INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
the Pella Tennessee 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Pella Tennessee 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Pella Tennessee 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion, Continued

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pella Tennessee 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pella Tennessee 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pella Tennessee 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pella Tennessee 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of *Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes at End of Year* and *Schedule H, Line 4a - Schedule of Delinquent Participant Contributions* are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PELLA TENNESSEE 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of the Pella Tennessee 401(K) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all employees of Pella Tennessee, LLC (“Company”) who are age twenty-one or older and have completed three months of eligible service. Employees become eligible to participate and may enroll on the first day of the Plan year or the first day of the seventh month of the Plan year after satisfying the age and service requirements. The Plan is administered in accordance with the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective June 1, 2023, the Plan changed service organizations providing recordkeeping and custodial services to the Plan. Plan assets were transferred to the new service organization at fair value.

(b) Contributions

Each year, participants are permitted to make pre-tax contributions or elect to reduce their compensation to make Roth 401(K) contributions at rates of at least 1% up to 90% of eligible earnings, as defined by the Plan. Contributions are subject to a maximum annual amount as determined by applicable law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, as determined by the Internal Revenue Service (“IRS”) and ERISA. Participants may also contribute amounts representing distributions from other qualified deferred benefit or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan.

Each pay period, the company matches 100% of the first 3% of base compensation that an eligible participant contributes to the Plan. In addition, the Company may make, at its discretion, annual profit sharing contributions to the Plan. The Company elected not to make a profit sharing contribution during 2023.

(c) Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and any rollovers, an allocation of Plan earnings, and may be charged with some or all of the costs and expenses of operating the Plan. Allocations are based on participant earnings, account balances, or election of investment options, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

PELLA TENNESSEE 401(K) PLAN

Notes to Financial Statements, Continued

December 31, 2023 and 2022

(1) Description of Plan, Continued

(d) Vesting

Participants are always 100% vested in their voluntary contributions made and rollover contributions received plus actual earnings thereon.

Vesting in the Company's matching and profit sharing contributions to participants' accounts plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 3 years	0%
3 years or more	100%

(e) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a period not to exceed the life expectancy of such participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(f) Investment Options

Investments are made as directed by the Plan's participants. Company contributions are invested in the same manner as participant elective contributions. The Plan currently offers various mutual funds and a collective investment trust as investment options for participants.

(g) Forfeitures

Upon termination of employment, the unvested portion of the participant's account is forfeited. Forfeitures are retained in the Plan and may be used to pay administrative expenses and fees and to reduce Company contributions to the participants remaining in the Plan. During the year ended December 31, 2023, forfeitures totaling \$384 were used to reduce Company contributions to the participants remaining in the Plan and forfeitures totaling \$1,245 were used to pay administrative fees. At December 31, 2023 and 2022, unallocated forfeitures totaled \$1,536 and \$1,044, respectively.

PELLA TENNESSEE 401(K) PLAN

Notes to Financial Statements, Continued

(1) Description of Plan, Continued

(h) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested in the aggregate value of his or her account regardless of each participant's current vesting percentage and is entitled to receive the balance in his or her account (after payment of all expenses and proportional adjustment of such expenses and any investment gains or losses).

(2) Summary of Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP") and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(b) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable. The Plan distributed the 2023 excess contributions after March 15 following the Plan year end, the deadline by which excess contributions may be returned without incurring a penalty, resulting in the Plan incurring an excise tax penalty of \$5,923. The penalty was paid by the Plan sponsor.

(d) Payment of Benefits

Benefits are recorded when paid.

PELLA TENNESSEE 401(K) PLAN

(2) Summary of Accounting Policies, Continued

(e) Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company, if any, are excluded from the accompanying financial statements. Investment-related expenses are included in net appreciation/depreciation in fair value of investments. Fees for annual participant account maintenance and fees related to distributions to participants are included in administrative expenses and are charged to participant accounts.

(f) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(g) Date of Management's Review and Subsequent Events

Subsequent events were evaluated through August 30, 2024, which is the date the financial statements were available to be issued.

(3) Fair Value Measurements

The Plan accounts for its financial assets and liabilities in accordance with Accounting Standards Codification 820, Fair Value Measurement ("ASC 820"), which are carried at fair value on a recurring basis in the financial statements. ASC 820 establishes a fair value hierarchy that requires assets and liabilities measured at fair value to be categorized into one of three levels based on the priority of inputs used in the valuation. Assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement. The three levels are defined as follows:

Level 1: Quoted price (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in market that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

PELLA TENNESSEE 401(K) PLAN

Notes to Financial Statements, Continued

December 31, 2023 and 2022

(3) Fair Value Measurements, Continued

Level 3: Unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds

Mutual funds are valued at the net asset value ("NAV") reported in the active market where the fund is traded on a daily basis and are classified as Level 1 investments.

Collective Investment Trust

The Fidelity Advisor Stable Value Portfolio, held in a collective investment trust, invests primarily in fixed income portfolios that are wrapped by stable value contracts which allow participants to transact at book value. The objective of the stable value fund is to provide safety of principal and consistency of returns while attempting to maintain minimal volatility. The investment is valued using NAV as a practical expedient to estimate fair value. The NAV is based on the value of the underlying investment assets owned by the fund minus liabilities and then divided by the number of shares outstanding. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on this investment.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes these valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial investments could result in a different fair value measurement at the reporting date.

The following sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	December 31, 2023			
	Fair Value Measurements			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 5,449,727	5,449,727	-	-

PELLA TENNESSEE 401(K) PLAN

Notes to Financial Statements, Continued

December 31, 2023 and 2022

(3) Fair Value Measurements, Continued

	Total	December 31, 2022		
		Fair Value Measurements		
		Level 1	Level 2	Level 3
Mutual funds	\$ 4,355,070	<u>4,355,070</u>	<u>-</u>	<u>-</u>
Collective investment trust at NAV (1)	<u>69,862</u>			
Investments at fair value	<u>\$ 4,424,932</u>			

(1) In accordance with ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or equivalent) practical expedient have not been classified in the fair value hierarchy.

(4) Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan, as restated, is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to the applicable statute of limitations.

(5) Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company, the trustee of the Plan for the year ended December 31, 2022 and the period January 1, 2023 through May 31, 2023, and by Capital Bank and Trust Company, the trustee of the Plan for the period June 1, 2023 through December 31, 2023. This information has not been audited by the independent auditor.

	<u>2023</u>	<u>2022</u>

(6) Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

The Plan's exposure to concentrations of credit risk is dependent upon the investments selected by participants. The Plan's investments in the following funds represent concentrations of credit risk at December 31, 2023 and 2022:

	2023	
	<u>Value</u>	<u>% of Total Investments</u>
American Funds American Balanced R6	\$ 1,016,469	19%
American Funds New Perspective R6	663,648	12%
American Funds 2045 Target Date Fund R6	621,313	11%
JP Morgan Large Cap Growth R6	708,899	13%
	2022

American Funds American Balanced R6	\$ 771,910	17%
American Funds New Perspective R6	775,619	18%
MFS Value R6	496,197	11%
T. Rowe Price Blue Chip Growth I	718,891	16%

(7) Related Party and Party-In-Interest Transactions

Certain administrative services were provided by the Plan's former recordkeeper, ADP, Inc. During 2023, fees totaling \$605 were paid to ADP, Inc. by the Plan and are included in administrative expense on the statement of changes in net assets available for benefits.

Certain administrative services were provided by the Plan's recordkeeper, Capital Group Retirement Services. During 2023, fees totaling \$2,445 were paid to Capital Group by the Plan and are included in administrative expenses on the statement of changes in net assets available for benefits.

During 2023, investment advisor fees totaling \$12,061 were paid by the Plan and are included in administrative expenses on the statement of changes in net assets available for benefits.

All identified party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

(8) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 5,390,498
Excess contributions payable not recorded on Form 5500	<u>59,229</u>
Net assets available for benefits per Form 5500	<u><u>\$ 5,449,727</u></u>

Plan Administrator
Pella Tennessee 401(K) Plan

We have audited the financial statements of the Pella Tennessee 401(K) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023, and have issued our report thereon dated August 30, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company (January 1, 2023 through May 31, 2023) and Capital Bank and Trust (June 1, 2023 through December 31, 2023), the trustee of the Plan, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 22, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies that had a material impact on the financial statements were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices, Continued

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.
