Management, having determined it is permissible in the circumstances, has elected to have the audits of Allbridge 401(k) Profit Sharing's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allbridge 401(k) Profit Sharing and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allbridge 401(k) Profit Sharing's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allbridge 401(k) Profit Sharing's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allbridge 401(k) Profit Sharing's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLBRIDGE 401(K) PROFIT SHARING
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan

The following description of Allbridge 401(k) Profit Sharing (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Allbridge, LLC and Ipanema Solutions, LLC (collectively referred to as the "Company"). The Plan became effective on January 1, 2007 and was designed to provide participating employees a reward for their efforts to make the Company a success. The Company acts as plan sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Each employee of the Company, who is not a member of a collective bargaining agreement, a nonresident alien, or an employee as a result of an asset or stock acquisition, merger or similar transaction, is eligible to participate in the Plan immediately upon attaining age 21 and having completed three months of service.

Contributions

Participants are automatically enrolled with a 2% pre-tax deferral election beginning no later than 90 days after an employee becomes an eligible employee. Each year participants may elect to defer up to 90% of their annual compensation, which is treated as either a pre-tax or Roth employee contribution. Employee contributions may not exceed the annual limit set by the Internal Revenue Service ("IRS"). The Company matches 50% of employees' contributions up to 6%. Each year-end, employer contributions are recalculated based on each participant's ratio of elective deferrals to compensation for the plan year and true-up contributions are made accordingly. The Plan also permits rollover contributions from other qualifying retirement plans.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, plan earnings, and certain administrative expenses. Allocations are based on participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan (Continued)

Vesting

Participants are immediately vested in their voluntary contributions in addition to actual earnings thereon. Vesting in Company matching contributions is based on years of continuous service. Participants are fully vested in Company matching contributions after completing six years of credited service.

Forfeited Accounts

The portion of a participant's account to which they are not entitled upon termination of employment is deemed a forfeiture. At December 31, 2023, forfeited non-vested accounts totaled \$1,694. Forfeited accounts may be used to reduce the employer matching contribution or to pay Plan expenses as permitted by the Plan's provisions. During the year ended December 31, 2023, the Plan used \$85,330 of forfeited accounts to reduce employer matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balance or \$50,000 reduced by the excess of the highest outstanding loan balance during the prior twelve-month period. Participants may have only one loan outstanding at a time. Note terms range from one to five years or a reasonable period of time for the purchase of a primary residence. The notes are secured by the balance in the participants' accounts and bear interest at a fixed rate equal to the prime rate plus one percent (9.5% at December 31, 2023) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were \$102,806 and \$139,590 as of December 31, 2023 and 2022, respectively.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death, or disability, the participant may receive 100% of their account balance in a lump sum, partial payment, installment payments, or applied towards the purchase of an annuity contract. Participants who terminate their employment will receive their vested account balance under the same options as above. If the vested balance is less than \$5,000, a lump sum distribution is made. Participants are also eligible to take in-service withdrawals once they attain age 59 ½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their pre-tax elective contributions for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are comprised of mutual funds and a collective investment trust fund. Investments in mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the plan at year end. See Note 7 for discussion of the fair value of the collective investment trust fund.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in the value of investments are allocated to the participant accounts based on participant holdings in each fund.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' accounts.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in the employer portion of their accounts.

ALLBRIDGE 401(K) PROFIT SHARING
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

4. Federal Income Taxes

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated October 6, 2020 in which the IRS stated the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. The plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit.

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
<u>December 31, 2023:</u>		
Mutual Funds	\$ 10,223,285	\$ 10,223,285

Total Assets in Fair Value Hierarchy	8,605,944	8,605,944
Investments Measured at Net Asset Value		1,012,729
Total	\$ 8,605,944	\$ 9,618,673

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

ALLBRIDGE 401(K) PROFIT SHARING
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

6. Fair Value Measurements (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

7. Collective Investment Trust Fund

The Invesco Stable Asset Trust (the "Trust") is a collective investment trust fund of Invesco Trust Company. The Trust's primary objective is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The Trust's returns are based on returns generated by an actively-managed, highly diversified portfolio of investment grade, fixed and floating rate securities.

Prior to April 2023, the Trust invested primarily in synthetic guaranteed investment contracts. Effective April 2023, the Trust updated its investment guidelines to invest 100% of its assets in Class C units of Invesco Stable Value Trust.

The Trust is valued using the net asset value ("NAV") of units of the collective investment trust funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There were no unfunded commitments.

Issuances and redemptions of participant units are made on each business day. As permitted under the Trust Agreement, participant units are issued and redeemed based on the net asset value per unit of the Trust at contract value, determined in accordance with the terms of the Trust agreement, as of the Trust's Valuation Date last preceding the date on which such orders to issue or redeem units received. A participating trust is required to give the Trustee 12 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Trust.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

8. Party-in-Interest Transactions

Plan investments are managed by Reliance. Reliance is the trustee as defined by the Plan. ADP, LLC is the Plan's record-keeper. Transactions with Reliance and ADP, LLC qualify as party-in-interest transactions. Fees paid by the Plan to the trustee, record-keeper and other parties-in-interest for contract administration, advisory and professional services were \$35,081 for the year ended December 31, 2023. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2023:

Net Increase in Net Assets Available for Benefits per the Financial Statements	\$ 1,335,013

11. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through August 13, 2024, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2020. Certain provisions of the SECURE Act 2.0 are effective starting in January 1, 2024 and various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026.
