Management, having determined it is permissible in the circumstances, has elected to have the audit of American Heavy Plate Solutions, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Heavy Plate Solutions, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Heavy Plate Solutions, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Heavy Plate Solutions, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Heavy Plate Solutions, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 12 as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN HEAVY PLATE SOLUTIONS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of the Plan:

American Heavy Plate Solutions, LLC 401(k) Plan (the "Plan"), established March 1, 2020, is a defined contribution plan which covers all employees of American Heavy Plate Solutions, LLC (the "Plan Sponsor") who are not nonresident aliens or residents of Puerto Rico and have completed two months of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Trustee is responsible for oversight of the Plan.

There were law and operations changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the "Cares Act"). Any of the operational features from the recent law changes that were adopted by the Plan will require written amendments by December 31, 2025 in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Contributions:

The Plan allows participants to elect to contribute a portion of their annual compensation on a pre-tax or Roth basis up to the maximum amount allowed by the IRS. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or deferred contribution plans (rollover). The Plan provides for discretionary employer matching contributions. For 2023, the match was equal to 50% of participant elected deferrals limited to the first 5% of the participants' total salary.

The Plan includes an Automatic Deferral provision. Unless employees elect otherwise, they are automatically enrolled to contribute 2% of their pre-tax annual eligible compensation. The Automatic Deferral provisions apply to all participants who become a participant in the Plan after the effective date.

The Plan Sponsor may also make a discretionary profit sharing contribution to the Plan. The amount of the profit sharing contribution is determined annually by the Plan Sponsor and the Plan Sponsor's Board of Trustees. No profit sharing contributions were made during 2023.

Participants' accounts:

Each participant's account is credited with the participant's contribution, Plan Sponsor's discretionary matching contributions and Plan Sponsor's profit sharing contribution and Plan earnings. Participant accounts are charged with certain transaction fees and other administrative expenses are paid by the Plan Sponsor. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants:

Participants may borrow from their fund accounts up to a maximum of the lesser of \$50,000 or 50% of the participant's total vested account balances. The loans are secured by the balance in the participant's account. Repayment of the note must be made over a period not to exceed five years, unless the note is used to purchase a principal residence, in which a longer payment term may be permitted by the Plan. The notes bear interest at the prime rate plus 2%. Interest rate on the notes ranged from 5.50% to 10.50% at December 31, 2023. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of the Plan (continued):

Vesting:

Participants are immediately vested in their rollover, participant contributions, discretionary employer matching contributions, and discretionary profit sharing contributions and related earnings thereon.

Payment of benefits:

Once participants attain normal retirement age (defined at age 65), they may elect to withdraw from their account any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement, or death. In the case of severe hardship, the plan administrator, at its sole discretion, may direct distribution of the pre-tax deferral and Roth portions of a participant's vested account balance, subject to certain restrictions.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account balance.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported to the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

Investment valuation and income recognition:

The Plan's investments are stated at fair value at December 31, 2023 and 2022, as provided by Reliance Trust Company ("Reliance"), the custodian of the Plan. The Plan's investments are held by Reliance at December 31, 2023 and 2022.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest and dividends income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

AMERICAN HEAVY PLATE SOLUTIONS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

2. Summary of significant accounting policies (continued):

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Certain expenses of maintaining the Plan and other professional fees are paid by the Plan Sponsor and are excluded from these financial statements. The Plan Sponsor provides other accounting and administrative services at no cost to the Plan. No such employee, nor the Plan Sponsor, receives compensation from the Plan. Investment related expenses are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits. These transactions qualify as party-in-interest transactions.

3. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

AMERICAN HEAVY PLATE SOLUTIONS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

3. Fair value (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

- The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- The fair value of the stable value collective trust fund is valued at the NAV of units of the bank collective trust. The stable value fund is comprised primarily of fully benefit responsive investment contracts and the NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis at December 31, 2023 and 2022, were as follows:

Description	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,319,836	\$	\$	\$ 2,319,836
Investments measured at net asset value (a)				55,359
Total investments				\$ 2,375,195
Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,201,739	\$	\$	\$ 1,201,739
Investments measured at net asset value (a)				29,151
Total investments				\$ 1,230,890

- (a) In accordance with U.S. GAAP certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

AMERICAN HEAVY PLATE SOLUTIONS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

3. Fair value (continued):

The following table presents the fair value, unfunded commitments, redemption frequency, and redemption notice period for plan investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022:

Investment*	Fair Value		Redemption Frequency	Redemption Notice Period
	2023	2022		
Stable Value Collective trust fund: Invesco Stable Asset - ADPZ	\$ 55,359	\$ 29,151	Daily	None

* For the year presented, the Plan did not have unfunded commitments with any of its investments.

4. Information certified by custodian:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance.

5. Party-in-interest transactions:

The Plan issues loans to participants, which are secured by the vested balance in the participant's account and all the Plan's assets are held in various investments which are managed by Reliance, the custodian. These transactions qualify as party-in-interest transactions.

6. Plan termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their account balances.

7. Income tax status:

The prototype document on which this Plan is based obtained a determination letter, dated December 31, 2018, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since adopting the prototype document. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

AMERICAN HEAVY PLATE SOLUTIONS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

7. Income tax status (continued):

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and uncertainties:

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Differences between financial statements and Form 5500:

Differences were noted between the financial statements and amounts reported in the 2023 Form 5500. Contributions receivable and contributions are recorded on the accrual basis in the financial statements compared to the cash basis in Form 5500.

The following is a reconciliation of total additions per the financial statements to the Form 5500 for the year ended December 31, 2023:

Additions per the financial statements	\$ 1,351,502
Contributions receivable at December 31, 2022	<u>32,947</u>
Net assets available for benefits per Form 5500	<u>\$ 1,384,449</u>

10. Subsequent events:

The Plan has evaluated subsequent events and transactions for potential recognition and presentation through the date the financial statements were available to be issued, August 29, 2024.
