INDEPENDENT AUDITOR'S REPORT

To the Plan administration, trustees and management of
Champion Rehab Resources, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Champion Rehab Resources, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Champion Rehab Resources, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Champion Rehab Resources, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Rehab Resources, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Champion Rehab Resources, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Rehab Resources, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Champion Rehab Resources, LLC 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF PLAN

The following description of the Champion Rehab Resources, LLC 401(k) Plan (the “Plan”) provides only general information. Refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all full-time employees of Champion Rehab Resources, LLC (the “Company”, “Sponsor”, “Employer”, or “Plan Administrator”), subject to certain eligibility requirements. The Plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan’s Trustees determine the appropriateness of the Plan's investment offerings and monitors investment performance. Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Nationwide Trust Company, FSB (“Nationwide”), the custodian and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by participants and provides certain recordkeeping services. Corporate Financial Services, LLC acts as the third-party consultant for the Plan, which performs certain plan administration and annual ERISA compliance testing.

Eligibility

The Plan covers substantially all full-time employees excluding non-resident aliens who have no earned income from sources within the United States, union employees, leased employees, independent contractors and illegal aliens. The employees must also meet other requirements to participate such as reaching twenty-one years old with one year of service and at least 1,000 hours of service.

Contributions

Each year, participants may defer a percentage of pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The current year Sponsor contribution is a profit sharing contribution of 2% of eligible compensation. The terms of the Plan also allow for the

Note 1: DESCRIPTION OF PLAN (Continued)

Sponsor to make matching contributions based on matching formula based on a discretionary amount or percentage of employee contributions. Additional amounts may be contributed at the option of the Company's trustees.

For the year ended December 31, 2023, the Company's profit sharing contribution totaled \$194,339, which is offset by \$22,939 in available forfeitures. There were no discretionary matching contributions for the year ended December 31, 2023. The Plan also remitted \$36 for lost earnings on prior year delinquent participant contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's profit sharing or matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service with 1,000 hours of service necessary to obtain a year of vesting service. A participant is vested in these contributions as follows:

Years of service	Vesting Percent
Less than one year	0%
One year, but less than two years	20%
Two years, but less than three years	40%
Three years, but less than four years	60%
Four years, but less than five years	80%
Five or more years	100%

A participant's account becomes fully vested upon the participant's death, total disability, or attaining normal retirement age.

Notes Receivable from Participants

Participant loans are not allowed under the Plan provisions.

Champion Rehab Resources, LLC 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF PLAN (Continued)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in partial withdrawals or installments, with respect to minimum required distributions, over a period of not more than your life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$22,939 and \$12,574 respectively. These accounts will be used to reduce future employer contributions. In 2023, employer contributions were reduced by \$22,939 from forfeited nonvested accounts.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) and in accordance with the plan agreement, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Champion Rehab Resources, LLC 401(k) Plan Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments generally are reported at fair value but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV. The Plan's Trustees and management determine the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the actual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contribution in excess of amounts allowed by the IRS are recorded as a liability with a corresponding addition to benefits paid to participants. The excess contributions were not refunded to the applicable participant within 2 ½ months following the end of the year as required the Internal Revenue Service, but amounts were refunded on August 28, 2024.

Payments of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through September 13, 2024, the date the financial statements were available to be issued, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified to be complete, and accurate by Nationwide Trust Company, FSB, the qualified institution:

- a) Total investments, at fair value, included in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- b) Investment income included in the statement of changes in net assets available for benefits, for the year ended December 31, 2023.
- c) All amounts included in Note 4, *Fair Value Measurements*.
- d) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2023.

Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

Champion Rehab Resources, LLC 401(k) Plan Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
December 31, 2023				
Mutual Funds	\$ 9,816,961	\$ -	\$ -	\$ 9,816,961
Total investments at fair value			\$	\$ 9,816,961

Mutual Funds	\$ 8,217,581	\$ -	\$ -	\$ 8,217,581
Total investments at fair value			\$	8,217,581

Note 5: TAX STATUS

The IRS has determined and informed the tax compliance consultant, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2023 and 2022, Nationwide Trust Company, FSB was the custodian for the Plan. Corporate Financial Services, LLC, was the benefit and tax compliance consultant for the Plan during the years ended December 31, 2023 and 2022. The Plan paid certain expenses related to plan operations and investment activity to various service providers, as described in Note 1 and 2. These transactions qualify as party in interest transactions under ERISA.

In general, the administrative expenses for the Plan are paid from the Plan's assets. From time to time certain expenses of the Plan, including legal and accounting fees, are paid by the Plan Sponsor. In addition, certain services to the Plan by the Plan Sponsor were performed at no charge.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.
