Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gottsch Employers Group 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gottsch Employers Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Gottsch Employers Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOTTSCH EMPLOYERS GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. Description of the Plan

The following description of Gottsch Employers Group 401(k) Plan (the Plan) provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering employees, excluding union and leased employees, of Gottsch Employers Group, LLC ("the Company") controlled group of companies. Employees become eligible to participate in the Plan upon having attained age 19 and having worked at least 400 hours in three consecutive months. If an employee does not complete 400 hours within three months, they become eligible after one year of service. Plan entry dates include the first day of each calendar quarter following the date eligibility requirements are met. The Plan trustee is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B. Contributions

Each year, participants may elect to contribute up to 100 percent of their annual pretax compensation, as defined by the Plan not to exceed the maximum allowed by the Internal Revenue Code. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing roll-over distributions from other qualified benefit plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Company may make separate discretionary matching contributions for participants working in different business units or locations, equal to a percentage of the participant's elective deferrals, as determined by the Company. For the years ending December 31, 2023 and 2022, the Company made discretionary matching contributions of thirty-five percent of the first eight percent of eligible compensation for all business units and locations which amounted to total Company contributions of \$164,442 and \$154,515, respectively.

C. Participant Accounts

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of investment losses and administrative fees paid by the plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2023 AND 2022

1. Description of the Plan - Continued

D. Vesting

Participants are vested immediately in their contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching contribution is based on years of credited service. A participant is 20 percent vested after two years of service and vests an additional 20 percent each year thereafter until fully vested after six years of service. Participants become fully vested in Company's contributions upon death or total and permanent disability.

E. Payment of Benefits

Upon attainment of age 59 ½, termination of service, death, or disability, a participant (or their beneficiaries) may elect to receive the vested portion of his or her account in a lump sum or partial withdrawal in the form of cash, insurance contracts, or annuity contracts. Account balances not exceeding \$5,000 will be automatically rolled over to an individual retirement account (IRA).

F. Forfeited Accounts

Forfeitures of \$17,169 and \$19,750 were used to pay administrative expenses and reduce employer contributions during 2023 and 2022, respectively. At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$15,380 and \$14,237, respectively.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The most significant estimate in the accompanying financial statements is the valuation of investments at contract value by Minnesota Life Insurance Company (Minnesota Life). Because of the inherent uncertainties in this process, actual results, including the realization of contract value of the investments, could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies – Continued

C. Investment Valuation and Income Recognition

Investments are reported at contract value. Contract value represents the accumulated contributions plus allocated earnings (losses), less withdrawals and allocated expenses.

Contributions to the general account and allocation of separate account accumulation units are recorded the day of, or the day following, receipt of contributions by the plan, provided the New York Stock Exchange is open for trading. Income is allocated daily to the separate accounts as defined by the contract. Interest is credited to the general account daily.

D. Payment of Benefits

Benefits are recorded when paid.

E. Expenses

Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses reduce the net appreciation in value of investments.

F. Risks and Uncertainties

The Plan provides various investment options. The investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits. The Plan's net assets available for benefits are significantly concentrated among four investments totaling \$4,742,133 or 69% of plan assets as of December 31, 2023.

G. Subsequent Events

Management evaluated transactions and events occurring subsequent to December 31, 2023, and through September 3, 2024, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements.

GOTTSCH EMPLOYERS GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2023 AND 2022

3. Information Prepared and Certified by the Plan's Custodian

The following information included in the accompanying financial statements and information in the supplemental schedule was obtained from information prepared and certified to as complete and accurate by Minnesota Life Insurance Company.

	<u>2023</u>	<u>2022</u>
Investments at contract value	\$ 6,882,067	5,445,411
Interest	11,902	11,206
Net appreciation (depreciation) in value of investments	856,026	(754,948)

4. Group Annuity Contract with Minnesota Life Insurance Company

All plan assets are subject to a group annuity contract ("the contract") entered into by the Plan with Minnesota Life Insurance Company ("Minnesota Life") in 2007. Minnesota Life maintains the contributions in a general account and pooled separate accounts. The general account is credited with interest and charged for participant withdrawals and applicable expenses. Minnesota Life is contractually obligated to repay all contributions to the general account and a specified interest rate that is guaranteed to the Plan. The effective annual crediting rate is declared by Minnesota Life and may not be less than 1.5 percent. When contributions are made to separate accounts, Minnesota Life allocates accumulation units of the separate accounts to the plan. The separate accounts' accumulation unit value ("unit value") is increased by investment income and gains of the underlying investments of the separate account and charged for investment losses and applicable expenses. Minnesota Life is contractually obligated to pay the unit value. At any time, the unit value may be less than the initial investment.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals, investment losses, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

GOTTSCH EMPLOYERS GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2023 AND 2022

4. Group Annuity Contract with Minnesota Life Insurance Company - Continued

A lump sum liquidation of Plan assets upon termination of the contract may limit the ability of the Plan to transact at contract value with Minnesota Life and may also limit the ability of the Plan to transact at contract value with the participants. Termination of the contract is not probable of occurring. Certain events allow Minnesota Life to terminate the contract with the Plan which may limit the ability to transact at contract value. Such events include (1) the Plan is no longer deemed to be a "qualified plan" under Section 401 of the Internal Revenue Code or other section of the Code allowing similar tax treatment, (2) the Plan is terminated, or (3) Minnesota Life determines that because of a change in the Plan or in the benefits to be provided, it is necessary to amend or modify this contract, and the Company does not assent to the amendment or modification.

5. Party-in-Interest Transactions

All Plan assets are held in investment options managed by Minnesota Life; therefore, these transactions qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax Status

The Plan is a non-standardized pre-approved 401(k) profit sharing plan created by Minnesota Life and adopted by the Company on September 1, 2021. On June 30, 2020, the Internal Revenue Service stated this pre-approved 401(k) profit sharing plan adopted by the Company, as then designed, qualifies under Section 401(a) of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan. The plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
