions and supplemental schedules. The trustee reports such information primarily on the cash basis while the accompanying financial statements and supplemental schedules are presented on the accrual basis. Therefore, certain amounts reflected in the financial statements and supplemental schedules may differ from the information certified by the trustee.

The December 31, 2023 and 2022 statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared entirely from information certified by Ascensus in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following is information certified by Ascensus, which is included in the statements of net assets available for benefits as of December 31, 2023 and 2022, and the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022:

	2023	2022
Mutual funds	\$ 8,052,686	\$ 6,690,629
Notes receivable from participants	31,278	12,801
	<u>\$ 8,083,964</u>	<u>\$ 6,703,430</u>
	<u>2023</u>	<u>2022</u>
Investment income:		
Dividends and interest	\$ 173,960	\$ 135,750
Interest income on notes receivable from participants	2,161	1,567
Net appreciation/depreciation in fair value of investments	1,118,012	(1,356,573)
	<u>\$ 1,294,133</u>	<u>\$ (1,219,256)</u>

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) changed in value by amounts as follows:

	2023	2022
Mutual funds	<u>\$ 1,118,012</u>	<u>\$ (1,356,573)</u>

NOTE 6 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different

NOTES TO THE FINANCIAL STATEMENTS

Page 13

methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to level 1 inputs.

Level 2: Observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to level 3 inputs.

The fair value of the mutual funds are based on the closing price reported in the active market, where the individual securities are traded, when available and are classified as level 1 investments.

The Plan uses appropriate valuation techniques based on the available inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when level 1 or level 2 inputs are not available.

Financial assets carried at fair value at December 31, 2023 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets:				
Mutual funds	<u>\$ 8,052,686</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,052,686</u>

Financial assets carried at fair value at December 31, 2022 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Administrative fees incurred by the Plan to Ascensus as the plan administrator totaled \$12,208 and \$12,505 for the year ended December 31, 2023 and 2022, respectively. The Company provides administrative services to the Plan at no cost to the Plan. Substantially all of the Plan's operating expenses are paid by the Company. These transactions qualify as party-in-interest transactions and are covered by an exemption from the prohibited transaction provisions of ERISA and the IRC.

NOTE 9 SELF-CORRECTION OF OPERATIONAL FAILURES

During 2023, the Company identified an operational failure for 2022 relating to their plan not excluding a class of employees that should have been excluded. The Company has amended the plan to exclude this class of employees, thus correcting the failure under the Voluntary Correction Program (VCP). Management had determined this is appropriate since the amendment conforms to both the employer's documented intent and the employees' expectations.

Based on such actions, Plan management and the Company believe the operational failure will not cause the Plan to be disqualified by the IRS and that the corrections under the VCP allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

NOTE 10 SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 23, 2024, the date which the financial statements were available to be issued. There were no material subsequent events which affected the amounts or disclosures in the financial statements.

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
