**INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of
Labor Finders International, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **Labor Finders International, Inc. 401(k) Profit Sharing Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Labor Finders International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

Note A – Description of Plan

The following description of the Labor Finders International, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing and 401(k) plan covering employees of Labor Finders International, Inc. (the “Company” or the “Employer”). The effective date of the Plan is January 1, 1996, and has since been restated and amended. The latest restatement was effective December 2, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Employees covered by a collective bargaining agreement, nonresident aliens with no U.S. income, part-time, temporary and seasonal employees are excluded from the Plan. Employees that are at least 21 years of age and that have completed at least 1,000 hours of service during the first twelve months of employment are eligible to participate in the Plan. Eligible employees enter the Plan on the date requirements are met.

Effective May 1, 2023, the Company acquired the assets of their franchisee, LFI Fort Pierce, Inc. and adapted the years of service with LFI Fort Pierce, Inc. for eligibility and vesting purposes. There are no assets transferred from this acquisition.

Administration

The Plan is administered by the Company. The Plan’s assets for the year were maintained by John Hancock Life Insurance Company (the “Custodian”). The Custodian was also the recordkeeper. Contributions are held by the Custodian, who invests cash received, interest and dividend income, as directed by the participant, and make distributions to participants.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation as defined by the Plan subject to limitations imposed by the Internal Revenue Code (“IRC”). Participants may also make Roth deferrals to the Plan. The maximum participant deferral for the year ended December 31, 2023, was \$22,500. A participant who has attained the age of 50 may also make catch up contributions, subject to Internal Revenue Service limitations of \$7,500 for the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified plans.

This plan does not include automatic enrollment provisions. All newly eligible employees received a new hire package with enrollment instructions.

The Company may make a discretionary matching contribution as a percentage of salary deferrals or as a uniform dollar amount. For the year ended December 31, 2023, the Company elected to match 50% of all elective deferrals including catch-up contributions. The Company may also elect to make a discretionary profit-sharing contribution. The Company did not make a profit-sharing contribution for the year ended December 31, 2023.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses. Allocations of Plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Labor Finders International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

Note A – Description of Plan (continued)

Vesting

Participants are immediately vested in their elective deferral contributions and rollovers plus actual earnings thereon. Vesting in Employer discretionary matching or profit-sharing contributions plus actual earnings thereon is based on years of continuous service. Participants are 100% vested ratably after five years of continuous service or in the event of retirement, death or disability.

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts with a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate at prime plus 2%. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon terms of the Plan document. Loans are considered in default as of the end of the quarter subsequent to the quarter in which the payment was due.

Payment of Benefits

Upon reaching age 59 ½, or termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, as defined in the Plan agreement. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution less withheld tax. Participants may request a hardship withdrawal from their accounts for qualifying expenses.

If a participant's vested account balance is \$5,000 or more, participants have the option to receive a lump sum distribution or have their distribution paid to an Individual Retirement Account or annuity for the participant's benefit. If the vested account balance is \$5,000 or less, the Plan will distribute the balance in a lump-sum.

Forfeitures

Non-vested balances of terminated participants are available to be used to reduce Employer contributions. During the year ended December 31, 2023, Employer contributions and Plan expenses were reduced by approximately \$0 from forfeited non-vested accounts. As of December 31, 2023, and 2022, there was approximately \$15,000 and \$6,000, respectively, outstanding that could be used to offset future Company contributions.

Note B – Summary of Significant Accounting Policies

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and nonforfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from these estimates.

Valuation of Investments

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of pooled separate accounts are valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, Fair Value Measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

Labor Finders International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

<i>Level 2</i>	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
<i>Level 3</i>	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at NAV provided by the Trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2023 and 2022. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Fair Value Measurements at Reporting Date Using:</u>		
	<u>Assets Measured at Fair Value at 12/31/2023</u>	<u>Quoted Prices in Active Markets (Level 1)</u>
Mutual funds	\$ 8,744,154	\$ 8,744,154
Total assets in the fair value hierarchy	8,744,154	8,744,154
Investments measured at net asset value	110,282	
Investments at fair value	<u>\$ 8,854,436</u>

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, a qualified institution. As of December 31, 2023 and 2022 and for the year ended December 31, 2023, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments are mutual funds and common collective trusts managed by the Custodian. Transactions related to these investments qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$22,000 during the year ended December 31, 2023.

Note E – Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated June 30, 2020 stating that the Volume Submitter Profit Sharing Plan with CODA is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2019.
