INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Cotiviti Savings Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Cotiviti Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

COTIVITI SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following description of the Cotiviti Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan sponsored by Cotiviti Intermediate Holding Corp. (also referred to as the “Company” or “Employer” or “Plan Sponsor”) and participating employers covering substantially all full-time eligible employees who are not collectively bargained employees, leased employees, non-resident aliens, or employees who are part-time, temporary, or seasonal that do not meet 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Retirement Committee of the Cotiviti Savings Plan oversees governance of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

The Plan has implemented a Safe Harbor plan design, as permitted by the Internal Revenue Service (“IRS”), which exempts the Plan from certain compliance issues, primarily associated with non-discrimination testing issues.

B. Contributions

Each year, participants may contribute up to 100% of annual compensation to the Plan on a pretax or Roth basis, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a money market fund, common collective trusts, a stable value common collective trust, and self-directed brokerage accounts as investment options for participants. The Company makes a safe harbor matching contribution equal to 100% of the first 3% of annual compensation that a participant contributes to the Plan, plus 50% of salary deferrals in excess of 3% up to 5% of annual compensation. The Company may also make discretionary matching contributions as determined by management. Contributions are subject to certain statutory limitations.

C. Participants’ Accounts

Each participant’s account is credited with (i) the participant’s contributions, (ii) the Company’s contributions, and (iii) the participant’s account earnings. Each participant’s account is charged with (i) the participant’s withdrawals, (ii) the participant’s account losses, and (iii) an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, and actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	33%
3	67%
4	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the normal retirement age of sixty-two years old, or upon disability or death while an employee of the Plan Sponsor.

E. Payment of Benefits

A participant may withdraw up to a maximum of 100% of the vested account balance of elective, matching, and discretionary contributions, in the event of a participant's heavy and immediate financial hardship, as defined in the Plan agreement. Hardship distributions cannot exceed the amount of the participant's financial hardship and may not be repaid by the participant.

The Plan Administrator may be required by law to recognize obligations the participant incurs as a result of court-ordered support or alimony payments. The Plan Administrator must honor a qualified domestic relations order ("QDRO"). If a QDRO is received by the Plan Administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age fifty-nine and one-half. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Upon retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or direct rollover into an individual retirement account, an annuity plan, or a qualified trust. Upon termination of service, a participant may elect to receive either a lump-sum distribution equal to the value of his or her account, or equal or specified dollar installments. Participants' account balances less than \$1,000 will be paid as a cash distribution.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN (Continued)

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested balance or \$50,000, less the amount of outstanding loans taken during the prior twelve months. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

G. Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4,663 and \$42,092, respectively. These accounts will be used to reduce future employer contributions and/or pay administrative expenses. Forfeitures that have not been used shall be allocated as of the last day of the Plan year in which such forfeitures are determined. In 2023, employer contributions and administrative expenses were reduced by \$94,735 and \$-0-, respectively, from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee of the Plan determines the Plan's valuation policies utilizing information provided by its investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in Plan funds were deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Payment of Benefits

Benefit payments are recorded when paid by the Plan.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

F. Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan including legal, accounting and Plan administration. Administrative expenses paid by the Plan totaled \$358,043 for the year ended December 31, 2023.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

H. Subsequent Events

Plan management has evaluated subsequent events through August 26, 2024, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

3. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds and money market fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common collective trusts: The collective trust funds are public investment vehicles valued using a NAV provided by the manager of each fund. The NAV is based on the underlying net assets owned by the fund, divided by the number of shares outstanding. The NAV's unit price is quoted on a private market that is not active. However, the NAV is based on the fair value of the underlying securities within the fund, which are traded on active markets, and valued at the closing price reported on the active market on which those individual securities are traded. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The significant investment strategies of the funds are as described in the financial statements provided by each fund. There are no restrictions on redemptions from these funds.

Stable value common collective trust: Valued at the NAV of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Self-directed brokerage accounts: Valued at fair value based upon the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

4. TAX STATUS

The Plan Sponsor entered into a non-standardized adoption agreement of the Empower Retirement, LLC Defined Contribution Pre-approved Plan (the "Prototype Plan"). The Prototype Plan received a favorable opinion letter from the IRS on November 14, 2022, which stated that the Prototype Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not been amended since receiving its latest opinion letter. The Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and the Plan was qualified and tax exempt as of December 31, 2023, and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
