INDEPENDENT AUDITORS' REPORT

To the Trustees and Board of Directors of
Kings Community Action Organization, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kings Community Action Organization, Inc.'s 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of Kings Community Action Organization, Inc.'s 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established in 1984 covering employees who have one year of service with at least 1,000 hours worked. Normal employees who have three months of service are allowed to make elective deferrals to the Plan. Union employees who have ninety working days of service are allowed to make elective deferrals to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year participants may contribute pre-tax and post-tax annual compensation, as allowed by law. The Plan has an automatic contribution feature. In the event a participant fails to complete a deferral election form provided by the employer, the participant's eligible compensation will automatically be reduced by two percent for a contribution to the Plan in the first year with automatic one percent increases annually on the first day of the Plan year until the maximum default election amount of ten percent. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover), as defined in the Plan. The Plan matches 100 percent of the aggregate salary reduction contribution up to the first two percent of contributed compensation. Additional amounts may be contributed at the option of the Kings Community Action Organization, Inc.'s (the Organization) Board of Directors. Contributions are subject to certain limitations. For each of the years ended December 31, 2023 and 2022, the Organization made a profit-sharing contribution of four percent of eligible compensation to the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and the Organization's matching contributions, as well as allocations of the Organization's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, as well as administrative expenses that are directly charged to the participant's accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

An individual account is maintained for each participant, which includes the following components:

1. Employee contributions
2. Employer contributions
3. The participant's pro rata share of net investment income
4. Deductions for benefits paid to participants

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is fully vested after five years of credited service.

Employer's contributions are vested as follows:

- 25 percent: after two years
- 50 percent: after three years
- 75 percent: after four years
- 100 percent: after five years

Participant Loans: Loans are not permitted under the Plan.

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan may elect to make a mandatory distribution of account balances that are \$5,000 or less. The Plan will make the distribution as a direct rollover for any amounts greater than \$1,000. The Plan administrator will notify the employee if the automatic rollover provisions apply to the distribution. After receiving this notice, the employee will have an opportunity to decide whether they wish to receive an automatic payment directly in cash or have it rolled into an eligible retirement plan or IRA. The automatic rollover will be invested in an investment product designed to preserve principal and provide a reasonable rate of return and liquidity, whether or not such return is guaranteed, consistent with liquidity.

Forfeited Accounts: At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$8,019 and \$18,269, respectively. Forfeited non-vested accounts will be applied to reduce employer matching and profit-sharing contributions. For the years ended December 31, 2023 and 2022, employer matching and profit-sharing contributions were reduced by \$1,822 and \$8,114, respectively, from forfeited nonvested accounts.

During the years ended December 31, 2023 and 2022, the Plan Sponsor determined that completed distributions to participants in the current and previous years were not correctly calculated per the terms of the Plan document. As a result, the Plan sponsor allocated forfeitures to the separated participants that were affected. During the years ended December 31, 2023 and 2022, total plan forfeitures allocated to these participants totaled \$986 and \$6,150, respectively. The distribution of these funds is expected to occur in each subsequent period.

Expense Budget Account: The Plan utilizes an Expense Budget Account (EBA) offered by Transamerica. This account is established for the purpose of paying plan expenses and is considered a plan holding. The account is funded by contract asset charges and/or an expense ratio. In 2023 and 2022, contributions to the EBA account totaled \$40,654 and \$37,061, respectively. At December 31, 2023 and 2022, the balance in this account totaled \$13,572 and \$12,410, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Mutual fund unit values are established by dividing the net value of each fund by the number of units outstanding on the valuation date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses: Certain expenses of maintaining the Plan are paid by the Plan. Expenses relating to specific participant transactions (i.e. distribution requests) are charged directly against the appropriate participant's account. Audit fees required under the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) are paid by the Organization.

Subsequent Events: In compliance with accounting standards, management has evaluated events that have occurred after year-end to determine if these events are required to be disclosed in these financial statements. Management has determined that no events require disclosure in accordance with accounting standards. These subsequent events have been evaluated through July 25, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEES

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedule, including investments from participants held at December 31, 2023 and 2022 and net appreciation (depreciation) in the fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica Life Insurance Company, Inc. (a trustee of the Plan). The fair value of the fixed annuity contract and related investment income was certified by ReliaStar Life Insurance Company (a trustee of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022, and there have been no transfers between levels during the years ended December 31, 2023 and 2022.

Pooled separate accounts: Valued daily using publicly quoted market prices for identical assets (Level 1). Those pooled separate accounts directly investing in maturity securities are measured based on the pricing data provided by outside valuation services providers who in turn generally use the mean of bid and ask price but also may use alternative pricing inputs for certain securities (Level 2).

Fixed annuity contract: Valued at contract price. The underlying assets held in the fixed annuity contract are the assets held in the general account of ReliaStar Life Insurance Company, which consists of all the company's assets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

2023	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 2,797,909	\$ 8,068,124	\$ -	\$ 10,866,033
Fixed annuity contract	-	16,952	-	16,952
Total investments at fair value	<u>\$ 2,797,909</u>	<u>\$ 8,085,076</u>	<u>\$ -</u>	<u>\$ 10,882,985</u>
2022	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 2,160,220	\$ 6,803,784	\$ -	\$ 8,964,004
Fixed annuity contract	-	24,350	-	24,350
Total investments at fair value	<u>\$ 2,160,220</u>	<u>\$ 6,828,134</u>	<u>\$ -</u>	<u>\$ 8,988,354</u>

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT OPTION

The Plan has a fully benefit-responsive investment option within the contract with Transamerica. The Transamerica Stable Value Fund (Fund) is backed by the general account of Transamerica Life Insurance Company (TLIC) or Transamerica Financial Life Insurance Company (TFLIC). This fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value at December 31, 2023 and 2022 was \$314,103 and \$279,867, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During 2023 and 2022, certain plan investments were shares of pooled separate accounts and the stable value fund managed by Transamerica. Transamerica is a trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were \$34,010 and \$32,135 for the years ended December 31, 2023 and 2022, respectively.

The third-party administrator of the Plan and the Plan's investment advisor provide various services to the Plan and receive compensation and other fees for these services and, therefore, qualify as parties-in-interest.

There were no transactions with any parties-in-interest that would be considered prohibited transactions by DOL regulations.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' accounts shall be one hundred percent vested and non-forfeitable. Accounts will be distributed as soon as administratively practicable after the Plan is terminated.

KINGS COMMUNITY ACTION ORGANIZATION, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – TAX STATUS

The Internal Revenue Service has determined and informed the Organization by a letter dated May 15, 1998, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC; therefore, the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
