Canyon Equities, Inc. Profit Sharing and Employees' Benefit Plan

Professional standards require us to communicate with you regarding matters related to the audit, that are, in our professional judgment, significant and relevant to your responsibilities in overseeing the financial reporting process. On June 6, 2024, we presented an overview of our plan for the audit of the financial statements of Canyon Equities, Inc. Profit Sharing and Employees' Benefit Plan (the Plan) as of and for the years ended December 31, 2023 and 2022, including a summary of our overall objectives for the audit, and the nature, scope, and timing of the planned audit work.

This communication is intended to elaborate on the significant findings from our audit, including our views on the qualitative aspects of the Plan's accounting practices and policies, management's judgments and estimates, financial statement disclosures, and other required matters.

We are pleased to be of service to the Plan and look forward to meeting with you to discuss our audit findings, as well as other matters that may be of interest to you, and to answer any questions you might have.

Sincerely,

Echelbarger, Himebaugh, Tamm & Co., P.C.

Status of Our Audit

We have completed our audit of the financial statements as of and for the year ended December 31, 2023. Our audit was conducted in accordance with auditing standards generally accepted in the United States of America. This audit of the financial statements does not relieve management or those charged with governance of their responsibilities.

- ▶ The objective of our audit was to obtain reasonable - not absolute - assurance about whether the financial statements are free from material misstatements.
- ▶ The scope of the work performed was substantially the same as that described to you in our earlier Audit Planning communications.
- ▶ We issued our report on August 26, 2024, with an unmodified opinion on the financial statements. Our report contained a basis for disclaimer of opinion paragraph.
- ▶ All records and information requested by EHTC were freely available for our inspection.
- ▶ Management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Plan personnel throughout the course of our work.

Results of Our Audit

ACCOUNTING PRACTICES, POLICIES, ESTIMATES

The following summarizes the more significant required communications related to our audit concerning the Plan's accounting practices, policies, and estimates:

The Plan's significant accounting practices and policies are those included in Note 1 to the financial statements. These accounting practices and policies are appropriate, comply with generally accepted accounting principles and industry practice, were consistently applied, and are adequately described within Note 1 to the financial statements.

- ▶ There were no changes in significant accounting policies and practices during the year ended December 31, 2023.

Significant estimates are those that require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The Plan's significant accounting estimates, including a description of management's processes and significant assumptions used in development of the estimates, are disclosed in Note 1 of the financial statements.

- ▶ Management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in 2023.

CORRECTED AND UNCORRECTED MISSTATEMENTS

There were no corrected misstatements related to accounts and/or disclosures that we brought to the attention of management.

There were no uncorrected misstatements related to accounts and/or disclosures that we presented to management.

QUALITY OF THE PLAN'S FINANCIAL REPORTING

A discussion was held regarding the quality of the Plan's financial reporting, which included the following:

- ▶ Qualitative aspects of significant accounting policies and practices
- ▶ Our conclusions regarding significant accounting estimates
- ▶ Significant unusual transactions
- ▶ Financial statement presentation
- ▶ New accounting pronouncements
- ▶ Alternative accounting treatments

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing our auditing procedures, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses.

We are required to communicate, in writing, to those charged with governance all material weaknesses and significant deficiencies that have been identified in the Plan’s internal controls over financial reporting. The definitions of control deficiency, significant deficiency and material weakness follow:

Category	Definition
Deficiency in Internal Control	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected on a timely basis.

In conjunction with our audit of the financial statements, we noted no material weaknesses.

Other Required Communications

Following is a summary of those required items, along with specific discussion points as they pertain to the Plan:

Requirement	Discussion Points
Significant changes to planned audit strategy or significant risks initially identified	There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning communications.
Obtain information from those charged with governance relevant to the audit	There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.
If applicable, our evaluation of the Plan's ability to continue as a going concern	Management has concluded that the Plan will continue as a going concern and we have concurred.
If applicable, other matters significant to the oversight of the Plan's financial reporting process, including complaints or concerns regarding accounting or auditing matters	There are no other matters that we consider significant to the oversight of the Plan's financial reporting process that have not been previously communicated.
Representations requested from management	Please refer to the management representation letter.
Recommendations for management as a result of audit procedures performed and discussions with management	See Appendix A.

Independence Communication

Our engagement letter to you dated May 1, 2024, describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Plan with respect to independence as agreed to by the Plan. Please refer to that letter for further information.

Appendix A – Recommendations Related to Audit Findings

Finding	Recommendation
We noted in our testing phase of the audit that there were multiple reconciling variances between the census and the payroll for various entities due to employees being transferred between certain entities.	We recommend the Plan maintain a record of employees that transfer between entities that contains: • Name • Date of transfer • Earnings from each entity • Which entities were effected We also recommend the census be created with employee listings that reflect where each employee was at the end of the year.
We noted in our testing phase that a copy of one bi-weekly payroll register was not kept on file.	We recommend after a pay period has been processed, the Plan saves a copy of the payroll register for the period and files it in a designated payroll report file. Additionally, we recommend the Plan audits their payroll files at least once annually to ensure proper filing and avoid losing access to the files.
We noted in our testing phase that the Trust was unaware of an updated deferral rate that one participant had submitted to the Plan.	We recommend that the Plan and the Trust review and match their deferral rates at least once annually.

Independent Auditor's Report

Custer Office Environments, Inc. Profit
Sharing and Employees' Benefit Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Custer Office Environments, Inc. Profit Sharing and Employees' Benefit Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule,

other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Custer Office Environments, Inc. Profit Sharing and Employees' Benefit Plan

Notes to Financial Statements

Note 1 - Description of the Plan

The following brief description of Custer Office Environments, Inc. (the Company) Profit Sharing and Employees' Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all full-time employees of the Company. Effective December 1, 2018, the Plan was amended to include substantially all full-time employees of C.S. Erickson (CSE), a member of the controlled group which includes the Company. Effective September 1, 2018, the Plan transferred all of its assets to a new trustee and record keeper, Greenleaf Trust. Effective October 1, 2021, the Plan was amended to include substantially all full-time employees of Century Floorspace (CFS), a member of the controlled group which includes the Company. Effective January 1, 2022, the Plan was amended to include substantially all full-time employees of Uhuru Design, LLC (UHU), a member of the controlled group which includes the Company. Effective June 1, 2022, the Plan was amended to include substantially all full-time employees of Canyon Equities, Inc. (CE), a member of the controlled group. Of which most employees had been previously reflected in the Plan under another division of the Plan, Custer Office Environments, Inc (COE). COE was previously the primary company of the Plan until the restructuring of the Company in 2022. Effective December 1, 2022, the Plan was amended to include substantially all full-time employees of Faulkbuilt Grand Rapids (FBGR), a member of the controlled group which includes the Company. Effective March 31, 2023, the Plan terminated Uhuru Design, LLC and all employees were transferred from the Plan. The Plan contains two main components: a 401(k) deferral component and a discretionary profit-sharing component. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation Requirements

Each employee of the Company is eligible to become a participant in the 401(k) component of the Plan on the first day of the month following completion of 90 days of service for the Company, as defined by the Plan, and attaining age 18. Each employee of the Company is also eligible for matching contributions and to become a participant in the profit-sharing component of the Plan on the first day of the month following completion of 90 days of service and attaining age 18.

Notes to Financial Statements

Contributions

The 401(k) component allows eligible participants to defer part of their compensation through voluntary salary or wage reduction, and the Company may make a matching contribution as determined by the Company's management each year. Eligible employees receive a discretionary matching contribution which was 2% of employee's eligible compensation for the years ended December 31, 2023 and 2022 for Canyon, COE and FBGR, 3% of employee's eligible compensation for the years ended December 31, 2023 and 2022 for CSE, 1% of employee's eligible compensation for the year ended December 31, 2023 and 2022 for CFS, and 0% of employee's eligible compensation for the years ended December 31, 2023 and 2022 for UHU.

The Company also has the option each year to make a profit-sharing contribution to the Plan, in an amount determined by management. No profit-sharing contribution was approved for either of the Plan years ended December 31, 2023 and 2022.

Effective January 1, 2010, employees not already deferring a minimum of 3% of compensation were automatically enrolled in the Plan. The automatic deferral percentage increases by 1% each Plan year beginning January 1, 2012 from 3% of compensation up to a maximum of 10% of compensation for those employees that do not make any changes to their elective deferral. Employees may elect an alternative deferral amount or elect not to participate.

Participants direct the investment of the contributions into various investment options offered by the Plan. Currently, the Plan offers various mutual funds and a money market fund as investment options for participants.

Allocations to Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and an allocation of investment earnings or losses. Allocations to participants' accounts are based on compensation or account balances, as specified in the Plan Agreement.

Vesting

Participant contributions and earnings thereon are fully vested at all times. The remainder of participant accounts vest based on a two year grading schedule.

Notes to Financial Statements

Forfeitures

Forfeitures attributable to employer match contributions are used to offset future match contributions. Forfeitures attributable to profit-sharing contributions are reallocated to the accounts of participants who are eligible to share in the Company's profit-sharing contribution for that Plan year based on eligible compensation. Forfeiture activity is as follows:

<i>December 31,</i>	2023	2022
Forfeitures – beginning balance	\$ 1,239	\$ 6,466
Investment income	(5,101)	(2,381)
Used to offset employer contributions	-	-
Used to pay plan expenses	-	(6,700)
New forfeitures	4,565	3,854
Forfeitures – ending balance	\$ 703	\$ 1,239

Investment Options

If a participant fails to direct their contributions to any designated investment options under the plan the funds will be invested in the appropriate “lifecycle fund” fund based on the participants normal retirement age.

Payment of Benefits

Participants, or their beneficiaries, may request payment of benefits at any time after their retirement, termination of employment or death. The Plan allows for partial in-service withdrawals prior to retirement if the participant meets certain age or hardship withdrawal requirements. Such withdrawals are subject to approval by the Plan Administrator.

Notes Receivable from Participants

Participants may borrow from their accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years. The notes are secured by the balance in the participant's account and bear interest. For the years ended December 31, 2023 and 2022 the interest rate was to be at a reasonable commercial interest rate. The interest rates on the notes outstanding, which is fixed for the life of the loan, range between 5.25% and 9.50% as of December 31, 2023 and 5.25% and 8.00% as of December 31, 2022, respectively. Principal and interest are paid through payroll deductions over the term of the note.

Notes to Financial Statements

Administrative Expenses

The Company pays all legal and accounting fees for the Plan. The trustee charges custody, recordkeeping and fund management fees against the individual funds on a pro rata basis according to the market values of the funds at the end of each year. Administrative expenses also include certain participant-directed fees, such as distribution or loan origination fees, charged directly to participant accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Participants in the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable - Participant Loans

Participant loans are classified as notes receivable from participants, and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement. Interest income on participant

Custer Office Environments, Inc. Profit Sharing and Employees' Benefit Plan

Notes to Financial Statements

loans is recognized on the Statements of Changes in Net Assets Available for Benefits as earned.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 3 - Fair Value Measurements

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, and other input that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Custer Office Environments, Inc. Profit Sharing and Employees' Benefit Plan

Notes to Financial Statements

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Money market and mutual funds: Valued at quoted market prices in an exchange and active market, which represent the net asset value of shares held by the Plan.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the Plan's investments by level within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2 or 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

Note 4 - Investments and Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the data in this note included in the accompanying 2023 and 2022 financial statements and supplemental schedule as complete and accurate. All investments are held by the Trustee. The amounts included in the financial statements at December 31, 2023 and 2022, are the values as reported to the Plan by the Trustee and are summarized as follows:

The Plan's investment income (net appreciation or depreciation in fair value includes gain or losses of investments sold, as well as held during the year) is as follows:

<i>December 31,</i>	2023	2022
Net investment appreciation (depreciation)	\$ 1,441,757	\$ (2,300,995)
Dividends and interest	\$ 326,995	\$ 442,459
Interest on notes receivable from participants	\$ 6,299	\$ 7,866

The Plan's independent auditors did not perform auditing procedures with respect to this information included in this note except for comparing such information to the related information included in the financial statements and supplemental schedule.

Custer Office Environments, Inc. Profit Sharing and Employees' Benefit Plan

Notes to Financial Statements

Note 5 - Parties-In-Interest

Certain Plan investments are shares of mutual funds and a money market account managed by Greenleaf Trust. Greenleaf Trust is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Greenleaf Trust amounted to \$77,921 and \$63,508 for the year ended December 31, 2023 and 2022, respectively.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate or suspend contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant's account will become fully vested.

Note 7 - Income Tax Status

The Company has adopted the Greenleaf Trust Contribution Prototype Non-standardized Profit Sharing Plan With CODA. The Internal Revenue Service has determined and informed Greenleaf Trust by a letter dated March 31, 2014, that the volume-submitter plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving this letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified.

Note 8 - Delinquent Participant Contributions

During 2022, the Plan was untimely in remitting certain participant contributions, including loan repayments, in the amount of \$17,093. Late remittances of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. The Plan remitted the delinquent participant contributions, as well as the related matching contributions, in 2022.

No lost earnings related to delinquent participant contributions were noted by the Plan sponsor and Trustee.

Note 9 - Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through August 26, 2024, the date the financial statements were available to be issued.

In January 2024, the plan transferred all assets from Greenleaf Trust to Empower, the Plan's new trustee. As of the date of the financial statements there was no material effect of the transfer of assets to the Plan.
